This guide is for the aspiring or the new basketball official who has officiated 0-10 games. Every great official began somewhere. This guide is intended to make your first experiences as a basketball official as pleasant and as wonderful as possible, from an advanced perspective.

*A Youth Basketball Coaching Guide*

Addicus Books

Forty million children scramble

across the playing fields of America each year. They are coached by 4 million youth coaches. Coaches are in a unique position to teach kids lessons that will serve them throughout life. This book encourages coaches to see themselves as teachers and realize the impact they have on children. Also

addressed is the increasing number of coaches exhibiting unhealthy levels of intensity in youth sports.

Manual of Football Officiating (15th edition)  
Morgan James Publishing

“ A powerful guide for both parents and coaches who want kids to have fun, enjoyable, and meaningful youth sporting experiences . . . I highly recommend it! ”  
—John Ballantine, president and co-founder,

---

Kids in the Game The modern-day youth sports environment has taken the enjoyment out of athletics for our children. Currently, 70% of kids drop out of organized sports by the age of thirteen, which has given rise to a generation of overweight, unhealthy young adults. There is a solution. John O ' Sullivan shares the secrets of the coaches and parents who have not only raised elite athletes, but have done so by creating an environment that

promotes positive core values and teaches life lessons instead of focusing on wins and losses, scholarships, and professional aspirations. Changing the Game gives adults a new paradigm and a game plan for raising happy, high performing children, and provides a national call to action to return youth sports to our kids. " Changing the Game is, well, a game changer. It explores in both depth and breadth the youth sports experience, its

blood, sweat, and tears. Any parent who wants their children to gain the physical, psychological, emotional, and social benefits of what sport has to offer (and isn ' t that every parent!) better read this book. It will make you a better sports parent, and it will ensure that your children get all the good stuff and avoid most of the bad stuff from participating in sports. " —James Taylor, Ph.D., author of Positive Pushing: How to Raise a Successful and Happy

---

court. With 6 years of on-court experience in high school and 2 years working college basketball, he has proved his worth and is continuing to climb. Steven currently works high school basketball in Virginia and NCAA women ' s basketball. Although this book is about his passion in officiating, he has a few others he could write books about: enjoying time with his wife and dog at home, teaching 5th grade, and playing golf. HowExpert publishes quick 'how to' guides on all topics from A to

Z by everyday experts. Official NBA Rules Scribner Paper Fiction  
The Youth Sports Coaching Guide contains the advice every coach wishes they had been given when they first started. Written by a father of four with coaching experience spanning three decades, the book reads like a down-to-earth conversation with someone who has been in the youth sports coaching trenches. The book covers every aspect of navigating the twenty-first century youth sports coaching arena. The book travels from the logistics of team selection and practice itineraries to the interpersonal complexities of working with players, parents,

other coaches and officials. The book challenges coaches to look at their own motivations and relationships and to have awareness of their actions and words. The Youth Sports Coaching Guide is divided into six sections:

- Coaching Essentials: Eight guiding principles every coach needs to know to lead a team with integrity, hard work and fun.
- Building the Team: Strategies and tips for choosing assistants, drafting players, running tryouts, the hard decisions of selecting players and the tough discussions that follow.
- Practices: Designing and running practices with an emphasis on how to teach and speak to children.
- Parents:
