A new, definitive biography of the iconic and mysterious singer, Warhol superstar, Velvet Underground collaborator: influential solo artist Nico. **YOU ARE BEAUTIFUL AND YOU ARE ALONE** is a new biography of Nico, the mysterious singer best known for her work with the Velvet Underground and her solo album *Chelsea Girl*. Her life is tangled in myth--much of it of her own invention. Rock and roll cultural historian Jennifer Bickerdike delivers a definitive book that unravels the story while making a convincing case for Nico's enduring importance. Over the course of her career, Nico was an ever-evolving myth: art film house actress, highly coveted fashion model, Dietrich of Punk, *Femme Fatale*, *Chelsea Girl*, *Garbo of Goth*, *The Last Bohemian*, *Heroin Junkie*. Lester Bangs described her as 'a true enigma.' At age 27, Nico became Andy Warhol's newest Superstar, featuring in his one commercial break out hit film *Chelsea Girls* and garnering the position of chanteuse for the Velvet Underground. It wasn't Nico's musical chops which got her the gig; it was her striking beauty. Her seeming otherworldly and unattainable presence was

further amplified by her reputation for dating rock stars (Brian Jones, Bob Dylan, Jim Morrison, among others). She became famous for being Nico. Yet Nico's talent and her contribution to rock culture are often overlooked. She spent most of her career as a solo artist on the road, determined to make music, seemingly against all the odds, enduring empty concert halls, abusive fans, and the often perilous reality of being an ageing artist and drug addict. She created mesmerizing and unique projects that inspired a generation of artists, including Henry Rollins, Morrissey, Siouxsie Sioux and the Banshees and Iggy Pop. Drawing on the archives at the Andy Warhol Museum and at Nico's record labels, various private collections, and rarely seen footage, and featuring exclusive new interviews from those who knew her best, including Iggy Pop and Danny Fields, and those inspired by her legacy, **YOU ARE BEAUTIFUL AND YOU ARE ALONE** reveals the complicated, often compromised, self-destructive and always head strong woman behind the one-dimensional myths. *The Moon and the Stars* Xlibris Corporation

"You left me. No words. No explanation. You left me. Not the other way around. Disappearing into the sunset with no looking back." Whitley Dawn could not believe he was the one that had saved her. Could the night get any worse? "You cannot impress me

any more with your words. They mean nothing," Whitley looked him dead in the eyes. What was she thinking? She could not believe she just said that to Colt Sampson. Moreover, she didn't even stammer with the words. She blurted them out without thinking about what the outcome would be.What a vixen. He wanted to see those eyes light up like the moon at midnight. Bright with desire. Colt stepped closer to her. He did not think about his next move. He leaned in and whispered, "I promise my words will not only impress you but make your knees weak with desire. You will beg me to take you, Whitley Dawn." "Never, I don't trust you. I made the mistake once. It won't happen again," Whitley clinched her teeth. Just who did he think he was? She had been fooled when she was younger. She had matured. She had responsibilities with the ranch. Colt smirked. "Don't ever say never. I'm back, Whitley, and there is nothing that you can say or do that is going to change this fact." Catching her off guard, Colt kissed her hard on the lips. "Just a little something to remember me and keep the home fires burning."
