(Author's Note: Saving Eve is a companion novel to The Witching Pen series, and should be read after The Last Dragon.) Amid long, wild grass, a snake slithers, hidden. Hidden until a man opens his eyes... Awaking with amnesia in St Mary's Hospital, after a near-fatal freak accident, he is known only as Luc. With the help of Evie Gold, the kind, young woman who found him, he starts a new life - a second chance, a clean slate. A bond burgeons between them. But disturbing dreams of dark deeds become waking recountings. A blackness is uncoiling - seductive, familiar and dangerously

provocative. An ancient craving stirs; an old addiction rises. Nothing is as it seems, and as reality crumbles, Luc finds himself asking, not just who he is, but... Who is Evie? From the author of the international bestselling Witching Pen series, Dianna Hardy takes a seed from The Last Dragon, and brings you an existential story of two beings in search of completion. Length: Short novel at just over 40,000 words. Written in British English. REVIEWS ????? "Dianna Hardy's fresh and unique craft appears effortless. Her words never fail to move the reader, engaging them fully and opening up a vivid world. Truly, her striking literary style is as beautiful as it is original." - Bex 'n' Books ????? "...perfect. There is no other word to use for what I felt for this book. I loved Lucifer, and I knew I would enjoy this book even though Dianna Hardy had stated that it changed from the way she had originally planned it, but after reading the book I, personally, couldn't have asked for a better story. It was meant to be this way. This was how the story was supposed to go, and it was perfect." - author, Elizabeth Morgan.

Angry and bewildered, Ly'Tana resolves to follow him north. Yet, her divine enemy makes another attempt to kill her. This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own

life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - 'ME LADDIE'. Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "e;needs no help from anyone, thank you"e; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and

better person than she imagined she could ever be.
