John Derian Picture Book Castrovilli Giuseppe
Told with Beth Harbison's wit and warmth, *If I Could Turn Back Time* is the fantasy of every woman who has ever thought, "If I could go back in time, knowing what I know now, I'd do things so differently..." Thirty-seven year old Ramie Phillips has led a very successful life. She made her fortune and now she hobnobs with the very rich and occasionally the semi-famous, and she enjoys luxuries she only

dreamed of as a middle-class kid growing up in Potomac, Maryland. But despite it all, she can't ignore the fact that she isn't necessarily happy. In fact, lately Ramie has begun to feel more than a little empty. On a boat with friends off the Florida coast, she tries to fight her feelings of discontent with steel will and hard liquor. No one even notices as she gets up and goes to the diving board and dives off... Suddenly Ramie is waking up, straining to understand a voice calling in the distance...It's her mother: "Wake up! You're going to be late for school again. I'm not writing a note this time..." Ramie finds herself back on the eve of her eighteenth birthday, with a second chance to see the people she's lost and change the choices she regrets. How did she get back here? Has she gone off the deep end? Is she really back in time? Above all, she'll have to answer the question that no one else can: What it is that she really wants from the past, and for her future?

A magnet for trade and travellers from all over the world, stylish, cosmopolitan Amsterdam is a city of dreams and nightmares, of grand civic architecture and legendary beauty, but also of civil wars, bloody religious purges, and the tragedy of Anne Frank. In this fascinating examination of the city's soul, part history, part travel guide, Geert Mak imaginatively recreates the lives of the early Amsterdammers, and traces Amsterdam's progress from waterlogged settlement to a major financial centre and thriving modern metropolis

In this provocative book, Andrew Bacevich warns of a dangerous dual obsession that has taken hold of Americans, conservatives, and liberals alike. It is a marriage of militarism and utopian ideology--of unprecedented military might wed to a blind faith in the universality of American values. This mindset, the author warns, invites endless war and the ever-deepening militarization of U.S. policy. It promises not to perfect but to pervert American ideals and to accelerate the hollowing out of American democracy. As it alienates others, it will leave the United States increasingly isolated. It will end in bankruptcy, moral as well as economic, and in abject failure. With *The New American Militarism*, which has been updated with a new Afterword, Bacevich examines the origins and implications of this misguided enterprise. He shows how American militarism emerged as a reaction to the Vietnam War. Various groups in American society--soldiers, politicians on the make, intellectuals, strategists, Christian evangelicals, even purveyors of pop culture--came to see the revival of military power and the celebration of military values as the antidote to all the ills besetting the country as a consequence of Vietnam and the 1960s. The upshot, acutely evident in the aftermath of 9/11, has been a revival of vast ambitions and certainty, this time married to a pronounced affinity for the sword. Bacevich urges us to restore a sense of realism and a sense of proportion to U.S. policy. He proposes, in short, to bring American purposes and American methods--especially with regard to the role of the military--back into harmony with the nation's founding ideals.

Jorwerd is a small village in Friesland in the Netherlands. Geert Mak was born in Friesland and he returned to his roots to explore the 'silent revolution' that has taken place in Jorwerd and other villages like it in the years since the Second World War. The village is a form of social organisation that has lasted at least 2000 years yet it has started, slowly but inexorably, to disappear. Recent studies have shown that, by the year 2025, two thirds of the world's population will live in cities and towns. Geert Mak lived in Jorwerd for six months, gathering the personal histories of Jorwerters past and present. By interweaving their lives with the wider history of Europe, Mak provides an unsentimental portrait of the pleasures and hardships of living in the country, while also making plain how rural life everywhere is under threat from the modern world.

Eine Reise zu den Wurzeln des großen amerikanischen Traums
Geert Mak hat sich wieder auf den Weg gemacht. Der Bestsellerautor von » In Europa « ist quer durch die Landschaft, durch Geschichte und Gegenwart, ja durch die Köpfe und Herzen der USA gereist. Dabei trifft er unterschiedlichste Menschen, macht außergewöhnliche Beobachtungen und erzählt hinreißende Geschichten. Mit diesem Buch begibt sich Mak auf die Suche nach den Wurzeln des großen amerikanischen Traums und beschreibt die Mythen und das Selbstverständnis jenes Landes, das uns immer noch am meisten beschäftigt. Was ist aus dem amerikanischen Traum geworden, seit John Steinbeck 1960 die USA gemeinsam mit seinem berühmten Pudel Charley durchquert hat? Dieser Frage folgt der international bekannte Publizist Geert Mak und macht sich dafür selbst auf den Weg durch die Vereinigten Staaten, fernab ausgetrampelter Pfade, quer durch ein Land, das er liebt und zugleich kritisch betrachtet. Meile um Meile dringt er tiefer in das Land und seine Mythen, sein Selbstverständnis, seine Großartigkeit und Zerrissenheit vor. Seine Reise führt ihn von den großen Ostküsten über die Kartoffelacker des Hinterlandes und die Prarie des mittleren Westens bis zum Pazifik. Er trifft Menschen – setzt sich an einen Tisch mit dem Farmer, dem Fabrikarbeiter, dem Fischer, dem Lehrer. Er streift durch die riesigen Malls und die Vororte, und er sucht nach den Wurzeln des Landes, das sich radikal verändert und doch den Glauben an den amerikanischen Traum bewahrt hat.

An intimate journey across America, as told by one of its most beloved writers A Penguin Classic In September 1960, John Steinbeck embarked on a journey across America. He felt that he might have lost touch with the country, with its speech, the smell of its grass and trees, its color and quality of light, the pulse of its people. To reassure himself, he set out on a voyage of rediscovery of the American identity, accompanied by a distinguished French poodle named Charley; and riding in a three-quarter-ton pickup truck named Rocinante. His course took him through almost forty states: northward from Long Island to Maine; through the Midwest to Chicago; onward by way of Minnesota, North Dakota, Montana (with which he fell in love), and Idaho to Seattle, south to San Francisco and his birthplace, Salinas; eastward through the Mojave, New Mexico, Arizona, to the vast hospitality of Texas, to New Orleans and a shocking drama of desegregation; finally, on the last leg, through Alabama, Virginia, Pennsylvania, and New Jersey to New York.

Travels with Charley in Search of America is an intimate look at one of America's most beloved writers in the later years of his life—a self-portrait of a man who never wrote an explicit autobiography. Written during a time of upheaval and racial tension in the South—which Steinbeck witnessed firsthand—Travels with Charley is a stunning evocation of America on the eve of a tumultuous decade. This Penguin Classics edition includes an introduction by Jay Parini. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Towers of February Ambo | Anthos

Based on a true story, Arthur Japin's new novel is a tale of consuming love and artistic creation that reimagines the last romance of the legendary filmmaker Federico Fellini. In Director's Cut we enter the mind of Snaporaz, the lion of Italian cinema, as he slips into a coma in his final days. Having always drawn inspiration from the world of his dreams, he welcomes the chance to take account of his life and, in particular, his most recent love affair, with a beautiful but tempestuous young actress called Gala. Here is the story as Snaporaz tells it. Lured by the glamour of Rome, Gala and her boyfriend, Maxim, an actor as well, are hoping to be discovered when they manage the impossible: entrance to the studio of the great master. Despite an age difference of four decades, Gala soon becomes Snaporaz's mistress, leaving Maxim, guardian of her secrets and her fragile health, to be an anxious and helpless observer of her physical and spiritual decline. As Gala becomes increasingly dependent on Snaporaz's attentions, her desperation never to disappoint him leads her down a reckless path to anorexia and prostitution before the one true bond in her life is restored. Snaporaz's intoxicatingly baroque—Felliniesque—account of the affair slyly challenges us again and again to ask what is dream and what is reality, and to conclude that the difference is irrelevant when such a genius immerses himself in his most natural element: the imagination. A dazzling tale from one of Europe's most celebrated writers.

Istanbul's Galata Bridge has spanned the Golden Horn since the sixth century AD, connecting the old city with the more Western districts to the north. But the bridge is a city in itself, peopled by merchants and petty thieves, tourists and fishermen, and at the same time a microcosmic reflection of Turkey as the link between Asia and Europe. Geert Mak introduces us to the woman who sells lottery tickets, the cigarette vendors, and the best pickpockets in Europe. He tells us about the pride of the cobbler and the tea-seller's homesickness. And he describes the role of honor in Turkish culture, the temptations of fundamentalism and violence, and the urge to survive, even in the face of despair. These stories of the bridge's denizens are interwoven with vignettes illuminating moments in the history of Istanbul and Turkey and shedding light on Turkey's relationship with Europe and the West, the Armenian question, the migration from the Turkish countryside to the city, and the demise of the Ottoman Empire."

You've heard people say, "Who you are matters more than what you do." But does the Bible really teach us that? Join pastor and bestselling author John Mark Comer in Garden City as he guides twenty- and thirty-somethings through understanding and embracing their God-given calling. In Garden City, John Mark Comer gives a surprisingly countercultural take on the typical "spiritual" answer the church gives in response to questions about purpose and calling. Comer explores Scripture to discover God's original intent for how we're meant to spend our time, reshaping how you view and engage in your work, rest, and life. In these pages, you'll learn that, ultimately, what we do matters just as much as who we are. Garden City will help you find answers to questions like: Does God care where I work? Does he have a clear direction for me? How can I create a practice of rest? Praise for Garden City: "In Garden City, John Mark Comer takes the reader on a journey--from creation to the final heavenly city. But the journey is designed to let each of us see where we are to find ourselves in God's good plan to partner with us in the redemption of all creation. There is in Garden City an intoxication with the Bible's biggest and life-changing ideas." --Scot McKnight, Julius R. Mantey Professor of New Testament, Northern Seminary
