A Novel Twelve

In *Everyday Harumi*, now reissued as an attractive jacketed paperback, Harumi Kurihara, Japan's most popular cookery writer, selects her favourite foods and presents more than 60 new home-style recipes for you to make for family and friends. Harumi wants everyone to be able to make her recipes and she demonstrates how easy it is to cook

Japanese food for every day occasions without needing to shop at specialist food stores. Using many of her favourite ingredients, Harumi presents recipes for soups, starters, snacks, party dishes, main courses and family feasts that are quick and simple to prepare, all presented in her effortless, down-to-earth and unpretentious approach to stylish living and eating. Every recipe is photographed and includes beautiful step-by-step instructions that show key Japanese cooking techniques. Texture and flavour are important to Japanese food and Harumi takes you through the basic sauces you can make at home and the staples you should have in your store cupboard. Photographed by

award-winning photographer Jason Lowe, this warm and approachable cookbook invites you to cook and share Japanese food in a simple and elegant style.

One of the hallmarks of French author Patrick Modiano's writing is a singular ability to revisit particular motifs and episodes, infusing each telling with new detail and emotional nuance. In this evocative novel the internationally acclaimed author takes up one of his most compelling themes: a love affair with a woman who disappears, and a narrator grappling with the mystery of a

relationship stopped short. Set in mid-sixties Paris, *After the Circus* traces the relationship between the narrator, a young man not quite of legal age, and the slightly older, enigmatic woman he first glimpses at a police interrogation. The two lovers make their uncertain way into each other's hearts, but the narrator soon finds himself in the unsettling, ominous presence of others. Who are these people? Are they real, or simply evoked? Part romance, part detective story, this mesmerizing book fully demonstrates Modiano's signature use of atmosphere and suggestion as he investigates the perils and the exhilaration of young love.

The true story of two mass-casualty incidents that occurred within days of each other at a US Air Force base. Using the words of the people who experienced the tragedies, the book provides in-depth look at the before, during and after of a preventable active-shooter incident and an avoidable fatal plane crash. The base psychiatrist knew the airman was dangerous. "This is the kind of patient who ... one day ... he's going to come back and kill you." Aircrews knew the rogue pilot was dangerous. "We predicted the worst air-show disaster in history when we found out that he was gonna fly." Written by Andy Brown, the man who ended the killing spree, the result of more than seven years of research. Brown "masterfully weaves" the two stories together in a powerful narrative. He also reveals the preparations he made that enabled him to end a pistol-versus-rifle gunfight with a 70 yard shot from his handgun. Part true crime, part law-enforcement biography memoir and part military history. *Warnings Unheeded* is presented in an objective style that shows what can happen when authorities become

complacent, when the precursors of violence are ignored and the lessons from history are forgotten.

Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But **KASHER IN THE RYE** is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland, California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control—his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim

Carroll...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction... Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.

Random House Books for Young Readers
Ever since their introduction in 1972, the S-Class saloons from Mercedes-Benz have been considered the pinnacle of automotive excellence. For most of that time, ownership of an S-Class - at least, of a reasonably recent one - has been symbolic of material success and of restrained yet impeccable good taste. Several other car makers have nibbled at the edges of the S-Class market, but none has produced a viable and lasting alternative to the big Benz. Mercedes-Benz S-Class 1972-2013 charts the evolution and success of the series, from the W116 model, the first to be designed from the ground up as a large luxury saloon, through to the C126 coupe, one of the all-time Mercedes-

Benz classic designs. Topics covered include: development and production of the W126 saloons and classic W126 coupes; the W140 saloons in the 1990s; the 140 coupes, the W220 models and the elegant 215 coupes; the W221 models, introduced at the Frankfurt International Motor Show in 2005; the C216 coupes and the future of Mercedes-Benz S-Class. Superbly illustrated with 288 colour photographs.

The New York Times bestselling author of Ming Tea Murder serves up heists, homicides, and herbal blends in the latest in the Tea Shop mysteries. Catering a trunk show at Heart's Desire Jewelry is a shining achievement for Theodosia and the Indigo Tea Shop. After all, a slew of jewelers, museum curators, and private collectors will be there to sip some of Theo's best blends. Unfortunately, the party is crashed by a gang of masked muggers who steal the precious gems on display, and then disappear almost as quickly as they arrived--leaving a dead body in their wake. Theo gets involved in the case after her friend Brooke, aunt of the victim and owner of Heart's Desire, begs for help in figuring out who committed the brutal burglary.

Though the FBI believes this smash and grab is the work of an international gang of jewel thieves, Theo is convinced that the felon is someone much closer to home...

Focuses on the analysis of design ideas related to landscape architecture and the construction behind such projects so that readers can apply them to their work. Good design means the integration of appropriate construction techniques and the existing related knowledge and technology. Landscape architecture reflects its concepts and construction of that time. The writer, therefore, explains these concepts by comparing projects from different periods.
