Reformed Ethics Baker Books

Described by Pope Pius XII as the most important theologian since Thomas Aquinas, the Swiss pastor and theologian, Karl Barth, continues to be a major influence on students, scholars and preachers today. Barth's theology found its expression mainly through his closely reasoned fourteen-part magnum opus, *Die Kirchliche Dogmatik*. Having taken over 30 years to write, the *Church Dogmatics* is regarded as one of the most important theological works of all time, and represents the pinnacle of Barth's achievement as a theologian. T&T Clark International is now proud to be publishing the only complete English translation of the *Church Dogmatics* in paperback.

*Church Dogmatics The Doctrine of the Word of God, Volume 1, Part 2* Baker Academic

Herman Bavinck's four-volume *Reformed Dogmatics* is one of the most important theological works of the 20th century. The

English translation was edited by leading Bavinck expert John Bolt, who now brings forth a recently discovered manuscript from Bavinck that is being published for the first time. Serving as a companion to *Reformed Dogmatics*, *Reformed Ethics* offers readers Bavinck's mature reflections on ethical issues. This book, the second of three planned volumes, covers the duties of the Christian life and includes Bavinck's exposition of the Ten Commandments.

**Reformed Dogmatics** Crossway

In partnership with the Dutch Reformed Translation Society, Baker Academic is proud to offer in English for the very first time the fourth and final volume of Herman Bavinck's complete *Reformed Dogmatics*, now also available as a four-volume set. This volume includes the combined indexes for all four volumes. In addition, editor John Bolt introduces each chapter and has enhanced the footnotes and bibliography. This masterwork will appeal not only to scholars, students, pastors, and laity interested in Reformed theology but also to research and theological libraries.

The Abraham Kuyper Center for Public

---

Theology at Princeton Theological Seminary was established in admiration of Kuyper, whose life as pastor, theologian, journalist, and politician remarkably exemplifies how confidence in the truth of a Christian worldview can be expressed in both theory and practice. The chapters in this book were originally presented at the annual Kuyper Conferences of 2009 and 2010 and are inspired by the themes of those conferences:

“ Philosophy and Revelation: A Celebration of the Centenary of Herman Bavinck ’ s 1908-1909 Stone Lectures ” (2009) and “ Common Grace and ‘ A Common Word ’ ” (2010).

God Is Baker Academic

Herman Bavinck's four-volume Reformed Dogmatics is one of the most important theological works of the twentieth century. The recently completed English translation has received wide acclaim. Now John Bolt, one of the world's leading experts on Bavinck and editor of Bavinck's four-volume set, has abridged the work in one volume, offering students, pastors, and lay readers an accessible summary of Bavinck's masterwork. This volume presents the core of Bavinck's thought and offers explanatory materials, making available to a wider audience some of the finest Dutch Reformed theology ever written. Praise for Reformed Dogmatics "Bavinck's magisterial Reformed Dogmatics remains after a century the supreme achievement of its kind."--J. I. Packer, Regent College

Reformed Dogmatics : Volume 2 Baker Books

The Kuyper Center Review, Volume 2 Baker Academic

Like books, people can become 'classics.' Great in their day, but richer and more fulfilling with time.

Not yet a classic, Vos's never-before-published Reformed Dogmatics is more like a lost

Shakespeare play recently discovered. --Michael Horton Until recently, Reformed Dogmatics was only available in its original Dutch.

But now you too can access Geerhardus Vos' monumental work of systematic theology. This brand-new English translation was edited by biblical theologian and Vos expert, Richard B. Gaffin, Jr. In Volume One, Theology Proper, Vos discusses: The doctrine of God The Trinity God's acts Creation Predestination Providence And more

Christian Worldview Banner of Truth A foundational work of Reformed theology, now in one volume.

Geerhardus Vos's Reformed Dogmatics represents the early theological thought of one of the premier Reformed thinkers of the nineteenth and twentieth centuries. Originally self-published in five volumes in 1896 under the title Gereformeerde Dogmatiek, this important work of Reformed theology has never before been available to an English audience. Geerhardus Vos is perhaps best known to English speakers for his books Pauline Eschatology, published in 1930, and Biblical Theology: Old and New Testaments, published in 1948.

---

Vos's strong grounding in biblical scholarship and biblical theology gives his Reformed Dogmatics a unique, fresh biblical perspective. Though this five-volume set is systematic in nature, Geerhardus Vos brings the skills and acumen of a biblical theologian to the task. This new edition incorporates the English translations of each of the earlier volumes into a single volume for students of Reformed theology. Volume 1: Theology Proper Volume 2: Anthropology Volume 3: Christology Volume 4: Soteriology Volume 5: Ecclesiology, The Means of Grace, Eschatology

The Doctrine of God Baker Books

The distinction between God's law and God's gospel lies at the core of the Lutheran and Reformed traditions—and has long been a point of controversy between them. God's Two Words offers new contributions from ten key Lutheran and Reformed scholars on the theological significance of the law-gospel distinction. Following introductory chapters that define the concepts of law and gospel from each tradition, contributors explore how the distinction between law and gospel plays out in theology, preaching, the reading of Scripture, and pastoral care. As it traces both the common ground and the areas of disagreement between the two traditions, this book amplifies and clarifies an important conversation that has been ongoing since the sixteenth century. Pastor and New York Times bestselling author Timothy Keller outlines the reasons why forgiveness has to be a central part of everyone's lives. Forgiving anyone in a meaningful way is one of the hardest things a person has to do. If you do not, resentment and vengeance begin to consume you. It is nearly impossible to move past transgression without forgiveness, but few people have the resources and the tools to forgive others fully and move on with their lives. Forgiveness is an essential skill, a moral imperative, and a religious belief that cuts right to the core of what it means to be human. In *Forgive*, Timothy Keller shows readers why it is so important and how to do it, explaining in detail the steps you need to take in order to move on without sacrificing justice or your humanity.

Post-Reformation Reformed Dogmatics Zondervan Academic

A major study reevaluating the primary sources of the post-Reformation period to determine how consistent they are with the thinking of the Reformers on the divine essence and attributes.

Reformed Dogmatics (Volume 2) Baker Academic

In partnership with the Dutch Reformed Translation Society, Baker Academic is proud to offer in English for the very first time the third volume of Herman Bavinck's complete Reformed Dogmatics. This masterwork will appeal not only to scholars, students, pastors, and laity interested in Reformed theology but also to research and theological libraries.

"Bavinck was a man of giant mind, vast learning, ageless wisdom, and great expository skill. Solid but lucid, demanding but satisfying, broad and deep and sharp and stabilizing, Bavinck's magisterial Reformed Dogmatics remains after a century the supreme achievement of its kind."--J. I. Packer, Regent College  
"This magisterial work exhibits Bavinck's vast knowledge and appreciation of the Christian tradition. Written from a Reformed perspective, it offers a perceptive critique of modern theology. . . . Recommended."--Library Journal

Reformed Dogmatics: Anthropology  
Wm. B. Eerdmans Publishing

" This is Mark Jones at his best. In twenty-seven concise chapters, God Is invites, equips, edifies, comforts, and challenges God ' s people to know God better and love him more. " —Rosaria Butterfield, Former Professor of English, Syracuse University; author, The Secret Thoughts of an Unlikely Convert  
God has revealed many things about himself in his Word. But God ' s

manifold attributes shine most clearly in his Son, Jesus Christ, who came to reveal his Father. Through Christ ' s saving work on the cross, we are able to know and worship God rightly. This book aims to help us study and understand the attributes of God so that we delight in and love him with all our heart, soul, strength, and mind. Each chapter explains one attribute, shows how it is most clearly manifested in Christ, and provides practical application for the Christian life.

The Whole Counsel of God Crossway

The aim of systematic theology is to engage not only the head but also the heart and hands. Only recently has the church compartmentalized these aspects of life—separating the academic discipline of theology from the spiritual disciplines of faith and obedience. This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights—characterized by a simple, accessible, comprehensive, Reformed, and experiential approach. In this volume, Joel R. Beeke and Paul M. Smalley shift from the doctrine of God (theology proper) to the doctrine of humanity (anthropology) and the doctrine of Christ (Christology). This extensive reformed theology explores the Bible ' s teaching about who we are and why we were created, as well as who Jesus is and why his divinity is essential to the Christian faith.

Reformed Ethics : Volume 1 Crossway

This book explores the organic motif found throughout the writings of the Dutch Calvinist theologian Herman Bavinck (1854-1921). Noting that Bavinck uses this motif at key points in the most important loci of theology; Christology, general and special revelation, ecclesiology and so forth; it

---

seems that one cannot read him carefully without particular attention to his motif of choice: the organic. By examining the sense in which Bavinck views all of reality as a beautiful balance of unity-in-diversity, James Eglinton draws the reader to Bavinck's constant concern for the doctrine of God as Trinity. If God is the Father, the Son and the Holy Spirit, Bavinck argues, the creation must be more akin to an organism than a machine. Trinity and organism are thus closely linked concepts. Eglinton critiques and rejects the 'two Bavincks' (one orthodox and the other modern) hermeneutic so commonplace in discussions of Bavinck's theology. Instead, this book argues for a reunited Herman Bavinck as a figure committed to the participation of historic orthodox theology in the modern world. Reformed Dogmatics P & R Publishing

Over 200 international scholars from a variety of demoninations have contributed to this outstanding, one-volume, comprehensive, reference book. Stressing the importance of events, persons, and theological concepts that have been significant to the Reformed tradition, these articles provide authoritative summaries and stimulating discussion.

Restored to Our Destiny Penguin

This classic work of Reformed theology is the second of four volumes now available in English.

Reformed Systematic Theology,

Volume 1 Eerdmans Publishing Company

A comprehensive theological tool combining biblical, systematic, and historical theology that surveys the entire New Testament with themed discussions and a focus on Gods revelation and exaltation in Christ.

Reformed Dogmatics Bloomsbury Publishing

Dutch Calvinist theologian Herman

Bavinck, a significant voice in the development of Protestant theology, remains relevant many years after his death. His four-volume Reformed Dogmatics is one of the most important theological works of the twentieth century. James Eglinton is widely considered to be at the forefront of contemporary interest in Bavinck's life and thought. After spending considerable time in the Netherlands researching Bavinck, Eglinton brings to light a wealth of new insights and previously unpublished documents to offer a definitive biography of this renowned Reformed thinker. The book follows the course of Bavinck's life in a period of dramatic social change, identifying him as an orthodox Calvinist challenged with finding his feet in late modern culture. Based on extensive archival research, this critical biography presents numerous significant and previously ignored or unknown aspects of Bavinck's person and life story. A black-and-white photo insert is included. This volume complements other Baker Academic offerings on Bavinck's theology and ethics, which together have sold 90,000 copies.
