Some of these -- especially the ideas that black reparations are only about reparations for slavery, that focusing on black reparations is a strategic error, and that forward looking egalitarian theories take precedence over

backward looking arguments for black reparations -- are committed by several contributors to the volume, and I recommend that they read Valls's chapter carefully.

Reparations: Interdisciplinary Inquiries , ed. Jon Miller ...

Reparations for slavery is a proposal that some type of compensation should be provided to the descendants of slaves from the Atlantic slave trade.

This idea has been recurring in the politics of the United States, from the 1865 Special Field Orders No. 15 to the 2020 Democratic Party presidential primaries. This compensation has been proposed in a variety of forms, from individual monetary payments to land-based compensation related to independence. The idea remains highly controversial and no

Reparations: Interdisciplinary Inquiries // Reviews ...

Abstract. Considered costly, divisive, and backward-looking, reparations for slavery and Jim Crow appear to have no place in the politics of the "postracial epoch." This essay proposes that the dismissal of reparations concedes too much. First, I contend that the conjunction of postracial discourse, on the one hand, and deepening racial inequalities,...
