Referee Training Manual Referee Enterprises Incorporated  
Being an athlete is not the only way to experience the thrills of a sports game first-hand. Referees and sports officials usually spend more time in the field or in the arena than athletes themselves and are often just as instrumental to the outcome—and enjoyment—of a game. Pursuing a career in sports officiating requires a love of the sport, an eye for detail, and patience, among a host of other qualities. This exciting volume details the keys to ensuring fairness, safety, and sportsmanship on the field and the skills required to become a successful sports official.

*Official Basketball Rules 2006* Brown & Benchmark

Based on the well-known, long-running *You Are the Ref* football feature, illustrated by legendary artist Paul Trevillion and written by former international referee Keith Hackett, this guide is aimed at established, trainee, and newly qualified football referees. This is an accessible, easy-to-digest coaching manual and includes a Foreword by top referee Howard Webb. The mysteries of refereeing are explained clearly with Keith Hackett's incisive text and is brought to life with Paul Trevillion's images. *You are the Ref* covers all aspects of Refereeing and Assistant Referee training: movement and positioning; recognition of offences; viewing angles; whistle and flag technique; management of mass confrontation; sports psychology; managing conflict; teamwork; Law 11 (offside) explained; goal and target setting; how to deal with assessments; warming up; warming down; pre-match preparation; fit to play, Ref?; mentor programme; coaching referees; body language; self assessment; and much much more...

Having a mentor and bringing home an extra pay check aren't the only things you need to know. Use these tips to help you start your journey to success. About The Expert

Although he wouldn't be comfortable with the term "expert," Steven Michaluk is no slouch on the basketball court. With 6 years of on-court experience in high school and 2 years working college basketball, he has proved his worth and is continuing to climb. Steven currently works high school basketball in Virginia and NCAA women's basketball. Although this book is about his passion in officiating, he has a few others he could write books about: enjoying time with his wife and dog at home, teaching 5th grade, and playing golf. HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts. Official Basketball Rules Human Kinetics Publishers

Complete coverage of National Federation and NCAA rule changes with key rule differences between National Federation and NCAA rules and 75+ caseplays, rulings and explanations.

*The Official's Guide: Basketball* The Rosen Publishing Group, Inc

Specifically written to address the unique demands and challenges facing officials working today's youth sports. Originally developed in partnership with the National Youth Sports Officials Association (NYSOA), 101 Tips For Youth Sports Officials is the definitive guide for anyone who officiates youth-level sports. Referee Books and the National Association of Sports Officials (NASO) offer meaningful, game-tested, proven techniques and advice that will help you get organized, stay in control, and enjoy the games you officiate.

*Basketball Officials Manual* Referee Enterprises

This handbook is a must for any youth recreational basketball official or any one who wants to learn how to officiate youth basketball. This easy to use handbook is designed for the beginner and the veteran official.

**Spalding's Official Basketball Guide Containing the Official Rules** A&C Black

Sports officials (umpires, referees, judges) play a vital role in every sport, and sports governing bodies, fans, and players now expect officials to maintain higher professional standards than ever before. In this groundbreaking book, a team of leading international sport scientists and top level officials have come together to examine, for the first time, the science and practice of officiating in sport, helping us to better understand the skills, techniques and physical requirements of successful refereeing. The book covers every key component of the official's role, including: Training and career development Fitness and physical preparation Visual processing Judgement and decision-making Communication and game management Psychological demands and skills Using technology Performance evaluation Researching and studying officials in sport Top-level officials or officiating managers contribute in the 'Official's Call' sections, reflecting on their experiences in real in-game situations across a wide range of international sports, and on how a better understanding of science and technique can help improve professional practice. No other book has attempted to combine leading edge contemporary sport science with the realities of match officiating in this way, and therefore this book is vital reading for any advanced student of sport science, sport coaching or sport development, or any practising official or sports administrator looking to raise their professional standards.

HowExpert

From the opening tip to the last-second buzzer-beater, there's no letting up for the basketball referee. Before you step out on the hardwood, *Officiating Basketball* will help you ensure you're in the right place at the right time to make the right call. Based on

officiating mechanics devised and endorsed by the National Federation of State High School Associations (NFHS), *Officiating Basketball* is the definitive guide for new and experienced high school referees. Included are guidelines for what's expected of you as a basketball official, officiating procedures and responsibilities, and pre- and postgame duties. More than 100 photos and illustrations of positioning, court movement, and signals support officiating mechanics for two- and three-person crews. Real-life cases demonstrate correct rulings, point out common officiating errors and how to avoid them, and challenge you to make the right call in game situations. A glossary of key basketball terms is also included. *Officiating Basketball* is not only a rules book--it's a practical resource for implementing correct mechanics as developed and approved by the NFHS.

*Basketball Officiating Manual* Human Kinetics Publishers

Never before have Two-Person and Three-Person mechanics been covered by Referee in the same publication. Brought to life with Referee's PlayPic™ and MechaniGram™ illustrations, *Basketball Mechanics Illustrated* will show you the positions to be in and what you need to look for to make the right call. The portable size makes it a handy tool for both preseason study and in-season reference. Every book comes with a companion CD-ROM that has color images to enhance learning and meetings. With major mechanics changes in 2009 for crews of two and three, every official should have their own copy.
