Rapture in Death Jump At The Sun

In Remembered Rapture: The Writer at Work, award-winning author and renowned academic bell hooks reveals the heart of her writing life and the process through which she has come to be known as a ‘visionary feminist’ (Essence). Born and raised in the rural South, bell hooks learned early the power of the written word and the importance of speaking her mind. Her passion for words is the heartbeat of this collection of essays. Remembered Rapture celebrates literacy, the joys of reading and writing, and the lasting power of the book. With grace and insight, these essays reveal bell hooks’s wide-ranging intellectual scope, untangling the complex personae of women writers, especially those whose work goes against the grain. “For anyone who writes, or seeks to understand the writing process, or wants to know more about the erudite and passionate mind of bell hooks, this is the book to read.”—The Philadelphia Inquirer

Communion Routledge

San Francisco Chronicle best-seller. Wounds of Passion is a memoir about writing, love, and sexuality. With her customary boldness and insight, Bell Hooks critically reflects on the impact of birth control and the women's movement on our lives. Resisting the notion that love and writing don't mix, she begins a fifteen-year relationship with a gifted poet and scholar, who inspires and encourages her. Writing the acclaimed book Ain't I a Woman: Black Women and Feminism at the age of nineteen, she begins to emerge as a brilliant social critic and public intellectual. Wounds of Passion describes a woman's struggle to devote herself to writing, sharing the difficulties, the triumphs, the pleasures, and the dangers. Eloquent and powerful, this book lets us see the ways one woman writer works to find her own voice while creating a love relationship based on feminist thinking. With courage and wisdom she reveals intimate details and provocative ideas, offering an illuminating vision of a writer's life.

Rapture Practice Simon and Schuster

Are you afraid of what's in store for humanity? Think the End of the World is coming? The Bible reveals what the future holds. If you fear for your salvation or that of your family and friends - Hope still remains. It could happen at any moment. The Rapture of believers. Will you be Left Behind to survive the Apocalypse? Get it now.

How We Show Up Routledge

What are the conditions needed for our nation to bridge cultural and racial divides? By "writing beyond race," noted cultural critic bell hooks models the constructive ways scholars, activists, and readers can challenge and change systems of domination. In the spirit of previous classics like Outlaw Culture and Reel to Real, this new collection of compelling essays interrogates contemporary cultural notions of race, gender, and class. From the films Precious and Crash to recent biographies of Malcolm X and Henrietta Lacks, hooks offers provocative insights into the way race is being talked about in this "post-racial" era.

Salvation City Routledge

Acclaimed visionary and intellectual bell hooks began her exploration of the meaning of love in American culture with the bestselling All About Love: New Visions. Here she continues her love song to the nation in the groundbreaking and soul-stirring Salvation: Black People and Love. Whether talking about the legacy of slavery, relationships and marriage in Black life, the prose and poetry of our most revered artists and leaders, the liberation movements of the 1950s, '60s, and '70s, or hip-hop and gangsta rap culture, hooks lets us know what love's got to do with it. Salvation is work that helps us heal -- and shows us how to create beloved American communities.

Black Looks Parlor Press LLC

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces.

"The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Black Women Writers at Work Hachette Go

The late feminist icon and author of over twenty books, including her classic New York Times bestseller *All About Love*, bell hooks reminds us of the good and bad moments we spend in love through her inspiring poetry. Written from the heart, *When Angels Speak of Love* is a book of 50 love poems by the icon of the feminist movement and most famous among public intellectuals. In beautiful, profoundly poetic terms, hooks challenges our views and experiences with love—tracing the link between seduction and surrender, the intensity of desire, and the anguish of death. Whether towards family, friends, or oneself, hooks's creative genius makes love both magical and beautiful.

Rapture 911 Haymarket Books

In this provocative and captivating dialogue, bell hooks and Cornel West come together to discuss the dilemmas, contradictions, and joys of Black intellectual life. The two friends and comrades in struggle talk, argue, and disagree about everything from community to capitalism in a series of intimate conversations that range from playful to probing to revelatory. In evoking the act of breaking bread, the book calls upon the various traditions of sharing that take place in domestic, secular, and sacred life where people come together to give themselves, to nurture life, to renew their spirits, sustain their hopes, and to make a lived politics of revolutionary struggle an ongoing practice. This 25th anniversary edition continues the dialogue with "In Solidarity," their 2016 conversation at the bell hooks Institute on racism, politics, popular culture and the contemporary Black experience.

We Real Cool Penguin

From the New York Times bestselling author of *All About Love*, a brave and astonishing work that challenges patriarchal culture and encourages men to reclaim the best part of themselves. Everyone needs to love and be loved—even men. But to know love, men must be able to look at the ways that patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are—whatever their age, marital status, ethnicity, or sexual orientation. But toxic masculinity punishes those fundamental emotions, and it's so deeply ingrained in our society that it's hard for men to not comply—but hooks wants to help change that. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such

as fear of intimacy and loss of their patriarchal place in society, in new and challenging ways. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves—and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women.

Salvation Between the Lines(CA)

An investigation of feminist theory written in an accessible style and grounded in personal testimony, this volume includes chapters on feminist scholarship, feminism and militarism, homophobia in Black communities, self-recovery, violence in intimate relationships, overcoming white supremacy, and class and education.

Homemade Love [Board Book] W. W. Norton & Company

In a merciless summer of biblical heat and destructive winds, Gabrielle Fox's main concern is a personal one: to rebuild her career as a psychologist after a shattering car accident. But when she is assigned Bethany Krall, one of the most dangerous teenagers in the country, she begins to fear she has made a terrible mistake. Raised on a diet of evangelistic hellfire, Bethany is violent, delusional, cruelly intuitive and insistent that she can foresee natural disasters - a claim which Gabrielle interprets as a symptom of doomsday delusion. But when catastrophes begin to occur on the very dates Bethany has predicted, and a brilliant, gentle physicist enters the equation, the apocalyptic puzzle intensifies and the stakes multiply. Is the self-proclaimed Nostradamus of the psych ward the ultimate manipulator, or could she be the harbinger of imminent global cataclysm on a scale never seen before? And what can love mean in 'interesting times'? A haunting story of human passion and burning faith set against an adventure of tectonic proportions, *The Rapture* is an electrifying psychological thriller that explores the dark extremes of mankind's self-destruction in a world on the brink.

Killing Rage Routledge

Published to high praise--"groundbreaking . . . a landmark" (Poets and Writers)--this was the first anthology to celebrate the diversity of women who write.

The Will to Change Ember

For fans of Nina LaCour's *We Are Okay* and Adam Silvera's *History Is All You Left Me*, this heartfelt and ultimately uplifting novel follows one sixteen-year-old girl's friend breakup through two concurrent timelines--ultimately proving that even endings can lead to new beginnings.

"Stunning." --Nic Stone, bestselling author of *Dear Martin* and *Odd One Out* You can't rewrite the past, but you can always choose to start again. It's been twenty-seven days since Cleo and Layla's friendship imploded. Nearly a month since Cleo realized they'll never be besties again.

Now Cleo wants to erase every memory, good or bad, that tethers her to her ex-best friend. But pretending Layla doesn't exist isn't as easy as Cleo hoped, especially after she's assigned to be Layla's tutor. Despite budding friendships with other classmates--and a raging crush on a gorgeous boy named Dom--Cleo's turbulent past with Layla comes back to haunt them both.

Alternating between time lines of Then and Now, *When You Were Everything* blends past and present into an emotional story about the beauty of self-forgiveness, the promise of new beginnings, and the courage it takes to remain open to love. "Breathtakingly beautiful....Woodfolk has a way of making words sing and burst with light." --Tiffany D. Jackson,

award-winning author of *Monday's Not Coming* and *Let Me Hear A Rhyme*

Something That May Shock and Discredit You St. Martin's Press

"A NOVEL FOR LIFE AFTER THE PANDEMIC...Scratches a particular imaginative itch that we are all experiencing at the precipice of a new era." -- The New Yorker From the National Book Award-winning author of *The Friend* comes a moving and eerily relevant novel that

imagines the aftermath of a pandemic virus as seen through the eyes of a thirteen-year-old boy uncertain of his destiny. His family's sole survivor after a flu pandemic has killed large numbers of people worldwide, Cole Vining is lucky to have found refuge with the evangelical Pastor Wyatt and his wife in a small town in southern Indiana. As the world outside has grown increasingly anarchic, Salvation City has been spared much of the devastation, and its residents have renewed their preparations for the Rapture. Grateful for the shelter and love of his foster family (and relieved to have been saved from the horrid, overrun orphanages that have sprung up around the country), Cole begins to form relationships within the larger community. But despite his affection for this place, he struggles with memories of the very different world in which he was reared. Is there room to love both Wyatt and his parents? Are they still his parents if they are no longer there? As others around him grow increasingly fixated on the hope of salvation and the new life to come through the imminent Rapture, Cole begins to conceive of a different future for himself, one in which his own dreams of heroism seem within reach. Written in Sigrid Nunez's deceptively simple style, Salvation City is a story of love, betrayal, and forgiveness, weaving the deeply affecting story of a young boy's transformation with a profound meditation on the meaning of belief and heroism.

Writing Spaces 1 A&C Black

Her Mama calls her Girlpie-a sweet treat, homemade with love. And when Girlpie makes a mistake, the love of her mother and father lets her pick up the pieces and make everything right again. Shane W. Evan's resplendent artwork teems with "homemade love," one of the tender nicknames award-winning author bell hooks gives her young heroine. The simple, dynamic text paired with bold, energetic illustrations make this beautiful board book perfect for little hands.

Wounds of Passion HarperCollins

An Invitation to Community and Models for Connection After almost every presentation activist and writer Mia Birdsong gives to executives, think tanks, and policy makers, one of those leaders quietly confesses how much they long for the profound community she describes. They have family, friends, and colleagues, yet they still feel like they're standing alone. They're "winning" at the American Dream, but they're lonely, disconnected, and unsatisfied. It seems counterintuitive that living the "good life"--the well-paying job, the nuclear family, the upward mobility--can make us feel isolated and unhappy. But in a divided America, where only a quarter of us know our neighbors and everyone is either a winner or a loser, we've forgotten the key element that helped us make progress in the first place: community. In this provocative, groundbreaking work, Mia Birdsong shows that what separates us isn't only the ever-present injustices built around race, class, gender, values, and beliefs, but also our denial of our interdependence and need for belonging. In response to the fear and discomfort we feel, we've built walls, and instead of leaning on each other, we find ourselves leaning on concrete. Through research, interviews, and stories of lived experience, How We Show Up returns us to our inherent connectedness where we find strength, safety, and support in vulnerability and generosity, in asking for help, and in being accountable. Showing up--literally and figuratively--points us toward the promise of our collective vitality and leads us to the liberated well-being we all want.

The Rapture Penguin

For the past twenty years, evangelical prophecy novels have been a powerful presence on American bestseller lists. Emerging from a growing conservative culture industry, the genre dramatizes events that many believers expect to occur at the end of the age - the rapture of the saved, the rise of the Antichrist, and the fearful tribulation faced by those who are "left behind." Seeking the forces that drove the unexpected success of the Left Behind novels, Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth-century fundamentalists. The first

rapture novels came onto the scene at the high water mark of Protestant America. From there, the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return, providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels. Yet, as Gribben shows, the rapture genre, while vividly expressing some prototypically American themes, also serves to greatly complicate the idea of American modernity--assaulting some of its most cherished tenets. Gribben concludes with a look at "post-Left Behind" rapture fiction, noting some works that were written specifically to counter the claims of the best-selling series. Along the way, he gives attention not just to literary fictions, but to rapture films and apocalyptic themes in Christian music. Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature.

Rapture Henry Holt and Company

"The prequel to the award-winning and bestselling video game franchise"--Cover.

Where We Stand Drezhn Publishing LLC

Volumes in Writing Spaces: Readings on Writing offer multiple perspectives on a wide-range of topics about writing, much like the model made famous by Wendy Bishop's "The Subject Is . . ." series. In each chapter, authors present their unique views, insights, and strategies for writing by addressing the undergraduate reader directly. Drawing on their own experiences, these teachers-as-writers invite students to join in the larger conversation about developing nearly every aspect of craft of writing. Consequently, each essay functions as a standalone text that can easily complement other selected readings in writing or writing-intensive courses across the disciplines at any level. Topics in Volume 1 of the series include academic writing, how to interpret writing assignments, motives for writing, rhetorical analysis, revision, invention, writing centers, argumentation, narrative, reflective writing, Wikipedia, patchwriting, collaboration, and genres.

Talking Back Harper Collins

"When truth teller and careful writer bell hooks offers a book, I like to be standing at the bookshop when it opens." -- Maya Angelou Renowned visionary bell hooks explored the meaning of love in American culture with the critically acclaimed bestseller All About Love: New Visions. She continued her national dialogue with the bestselling Salvation: Black People and Love. Now hooks culminates her triumphant trilogy of love with Communion: The Female Search for Love. Intimate, revealing, provocative, Communion challenges every woman to courageously claim the search for love as the heroic journey we must all choose to be truly free. In her trademark commanding and lucid language, hooks explores the ways ideas about women and love were changed by the feminist movement, by women's full participation in the workforce, and by the culture of self-help, and reveals how women of all ages can bring love into every aspect of their lives, for all the years of their lives. Communion is the heart-to-heart talk every woman -- mother, daughter, friend, and lover -- needs to have.
