Insurrection Trilogy Book 2 Robyn Young
has done it again with her sequel to

panache, Young carves a passionate route

Trilogy Book 2 by ...

The American Revolution is a creation story that
accounts for who we are, where we came from,
what we believe, and what our forebears were
willing to die for. Rick Atkinson ' s new trilogy
shows the war as soldiers and militiamen saw
it—terrifying, bestial, and occasionally
grand—and as generals fought it, sometimes well,
often badly.
