Pierce A group of dragons traveled from Scotland to the New World a millennium ago to guard a treasure that none could know of. Their homes and lives are hidden from the world of humans and supernatural beings. Until Pierce saves the life of a woman during an avalanche. And now he's put the entire legacy on the line. Jasmine isn't your average girl. She's a part of the fae. And now some damned dragon gave her his blood to heal her. Didn't he realize that dragon's blood is toxic to the fae? His dragon brethren don't care if she lives or dies—actually, they'd just as soon as un-complicate matters and see her dead. But that's not so easy for her or the dragon that saved her. Smoke Alina may have saved the mate of a dragon, but that didn't make her the friend of any dragons. And the feeling is mutual. The dragons have no use for her either. Except for Smoke. This hunky powerful dragon has decided he has to have the fae healer as his mate. Come hell, high water, dragons, or fae. Cash Iron is kryptonite to Cash and his dragon shifter clan. Her cousin has hooked up with one of Miami's Everglade shifters. But she has no clue that there's such

a thing as dragon shifters. She thinks she's helping out an average, run-of-the-mill wolf, bear, or tiger shifter. And Cash doesn't tell her his secret. Then again, Carissa's got a secret of her own. Her nephew has been kidnapped. The only way she can get him back is if she delivers the blood of the shifter she's supposed to be finding a cure for. Fence Fence is on a mission. Returning to Scotland to find out what happened to the dragons. The old country is so very different than it used to be. What he discovers in Scotland is alarming. No bodies just signs of a struggle. The other thing he discovers? An American girl who proves a distraction to his mission. The last thing Ciera expected to find when she went to Scotland was a dragon shifter. No, make that the last thing she expected was to fall in love with one. Gate A dragon heartbeat reveals the Scottish dragons are still alive and the Appalachian dragons go on a mission save their kin. One little detail they didn't count on, though. A certain brunette firecracker of a stowaway who's hell-bent on proving herself, and proving her mother wrong. Said firecracker's mother? None other than the formidable Mary. Poor Gate, he's in for a hell of an adventure, and that's before the mission even begins. Miles Miles has watched all the dragons in his Appalachian clan find their mates. Now he's flying solo. Will a week off in the Caribbean lead him to his fated mate? Savannah's got a death wish and a secret. Why did this dark brooding man have to save her? She didn't ask to be saved. My Father's Dragon

3 full-length, bestselling historical fantasy novels to throw you head-first into the mystery, passion, and brutality of the Roman Empire. **From Bestselling Historical Fantasy Author, Adam Alexander Haviaras** "Raw and unswerving in war and peace..." "Graphic, uncompromising and honest..." "In my opinion, I rank Mr. Haviaras with the greats such as Cornwell, Smith, Scarrow..." "A cracking good read!" At the peak of Rome's might a dragon is born among eagles, an heir to a line both blessed and cursed by the Gods for ages... Warriors of Epona (Book III) It is the year A.D. 208, and Emperor Septimius Severus' legions are set to invade Caledonia in an effort to subdue the rebellious tribes north of Hadrian's Wall once and for all. Ahead of the legions, the emperor has sent Lucius Metellus Anguis, prefect of an elite force of Sarmatian cavalry, to re-establish contact with Rome's old allies and begin waging bloody war on the rebel tribes. As the guerrilla war

rages on the edge of the highlands, the legions, the imperial court, and Lucius’ own family draw nearer to the front he was commanded to secure. With the help of his horse warriors, can Lucius snatch victory from the chaos and blood of war? Can he keep the family he has not seen in years safe? As Lucius is drawn into a mysterious world of violence and despair, he discovers that his greatest enemy may well be the one within. Find out if the Gods will turn their backs on Lucius, or if they will pull him out of the darkness before it is too late... Isle of the Blessed (Book IV) Emperor Septimius Severus’ war against the Caledonians has ended with a peace treaty. Rome has won. As a reward for the blood they have shed, many of Rome’s warriors have been granted a reprieve from duty, including Lucius Metellus Anguis, prefect of the now famous Sarmatian cavalry. The Gods seem finally to have granted Lucius a peaceful life as he builds a new home for his family upon an ancient hillfort in the south of Britannia. Lucius now finds that, after years of war and brutality, the most elusive peace, the peace within, is finally within his grasp. But heroes are never without enemies, and Lucius, Rome’s famed Dragon, has many. After an argument with traitorous local politicians, and a quest in which he is confronted by a dark goddess, Lucius realizes that his pastoral idyll is at an end. When war erupts in Caledonia once more, he is called away only to be assaulted on all fronts by his most deadly enemy. The choices presented to Lucius by the Gods, his allies, and his friends are clear and terrifying. He can hand victory and power over to the wickedest men in the Empire, or he can fight for his life to create the world he believes in. Will Lucius’ enemies and the powers of darkness overwhelm and destroy him? Or will he find the strength to survive the trials he faces and protect the people he loves? This time, not even the Gods know... The Stolen Throne (Book V) What happened to Lucius Metellus Anguis in the wilds of Dumnonia? The Gods have finally granted Lucius and his family what appears to be a peaceful life in a new home surrounded by friends. The memories of pain and war are finally beginning to diminish. But when Einion, Lucius’ friend and ally, sets out to reclaim his homeland from the man who murdered his family, Lucius knows he must help. Their quest takes them on a deadly journey beyond the reach of Rome, deep into Dumnonia, a mysterious and troubled land that has been ravaged by its false king. As Lucius and his friends journey across the ancient moors, they rally

support from unexpected allies. A plan is devised and the attack is set for the night of Samhain. They must all fight or die for the stolen throne of Dumnonia. However, all is not as it seems. Lucius’ enemies emerge from the shadows, determined to isolate and slay the Dragon of Rome once and for all. Does Einion finally reclaim his father’s stolen throne? What happens to Lucius upon the quest that changes him forever? Step into a world beyond the veil as Lucius faces a deadly enemy and learns a truth that shakes the foundations of the world he knows and believes in.
