Healing Danger Dealing with the horrific murder of her best friend is more than enough for school teacher Lauren Cassidy, but now a madman has decided that she needs to die for her part in that death. With her life in danger and her past catching up to her, will she stay alive long enough to trust the one man she never forgot, with her heart? With the promise to catch a killer and keep Lauren safe, Dane Bennet must now protect her from the evil in her past. A sick cult group with ties to the government and the rich and powerful are determined to use her powers for their own evil gain. Will Dane be able to protect the woman he loves or will he have his chance at happiness snatched away. Dane must use every ounce of his elite special forces training to keep her safe, even if it means breaking her heart. Determined to stop

the evil that threatens the world and avenge the death of a friend, will Lauren and Dane be able to overcome their intense attraction to stop the people determined to end her life and start Armageddon or will their passion blind them.

From the moment Peyton Emerson discovered she was pregnant at 18, although scared, she couldn't wait to share the exciting news with the baby's father and her childhood sweetheart, Keller James-who was serving at war in Afghanistan. Then a letter came from Keller shattering Peyton's world, saying he wanted nothing more to do with her or her unborn child. Or so she thought.... Fast forward five years, and Peyton, now 23, is living in New York City with her daughter Ivy, and her crazy

British best friend Lottie Carter, working part time as a stripper to provide for them. As Peyton and Keller are reunited, they discover the truths and the lies that left them both heartbroken. But... Will she take him back? Can she forgive him for everything? Will a chance meeting with the man that left her heartbroken and pregnant, take her back to the dark place he left her in? Or will they find their love again? My One Regret Farrar, Straus and Giroux

"When Ashes Fall is a tautly written, complex, and emotionally-charged love story that takes the reader on an unforgettable, unexpected, and deeply moving journey." -USA Today t's been

said that you can't love two men at the same time. You can't split your heart, soul, and body in half. But I'm here to tell you, you can. Dylan Cole is like ice, sharp and unpredictable, the thunder inside a tumultuous storm. Smith Reid is warmth, soft and gentle, perfect like a sunny day. Both are mine. But I can have only one. There are two sides to this tale. I'm here to tell you mine. If you think this story is about a cheater, you couldn't be more wrong.

Canada is regularly presented as a country where liberalism has ensured freedom and equality for all. Yet as Canada expanded westward and colonized First Nations territories, liberalism did not operate to advance freedom or equality for Indigenous people or protect their property. In reality it had a markedly debilitating

effect on virtually every aspect of their lives. This book explores the operation of exclusionary liberalism between 1877 and 1927 in southern Alberta and the southern interior of British Columbia. In order to facilitate and justify liberal colonial expansion, Canada relied extensively on surveillance, which operated to exclude and reform Indigenous people. By persisting in Anglo-Canadian liberal capitalist values, structures, and interests as normal, natural, and beyond reproach, it worked to exclude or restructure the economic, political, social, and spiritual tenets of Indigenous cultures. Further surveillance identified which previously reserved lands, established on fragments of First Nations territory, could be further reduced by a variety of dubious means. While none of

this preceded unchallenged, surveillance served as well to mitigate against, even if it could never completely neutralize, opposition.

Independently Published

After years of war, Lincoln Sheppard thought he'd left the violence and ugliness behind. He was content with the life he built for himself. Then the woman down the street came in and shook everything up. All Eden Brenner ever wanted was to have a place to call home. She finally found that in Hope Valley. Then she went and fell in love with the man a few houses down the first time she laid eyes on him. There was just one problem. Women like her didn't catch the attention of men like him. He was

totally and completely out of her league. And to make matters worse, when her past comes knocking, the beautiful world she's built for herself is at risk of crumbling to the ground. When danger forces Eden into his arms, Lincoln begins to see her in a whole new light, and he suddenly finds himself wanting things he never expected. And he wants them all with the shy, clumsy woman from down the street. But when the truth comes out, that proves nearly impossible. Now he's fighting the hardest battle of his life, and the stakes are higher than ever. Protect the woman he's falling for while trying to win her heart at the same time.

When viewers think of film noir, they often picture actors like Humphrey Bogart

playing characters like Sam Spade in *The Maltese Falcon*, the film based on the book by Dashiell Hammett. Yet film noir is a genre much richer. The authors first examine the debate surrounding the parameters of the genre and the many different ways it is defined. They discuss the Noir City, its setting and backdrop, and also the cultural (WWII) and institutional (the House UnAmerican Activities Committee, and the Production Code Administration) influences on the subgenres. An analysis of the low budget and series film noirs provides information on those cult classics. With over 200 entries on films, directors, and actors, the *Encyclopedia of Film Noir* is the most complete resource for film fans, students, and scholars.

Arianna 'Ari' Williams thought she experienced the depths of true love until the man of her dreams dismissed her with no explanation. Heartbroken and humiliated, she found herself changing the course of her life and picking up the pieces of her shattered heart. Now four years later, she has a successful career, amazing friends, and a young son with crystal blue eyes that reminds her every day of the love she imagined. Emotionally she has moved on but the wounds never healed. Reed Matthews has it all. Playing professional football was always his dream. Being one of the most successful wide receivers in the league comes with money, fame, and all the women he wants.

Even with all his wishes coming true, he never stops thinking of the one woman that owned his soul four years ago. A chance encounter brings Reed to the realization that Ari Williams not only hid a life changing secret from him, but also things weren't as they seemed all those years ago. He's determined to get her back and build their lives together. When the truth behind their deception is revealed- friendships are tested, families are torn apart, and the one person behind it all is relentless. Can Reed protect those he loves and build the future he dreamed of? *Due to graphic language and explicit sexual situations, this book is recommended for readers 18+

Enticed by You Taylor & Francis French Revolution: The Basics is an accessible and concise introduction to the history of the revolution in France. Combining a traditional narrative with documents of the era and references to contemporary imagery of the revolution, the book traces the long-and short-term causes of the French Revolution as well as its consequences up to the dissolution of the Convention and the ascendancy of Napoleon. The book is written with an explicit aim for its reader to acquire understanding of the past whilst imparting knowledge using underlying historical concepts such as evidence, continuity and change, cause and effect, significance, empathy, perspectives, and contestability. Key topics discussed within the book include: The structure of French society before 1789. The long- and short-term

factors that contributed to the French Revolution. How ordinary French people, including women and slaves, participated in the revolution. What brought about the end of the ancien régime. The major reforms of the National Assembly, 1789–1791, and how they lead to the division and radicalisation of the revolution. How the alternative visions of the new society divided the revolution and what were the internal and external pressures on the revolution that contributed to its radicalisation. The forms of terror which enabled reality to triumph over the idealism. The rise of Napoleon Bonaparte as military leader and Emperor. This book is an ideal introduction for anyone wishing to learn more about this influential revolution in the shaping of modern Europe and the world.

Salvation Harper Collins

A woman with a secret past! Lucy Bennett is not what she appears to be.

When she overhears a devastating conversation she decides to fight the betrayal head on. To do that Lucy must let her past and present lives collide, face the hurt and guilt she buried years ago, and reveal the real Lucy to the world. A man with a gift. Jace Ward, Fortis operative and Ex-SAS soldier, is dealing with his new gift of hearing people's thoughts. All except the thoughts of the woman he loves! Jace has loved Lucy Bennett since he first laid eyes on her nearly twenty years ago. Her beauty, her love for those around her, and the fact that she is a badass makes her the perfect woman for him. Then tragedy strikes unexpectedly, and Lucy is left destroyed

by the turn of events. Can Jace reach the woman he can't live without and bring her home? Can they stop this latest attack by the Divine Watchers before more people they care about die? Will their love make it?

FIRST STANDALONE IN THE WHY

NOT SERIES Heartbroken and

betrayed on a bathroom floor; eighteen-year-old, Kendall Brooks was found by her own personal hero... Jayson Stone swooped in with his strong arms and made her feel like more than just his best friend's little sister. After crushing on Jayson for years Kendall was all too willing to fall into his arms, and his bed. The next morning, he was gone. He left

her, without a goodbye and without her virginity. Not even a smack on the butt, or a good job. Four years later Kendall is living her best life. She seems to have it all; white picket fence, loving marriage, adorable three-year-old twins, future politician husband.... Kendall's perfect world scatters like a tilted box of Legos when Jay shows up on her brother's door step. With his mouthwatering abs and tantalizing eyes popping up around every corner, will Kendall be able to resist him? Or, will she risk everything for one more taste? After four years in the Army all Jayson wants to do is reconnect with the one woman that made life worth living. Only to realize he'd pushed her into the arms of a

monster. The Golden Couple may have the rest of the town fooled but Kendall can't hide her secrets from him. She's always been Jayson's girl in his eyes. No amount of time, a last name, or wedding ring can change that. Or so he thought... When secrets and betrayals come to light, will Jayson get passed his anger in time to save Kendall from her monster? Or, will the unspoken truths tear them apart forever? **Trigger warning** This book contains strong domestic violence and adult content. WHY NOT GOODBYE is not your average love story. It's real and heart-wrenching. Not only does Kendall and Jayson have to face their betrayals and secrets; they also have to face scandal,

black mail, and domestic violence. This story follows Kendall as she faces her own truths that she's avoided for years. Her feelings about abuse and what she has to do to protect herself and her children. This story contains struggles women face every day, while also following a story of lifelong love and second chances.

The Routledge Handbook of Anthropology and Reproduction Bloomsbury Publishing USA
The Routledge Handbook of Anthropology and Reproduction is a comprehensive overview of the topics, approaches, and trajectories in the anthropological study of human reproduction. The book brings together work from across the discipline of anthropology, with contributions by established and emerging scholars in archaeological, biological, linguistic, and

sociocultural anthropology. Across these areas of research, consideration is given to the contexts, conditions, and contingencies that mark and shape the experiences of reproduction as always gendered, classed, and racialized. Over 39 chapters, a diverse range of international scholars cover topics including: Reproductive governance, stratification, justice, and freedom. Fertility and infertility. Technologies and imaginations. Queering reproduction. Pregnancy, childbirth, and reproductive loss. Postpartum and infant care. Care, kinship, and alloparenting. This is a valuable reference for scholars and upper-level students in anthropology and related disciplines associated with reproduction, including sociology, gender studies, science and technology studies, human development and family studies, global health, public health, medicine, medical humanities, and midwifery and nursing.

Why Not Goodbye? Taylor & Francis
From USA Today bestseller Jennifer Sucevic comes a sexy new sports romance. Roan King. The uncrowned king of Barnett University. He's like a freaking celebrity around here. It's totally ridiculous. People, by which I mean grown women, actually stalk him on the internet. And around campus. Apparently, he's god's gift to both football and the ladies (I'm using that term loosely). All he has to do is smile and girls just fall right onto their backs before spreading their legs nice and wide. I've heard that he's already plowed his way through half the female population here at Barnett. I'm sure he'll work his way through the second half before he gets drafted to the NFL later this year. Yeah... I don't plan to be one of them. The guy is nothing more than a conceited player. You know the type- a steroid infused meathead jock coasting through college on his football prowess. Ugh. I have

three words for you- avoid, avoid, avoid. Need I say more? I don't think so. I've had the sad misfortune of running into him on campus. Literally. As in- I literally slammed into him before spilling my iced coffee drink all over that wide rippling chest of his (did I just say that?). What I learned from the experience is that Roan King is one hell of a cocky son of a- I also learned that he has the most spectacular chest...And don't even get me started on those abs... I could probably cut diamonds on them. Unfortunately for me, Operation- Avoid-Roan-King isn't going so well. Everywhere I go, there he is. If he wasn't so ridiculously hot, he would be a hell of a lot easier to forget. With his dark hair, shocking, turquoise-colored eyes and (damn him) buff body, he's easily the most gorgeous guy I've ever laid eyes on. Crap... see what I mean? Why do I suddenly have the bad feeling that Roan King is going to lead to my utter ruin and downfall?

Towards a Natural Social Contract Lindhardt og Ringhof
Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.
Whiskey Lullaby Createspace Independent Publishing Platform
Winner of the Overseas Press Club of America's Cornelius Ryan Award • Finalist for the Pulitzer Prize in Nonfiction A New York Times Book Review Notable Book • Named a Best Book of the Year by New York Magazine and The Progressive "A deeply honest and brave portrait of of an individual sensibility reckoning with her country's violent role in the world."
—Hisham Matar, The New York Times Book Review In the wake of the September 11 attacks and the U.S.-led invasion of Iraq,

Suzy Hansen, who grew up in an insular conservative town in New Jersey, was enjoying early success as a journalist for a high-profile New York newspaper. Increasingly, though, the disconnect between the chaos of world events and the response at home took on pressing urgency for her. Seeking to understand the Muslim world that had been reduced to scaremongering headlines, she moved to Istanbul. Hansen arrived in Istanbul with romantic ideas about a mythical city perched between East and West, and with a naïve sense of the Islamic world beyond. Over the course of her many years of living in Turkey and traveling in Greece, Egypt, Afghanistan, and Iran, she learned a great deal about these countries and their cultures and histories and politics. But the

greatest, most unsettling surprise would be what she learned about her own country—and herself, an American abroad in the era of American decline. It would take leaving her home to discover what she came to think of as the two Americas: the country and its people, and the experience of American power around the world. She came to understand that anti-Americanism is not a violent pathology. It is, Hansen writes, “a broken heart . . . A one-hundred-year-old relationship.” Blending memoir, journalism, and history, and deeply attuned to the voices of those she met on her travels, *Notes on a Foreign Country* is a moving reflection on America’s place in the world. It is a powerful journey of self-discovery and revelation—a profound reckoning with what it means to be

American in a moment of grave national andoutrun the memories? Can she be his global turmoil.

salvation? Ember Walker's life hasn't been easy. Fleeing from a world filled with hatred gives her a fresh start, one she desperately craved. Now, she's stronger, but guilt and insecurities still plague her. Will she ever be able to outrun her memories? Can he be her salvation?

Encyclopedia of Film Noir EEC

Raven Hayes experienced a love she thought would last forever. Declan Collins consumed her from the moment she fell into his arms. Their love was what fairytales are made of. But when his band is given an opportunity of a lifetime, he made the one choice that would tear them apart. Walking away

from him and leaving for the summer seemed to be the best idea to mend a broken heart. With the love and support of her best friend, the pain eases, but a decision has to be made. Is Declan her forever? Is she prepared to have a place in his rock star life? Declan's broken when Raven leaves. She tamed him and taught him what all-consuming love is. So many factors tried to pull them apart, but his choice was the one to push her away and possibly into the arms of another man. Losing her is not an option. Now he'll do anything to get her back. And this time she will never doubt the depth of his love and commitment to her. The journey to their happily ever after is paved with obstacles and

challenges, will their love survive?
