R. Douglas Hurt's
brief history of
American
agriculture, from
the prehistoric
period through the
twentieth century, is
written for anyone
coming to this

subject for the first
time. American
Agriculture is a story
of considerable
achievement and
success, but it is also
a story of greed,
racism, and
violence. Hurt offers
a provocative look at
a history that has
been shaped by the
best and worst of
human nature. Here
is the background
essential for
understanding the
complexity of
American
agricultural history,
from the transition
to commercial
agriculture during
the colonial period
to the failure of
government policy
following World
War II. Complete
with maps,
drawings, and over

seventy splendid
photographs, this
revised edition closes
with an examination
of the troubled
landscape at the
turn of the twenty-
first century. It also
provides a ready
reference to the
economic, social,
political, scientific,
and technological
changes that have
most affected
farming in America
and the
contributions of
African Americans,
Native Americans,
and women. This
survey will serve as a
text for courses in
the history of
American
agriculture and rural
studies as well as a
supplementary text
for economic history
and rural sociology

courses.
