Essays on Marriage
Marriage is a union between
two people which is officially
recognized by society.
Every culture and religion
has various values that are
associated with marriage.

While in western societies
only two people can become
married, other societies
permit polygamy, which
means marrying more than
one spouse.

'Arranged' Marriage, Dowry and Female Literacy in a ...

Arranged marriage is the union of a man and woman which is brought about by someone other than the bride and groom ("Arranged" 1). Recent research has shown that arranged marriages may have originated during the Vedic period of Indian history (Chettri 1). Although many arranged marriages generally rely on the consent of the bride and groom, in some

cases, one or both of them is forced to marry without a choice and in others, they are too pressured to refuse (Reiss 1).
