The book combines game studies with game design to offer a foundation for incorporating affection into playable experiences. The text is organized into two sections. A Best Novel of Summer (New York Times Book Review) From the acclaimed author of Mr. Dickens and His Carol, a richly-imagined reckoning with the life of another cherished literary legend: Mary Wollstonecraft – arguably the world’s first feminist August, 1797. Midwife Parthenia Blenkinsop has delivered countless babies, but nothing prepares her for the experience that unfolds when she arrives at Mary Wollstonecraft’s door. Over the eleven harrowing days that follow, as Mrs. Blenkinsop fights for the survival of both mother and newborn, Wollstonecraft recounts the life she dared to live amidst the impossible constraints and prejudices of the late 18th century, rejecting the tyranny of men and marriage, risking everything to demand equality for herself and all women. She weaves her riveting tale to give her fragile daughter a reason to live, even as her own strength wanes. Wollstonecraft’s urgent story of loss and triumph forms the heartbreakingly brief intersection between the lives of a mother and daughter who will change the arc of history and thought. In radiant prose, Samantha Silva delivers an ode to the dazzling life of Mary Wollstonecraft, one of the world's most influential thinkers and mother of the famous novelist Mary Shelley. But at its heart, Love and Fury is a story about the power of a woman reclaiming her own narrative to pass on to her daughter, and all daughters, for generations to come.

Victory in Marriage will tell you things most married couples wish they knew before marriage began. The wedding, prayer, money, sex, long-distance relationships, dating, and many other topics will be dissected, and hopefully you'll learn something that will equip you to be the kind of spouse you want to be married to! Whether you're single, engaged, or married, you can gain something if you invite God into your reading. You'll be encouraged, laugh a little, and struggle with breaking down difficult notions we've grown up hearing most probably false like how marriage is something you do simply because I love

them! and how you should end your marriage if you aren't happy. Wife since 2014, singer since she can remember, Sarah Maxwell defines her worth in seeking Christ-likeness in all aspects of her life, even when she falls short. Sarah has written many blogs on various topics and hopes to publish a book for women as well as children's picture books in the near future, but Victory in Marriage is her first published book. She doesn't consider herself qualified to write about marriage because of age or years married, but simply because of her teachable spirit upon entering marriage. I haven't been married long, Sarah says, but I entered marriage with God already the Lord of my life, and my husband did also, and from there, being married committedly is what makes me qualified. She admits she has expectations she'll gain wisdom from her readers as she inevitably gets feedback about Victory in Marriage even if it changes her mind a little on some things. I hope Victory in Marriage creates teachable moments for you as it did for me when I wrote it, Sarah shares. As you read, consult scriptures and prayerfully take your time reading, and contact me to discuss any discrepancies, concerns, or inspiring moments further with me. Victory in Marriage is filled with beautifully written, authentic advice of how to do marriage well. Sarah covers a multitude of topics and consistently points to Jesus through each subject.
