This is a love story, albeit a tragic one. Chad and Laura dated and married. Shortly thereafter, they gave birth to a beautiful daughter, Charlotte. Life was perfect...until they learned that Laura had breast cancer. This book describes the exciting experiences of courtship, the beauty of their wedding, the joy of family, and the struggles of dealing with illness. Laura remained a beacon of strength to many throughout her battle with breast cancer. She was strongly rooted in her faith. This memoir tells an inspirational story, even for those who did not know her. It is dedicated to Charlotte, so that she will better know her mother. Saving Jaguar Haynes Service and Repair Manuals

First published in 1981, this book has long been

recognized as the ' bible of Scalextric ', providing a complete catalogue of the cars and equipment produced. Now, for this seventh edition, the book has undergone a transformation, with a complete redesign and masses of new information about cars, sets and accessories produced around the world. As well as extra detail about earlier periods, there is full coverage of all the new Scalextric products launched in the four years that have elapsed since the previous edition. Now containing nearly 1,000 photographs, this book has become an extraordinarily detailed summary of everything in the world of Scalextric, written by an author who has been captivated by the subject for nearly 50 years.

High Speed, Low Cost Haynes Publishing

This book tells the story of how John Egan gradually overcame the odds and, piece by piece, rebuilt this great company, winning over the workforce, the overseas dealers and, most important of all, the customers. Working with Margaret Thatcher and her Government, Egan and his team of managers overcame every obstacle, every set-back, every challenge. Again and again, it looked impossible. Yet using innovative techniques, intelligence, eloquence, openness, motor racing and much more, they saved this most charismatic company which has created some of the finest and most loved motor cars of all time. It is an amazing story that will appeal equally to car enthusiasts, those in business and readers interested in social history.
