Using precise language is expected in scientific writing, and the  
sixth edition offers new ways in which to talk about research  
participants (note that "subjects" is still an acceptable term to use,  
but "participants" is more representative of the individuals' roles  
in the research project).

*Apa Format Research Paper Example 6th Edition - Floss Papers*

The sixth edition of the “Publication Manual of the American Psychological Association” directs you how to format and structure your research proposal. This is the most common style used for proposal related to the social sciences. A research proposal in APA format should include a title, abstract, main body and references.
