Functions of Reference Services ALA stated six  
functions of Reference Services 1.The supervision  
function – Organization of facilities, selection of  
reference materials, direction of personnel and  
study of library users. 2.The information function  
– RL should answer all types of questions and  
should be able to produce the source that would  
answer the questions. 3.The guidance function ...

instructions, search services, and reference  
assistance. Information services Generally  
speaking library user services can be divided  
into two categories: library public user services  
and library technical user services. Library  
public user services refer to circulation,  
bibliographic instructions, distance learning,  
*Reference and Information Services by*  
*Melissa A. Wong and ...*

Information service, in the most general  
sense, is the process of assisting library  
users to identify sources of information in  
response to a particular question, interest,  
assignment, or problem. Sometimes  
referred to as reference service, the  
Reference and User Services Association  
(RUSA) of the American Library.

Reference and Information Services in the 21st  
Century: An ...

Reference service is the supreme and ultimate  
function of the library. This is infact the hub of  
all library activities. Reference service is  
sometimes referred to as 'reference and  
information services' or 'reader services'.  
According to A.B. Kroeger – Reference service  
as "assistance in the use of resources of the  
library".
