The Renault Scénic is a compact multi-purpose vehicle produced by French automaker Renault, the first to be labelled as such in Europe. It is based on the chassis of the Mégane small family car. It became the 1997 European Car of the Year on its launch in November 1996. The second, third and fourth generations have a model called Grand Scénic, which has seven seats rather than five. From the fourth generation, the Scénic now utilizes three/four bench rear seats instead of three ...
