The Motor Ship Bloomsbury Publishing
The long-awaited update of this best-
selling pilot guide covering the whole
spectacular North Brittany coast, the
Channel Islands and the fascinating
harbours on the west side of the
Cherbourg peninsula. Packed with
comprehensive pilotage and nautical
information as well as suggestions of
where to eat and what to do ashore: an
authoritative guide designed to help you
make the most of your visit to this
fabulous area. It is enhanced with colour
charts and detailed photography, including
spectacular aerial shots of ports, harbours
and anchorages. Share Peter & Jane 's joy
of cruising in this fabulous area which has
enabled them to create a text which will
inspire and inform you and help you love
the area as much as they do. Reading

Peter ' s wonderful prose in advance of your cruise you will almost feel you are there already. When you do make landfall, you will be reassured by the pilotage descriptions which will give you the confidence to tackle even the most challenging approaches. And once you have berthed you will know where to head for that celebratory meal of incomparable French cuisine. And that ' s only the start of your cruise! This third edition is fully updated for publication and further updates are provided every Spring on the Fernhurst Books ' website.

Marine Diesel Basics 1

The first in a series of highly practical, hands on, step-by-step photographic manuals, Replacing Your Boat's Engine fills a gap in the market for the DIY boat builder and repairer. It is a subject covered only in piecemeal fashion by the yachting press, which, like general boat repair manuals, can't go into the level of

detail Mike Westin does. This is a visual, hand-holding guide, dwelling on the practical details of replacing a boat's engine and related systems as it explains each procedure rather than focussing on the theory (which is relegated to an appendix, for those who wish to go further). Anyone who wishes to upgrade their boat's engine or replace an ailing or broken engine will find this step-by-step illustrated book a hand-holding godsend.
