[U.S. Forest Service Research Paper FPL.](#) John Wiley & Sons George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the English Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

Brilliant Essays Ursula Hackett's tried-and-tested approach for essay success helps students to create brilliant, original, high-scoring essays that are enjoyable to write – and read. With dozens of hands-on exercises and clear examples, Brilliant Essays begins with students' everyday experience of using language, arguing a case, reading, thinking, and communicating with other people. Chapters help students to examine – and dispel – assumptions, build and control their arguments and use evidence effectively, in written assignments and timed exams. The final chapter provides clear, no-nonsense answers to frequently asked questions raised by Ursula's students at Royal Holloway, University of London and the University of Oxford and via her YouTube channel and website. Whichever subject your students study, Brilliant Essays will take them beyond the basics and give them the tools to reach their academic potential.
