The Vegan Guide to the Holy Scriptures leads you down a path towards The Garden of Eden. That fantasy land of Peace and Loving-kindness may be our next evolutionary step. Most people realize that the way the world of Death and Disease has taken over is not right or healthy in any way. The Veganism Movement will heal mankind thus healing the world as well. The modern thinking Vegan is ready to meet and overcome any non-Vegan resistance by learning every thing connected to the purpose of Veganism. There is a spiritual side of Veganism to consider and The Vegan Bible is a great place to begin researching the real history of our Mother earth and Father God. Most people never knew that the God of The Holy Bible is Vegan. This one little fact changes the face of society from innocent meat eaters to a mob of evil dead-flesh worshipers, especially the ones that refuse to accept the truth of our Vegan world. Don't be one of them. The right way is always the best way to live and enjoy the good health and clean conscious that the Vegan way of life represents. Now you will have all of the Vegan Holy Scriptures at your fingertips to rise over anyone whom decides to support their meat eating habits by miss-quoting The Holy Scriptures. The Vegan Bible proves that God and Jesus Christ are Vegans as well as some of the Holiest Prophets. Was Cain really the cold hearted monster we were taught he was or was he just an angry Vegan unwilling to control his temper? And who is this Lord God character that keeps on trying to ruin everyone's lives? Was Jesus Christ targeted by the religious leaders of His time for taking a firm stand against animal sacrifices? Did He offer his life as a one time human sacrifice to try and save them. By threatening the financial security of those selling the sacrificial animals this put a price on his head. His teachings of Love were not only aimed at people but they were for all living creatures. His personal sacrifice did put an end to most religiously motivated animal sacrifice in the world. Before Jesus Christ there was only a blood thirsty Lord God to pay off with daily sacrifices which was for sale at the Holy Temples. Now we face a world lost in a cloud of ignorance teaching our children it is normal and right to consume dead animal flesh and this has got to stop. We must learn everything there is to know about Veganism so we can begin to heal our world and save our souls. I have dedicated the rest of my life to the study and research of the Ancient Vegan Creation Story as it is found in every copy of the Bible that exist. Proving that we have an all-loving Father God that is Vegan was only the beginning of what I have discovered. The magnitude of this one important fact has yet to reach the ears of the normal every day church goer. The implications of the facts presented in the pages of The Vegan Bible is destined to cause some uproar with the religious institutions and their religious dogma. Why was it such a crime in the dark ages to be a Christian? Did the term Christian mean Vegan and were they hunted, tortured, burned and killed for the same reason that Jesus Christ was. Have you ever seen a normal person go into a fit of rage when you tried to explain Veganism to them? The Vegan Bible will help answer many religious questions and provide morally correct Vegan answers. It used to be just a matter of Faith but now the Medical Science is proving our Vegan heritage. Veganism is growing and it will influence the greater populations of every country. I hope that you are ready for The Vegan Apocalypse. Thank You.

Papers of the Chicago Society of Biblical Research. II Lulu Press, Inc
What is the central theme of the Bible? Given the diversity of authorship, genre, and context of the Bible's various books, is it even possible to answer such a question? Or in trying to do so, is an external grid being unnaturally superimposed on the biblical text? These are difficult questions that the discipline of biblical theology has struggled to answer. In this thoroughly revised and expanded edition of his classic *Toward an Old Testament Theology*, Walter Kaiser offers a solution to these unresolved issues. He proposes that there is indeed a unifying center to the theology and message of the Bible that is indicated and affirmed by Scripture itself.

That center is the promise of God. It is one all-encompassing promise of life through the Messiah that winds itself throughout salvation history in both the Old and New Testaments, giving cohesiveness and unity to the various parts of Scripture. After laying out his proposal, Kaiser works chronologically through the books of both testaments, demonstrating how the promise is seen throughout, how the various sub-themes of each book relate to the promise, and how God's plan to fulfill the promise progressively unfolds. Here is a rich and illuminating biblical theology that will stir the emotion and the intellect.

The Dead Sea Scrolls have revolutionized our understanding of the literature of the Hebrew Bible, Second Temple Judaism, and the New Testament. The study of the Scrolls is now essential for understanding the history and transmission of the earliest biblical manuscripts, the development of apocalyptic and wisdom writings, and the rise of Jewish messianism—to name only a few of the most important areas of biblical literature to which the Scrolls have made an enduring contribution. As the importance of the Scrolls has increased over the past decades, the scholarly literature has increased exponentially. This brief yet thorough book highlights the most important contributions the Scrolls have made to the study of the Bible and charts new territory for future research into the Scrolls and the Qumran community. After reading "The Bible and the Dead Sea Scrolls," students and scholars alike will have the basic understanding of the Scrolls necessary for pondering even deeper questions regarding the history, literature, and theology of the Bible. This book is a collection of Landy's studies on the poetics of the Hebrew Bible. The Song of Songs is featured alongside the prophetic voices of Amos, Hosea and Isaiah, and essays on the Binding of Isaac and on the book of Ruth. Throughout, the emphasis throughout is on the subversiveness, richness and ambiguity of the text, but above all its (often enigmatic) beauty. The thread of psychoanalysis and its metaphorical technique draws together this collection from one of the Bible's most sensitive and distinctive literary critics.

YEHOUAH gave us the holy Law for a purpose. That purpose is to create a righteous people who will draw close to Him. When YEHOUAH created the nation of Israel He created a Common Wealth with a Law to govern it. While on earth, Yeshua was anointed to become both King and Priest over Israel. Now, instead of the sons of Aaron and the sons of David, Yeshua presides over the Law of Israel. Initially the Law was weak in that it could not change the nature of man so man would continue to sin. Through the resurrection, Yeshua was able to correct the weakness in the Law allowing man's sinful nature to be corrected. The Church has skewed the Gospel message by doing away with the Law, but the Law is actually an integral part of the Gospel. In order to understand why Christianity abandoned the Law Church's history will be explained in the light of Bible prophecy. Many of the arguments for doing away with the Law will be dispelled and many sacred-pillars will be cast down. The Kingdom of YEHOUAH, like all kingdoms, is a Kingdom of Law. If we are going to be part of His Kingdom then we have to be a lawful people embracing His Law, not doing away with it.

The Dictionary of the Bible and Ancient Media is a convenient and authoritative reference tool, introducing specific terms and concepts helpful to the study of the Bible and related literature in ancient communications culture. Since the early 1980s, biblical scholars have begun to explore the potentials of interdisciplinary theories of oral tradition, oral performance, personal and collective memory, ancient literacy and scribality, visual culture and ritual. Over time these theories have been combined with considerations of critical and exegetical problems in the study of the Bible, the history of Israel, Christian origins, and rabbinics. The Dictionary of the Bible and Ancient Media responds to the rapid growth of the field by providing a source of reference that offers clear definitions, and in-depth discussions of relevant terms and concepts, and the relationships between them. The volume begins with an overview of 'ancient media studies' and a brief history of research to orient the reader to the field and the broader research context of the book, with individual entries on terms and topics commonly encountered in studies of the Bible in ancient media culture. Each entry defines the term/ concept under consideration, then offers more sustained discussion of the topic, paying particular attention to its relevance for the study of the Bible and related literature Interpreting 4 Ezra and 2 Baruch Citadel Press

I intend to leave this book my to children and grandchildren. I hope it is received in the same spirit that I give it. I love every one of them with all my heart. They are all precious individuals, and I am very proud of each one. May God bless them. Times have changed. I miss the 1940's when things were simple. Today kids are smarter than we were. They are on strange electronic games that I do not understand. I suspect they are addictive and perhaps even harmful, depending on content. The temptations today are many times more problematic than when I grew up. These young people are high-tech, intelligent, and far ahead of me at their age. They are all very smart and are, or will be, well educated. They show signs of becoming very successful in this world. However, my concerns are related to the spiritual side of life and reality. What about life hereafter? Have I prepared them for the next life? I fear I have failed in that regard and I write in order to leave them something about God's word that may take up the slack in things where I have failed. I want to be sure that my kids and grandkids become believing, studious Christians as adults. If there is an afterlife, and I believe there is, it must be of great importance for all so, get ready, I believe we will all have an afterlife. We, in America, are fortunate in that we have freedom of religion and there are churches on every corner teaching the basic principles of our Lord and Savior. My Dad raised me on the bible and denominational doctrine because that's what he knew. He gave me a good start but I have discovered that there is much more to learn than denominational tradition. I believe an open mind is absolutely necessary and denominational training is a closed down system loyal to only one view. I want my children to study God's word.

Unfortunately, many churches and church people do not study, but accept a particular traditional doctrine that has been handed down to

them. I am now in my late seventies. I am not an academic and hold no degrees in theology. One might say I have a degree in hard knocks, experience, big mistakes, and corrections. I hope that my years of study and faith are enough. After years of doubting, study, research, and prayer I have come to believe that the bible is the most valuable word of wisdom on earth, The Most Treasured of All books on the planet. Very intelligent men and women have tried to disprove the bible but the more they attack, the better the old book looks. It is still the world's best seller. I believe we can base our whole life in this world and the life hereafter on the bible. I intend to convince my children and grandchildren of that, and I pray they read what I have left them.

The Bible in the American Public School Sheffield Academic Press
It was in the year of 1976 that the Lord sovereignly and miraculously spoke to me to begin studying and publishing Biblical teachings to be shared with a world-wide audience. For the encouragement of the readership, let me recount this event that began with the first teaching the Lord gave me. As I was sitting at my desk in the pastor's study of the church taking care of administrative duties, suddenly and unexpectedly, the Lord spoke clearly, not audibly but rather in my spirit, to "clear the desk, get out a blank sheet of paper and pen because I want to teach you." The only things I had on my desk were a picture of my wife and sons, praying hands with thorns, and a calendar. It was such a shocking experience, that I really didn't know what he meant by "clearing the desk." So at first I just moved them around on the desk. Then I heard the Lord say, "I didn't say move them around, I said clear the desk!" So, I took these three items from my desk and moved them to my book shelf. In obedience to Him, I got out a blank piece of paper and a pen and just sat still at my desk, not knowing what to do next. Then the Lord began to teach me the following specific truths about His Word, the Scripture as recorded in the Holy Bible: 1. There is a thread that runs through the Bible from Genesis to Revelation on any given subject that contains the whole counsel of God. 2. When researching any subject, read and record every Scripture passage pertaining to that topic. 3. For every word in Scripture there is a balanced word, i.e. faith and works, heaven and hell, angels and demons, etc. 4. My Word is perfectly balanced. 5. Do not teach anything before you have the balance to that subject. 6. Record the entire Scripture passages and references on each subject. 7. Print out My Word directly from the Bible passages. 8. The best commentary on the Bible is the Bible. 9. Do not make this a commentary of your teachings but rather of My Word. 10. The Holy Spirit is the primary Teacher. 11. Only use Hebrew and Greek definitions of words to clarify word meanings. 12. The Bible does not contradict itself, so keep reading until the answer is found. 13. My Word is the "plumb-line" of Truth. 14. On either side of the "plumb-line" of Truth there are two ditches: Legalism and License. 15. The Truth sets you free and you are free indeed. What began as one teaching has developed into hundreds of teachings. It is to these principles and directives that I have adhered and have recorded the teachings He has revealed to me over the past 40 years.

David shows all that is in his heart to the LORD God, and accepts the blessing God offers; by submitting and expressing appreciation to God, which is to establish his throne forever! Then went King David in (to the tabernacle, where the Ark was kept?), and sat before the LORD, and he said, who am I, O Lord GOD (that God would take time out from running the universe to consider me)? And what is my house that thou hast brought me hitherto (or to this place of honor)? And this was yet a small thing in thy sight (or not a difficult thing at all for you to do), O Lord GOD; but thou hast spoken also of thy servant's house for a great while to come (eternity, in fact, is what the LORD God said!). And is this the manner of man (or is this what God have in store (or the final state) for man?), O Lord GOD? And what can David say more unto thee? for thou, Lord GOD knows thy servant. For thy word's sake, and according to thine own heart, hast thou done all these great things, to make thy servant know them (these great things). Wherefore thou art great, O LORD God: for there is none like thee, neither is there any God beside thee, according to all that we have (learned and,) heard with our ears. And what one (or other?) nation in the earth is like thy people, even like Israel, whom God went to redeem for a people to himself, and to make him a name, and to do for you great things and terrible (or awesome things?), for thy land, before thy people, which thou redeemedst to thee from Egypt (or the heathen world), (and) from the (other?) nations and their gods (or false gods and idols!)? For thou hast confirmed to thyself thy people Israel to be a people unto thee forever: and thou, LORD, art become their God (forever?). -2 Samuel 7:18 through 7:24
