Nonetheless, as reliable as they are, there is no such thing as a car that is immune to faults. Having a reliable service manual to consult in order to ensure that a small problem does not mushroom into a larger one means that you will be able to keep your Renault running for longer, and possibly even fix a fault by the roadside if necessary.

I understand all that, but I find it hard to believe that

there are less people willing to service and maintain their Modus' versus people who do same with their Espace. I can get a Renault 9 service manual - how many of them do you see on the roads? Maybe it is because the Modus is such a good car that there is no need for a manual!
