A research proposal is the first step in most academic writing. It is the estimate of aggregation of processes that will form research. Research proposal in APA guidelines will enable you to present a proposal that will have a standard style to convince the committee to approve of your research.  
**Apa 6th Edition Dissertation Page Numbering**  
The sixth

edition of the "Publication Manual of the American Psychological Association" directs you how to format and structure your research proposal. This is the most common style used for proposal related to the social sciences. A research proposal in APA format should include a title,
