Research paper introduction - Alpha Assignment Help

The introduction to a research paper can be the most challenging part of the paper to write. The length of the introduction will vary depending on the type of research paper you are writing. An introduction should announce your topic, provide context and a rationale for your work, before stating your research questions and hypothesis.

The introduction paragraph or paragraphs are usually placed at the beginning of the research paper. Moreover, everything you write in the introduction should attract the reader's attention. This part of your work is designed to help the reader identify whether he or she wants to read the paper.
