MotorBoating Fernhurst Books Limited
The long-awaited update of this best-selling pilot
guide covering the whole spectacular North
Brittany coast, the Channel Islands and the
fascinating harbours on the west side of the
Cherbourg peninsula. Packed with comprehensive
pilotage and nautical information as well as
suggestions of where to eat and what to do ashore:
an authoritative guide designed to help you make
the most of your visit to this fabulous area. It is
enhanced with colour charts and detailed
photography, including spectacular aerial shots of
ports, harbours and anchorages. Share Peter &
Jane 's joy of cruising in this fabulous area which
has enabled them to create a text which will inspire
and inform you and help you love the area as much
as they do. Reading Peter 's wonderful prose in

advance of your cruise you will almost feel you are there already. When you do make landfall, you will be reassured by the pilotage descriptions which will give you the confidence to tackle even the most challenging approaches. And once you have berthed you will know where to head for that celebratory meal of incomparable French cuisine. And that 's only the start of your cruise! This third edition is fully updated for publication and further updates are provided every Spring on the Fernhurst Books ' website.

Yachting

The first in a series of highly practical, hands on, step-by-step photographic manuals, *Replacing Your Boat's Engine* fills a gap in the market for the DIY boat builder and repairer. It is a subject covered only in piecemeal fashion by the yachting press, which, like general boat repair manuals, can't go into the level of detail Mike Westin does. This is a visual, hand-holding guide, dwelling on the practical details of replacing a boat's engine and related systems as it

explains each procedure rather than focussing on the theory (which is relegated to an appendix, for those who wish to go further). Anyone who wishes to upgrade their boat's engine or replace an ailing or broken engine will find this step-by-step illustrated book a hand-holding godsend.
