The Poetry of Pablo Neruda New Directions Publishing

The most comprehensive English-language collection of work ever by "the greatest poet of the twentieth century-in any language" (Gabriel Garc í a M á rquez) In his work a continent awakens to consciousness," wrote the Swedish Academy in awarding the Nobel Prize to Pablo Neruda, author of more than thirty-five books of poetry and one

of Latin America's most revered writers and political figures-a loyal member of the Communist party, a lifelong diplomat and onetime senator, a man lionized during his lifetime as "the people's poet." Born Neftali Basoalto, Neruda adopted his pen name in fear of his family's disapproval, and yet by the age of twenty-five he was already famous for the book *Twenty Love Poems and a Song of Despair*, which remains his most beloved. During the next fifty years, a seemingly boundless metaphorical language linked his romantic fantasies and the fierce moral and political compass-exemplified in books such as *Canto General*-that made him an adamant champion of the dignity of ordinary men and women. Edited and with an introduction by Ilan Stavans, this is the most comprehensive single-volume collection of this prolific poet's work in

English. Here the finest translations of nearly six hundred poems by Neruda are collected and join specially commissioned new translations that attest to Neruda's still-resounding presence in American letters.

Thought by many to be Neruda's masterpiece, *Canto General* is the stunning epic of an entire continent and its people. Although some parts of the poem have been translated, this is the first time it has appeared in its entirety in English. "A consistent, readable version . . . a major achievement".--Don Bogen, *The Nation*.

"Chilean Pablo Neruda is Latin America's greatest poet and one of the finest ever to have written in the Spanish language. The Peruvian poet, Cesar Vallejo, part Indian

and born in a mining village, ranks not far below Neruda. Robert Bly is one of America's foremost poets, and a translator of uncommon brilliance. The combination makes for a priceless volume."—Long Beach Press Telegram

Love Harper Collins

Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Nobel Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our

bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor...." Written on the paradisaical island of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia, *Love Poems* embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses.

Spain in the Heart Farrar, Straus and Giroux
Long poem inspired by the author's journey to a ruined Inca city, Macchu Picchu, high in the Andes, symbolic not only of his physical journey but also of his spiritual adventure.

What goes into the translating of a poem? Usually that process gets forgotten once the new poem stands intact in translation. Yet a verse translation derives from historical, biographical, and philosophical research, interpretive analysis of the original poem, and continuous linguistic and prosodic choices

that parallel those the poet made. Taking as a text Pablo Neruda's brilliant prophetic sequence *Alturas de Macchu Picchu* (1945), the author here re-creates the entire process of translation, from his first encounter with the poem to the last shaping of a phrase that may never come right in English. This many-faceted book forms an essay on the theory and practice of literary translation, a study of Neruda's career through 1945, and an interpretation of his major poem, all of which lead to a striking new poem in English, *Heights of Macchu Picchu*, printed along with the original Spanish. This genesis of a verse translation also includes little-known biographical data, hitherto untranslated poems and prose from the years 1920 to 1945, and new translations of key poems from Neruda's *Residence on Earth* and *Spain in My Heart*.

The most comprehensive English-language collection of work ever by "the greatest poet of the twentieth century--in any language" (Gabriel Garcia Marquez) "In his work a continent awakens to consciousness." So wrote the Swedish Academy in awarding the

Nobel Prize to Pablo Neruda, the author of more than thirty-five books of poetry and one of Latin America's most revered writers, lionized during his lifetime as "the people's poet." This selection of Neruda's poetry, the most comprehensive single volume available in English, presents nearly six hundred poems, scores of them in new and sometimes multiple translations, and many accompanied by the Spanish original. In his introduction, Ilan Stavans situates Neruda in his native milieu as well as in a contemporary English-language one, and a group of new translations by leading poets testifies to Neruda's enduring, vibrant legacy among English-speaking writers and readers today.

The essential Neruda Residence on Earth
The classic and deeply moving memoir by Pablo Neruda, the most widely read political poet of our time and winner of the Nobel Prize
The south of Chile was a frontier wilderness when Pablo Neruda was born in 1904. In these memoirs he retraces his bohemian student years in Santiago; his sojourns as Chilean consul in Burma, Ceylon, and Java, in Spain during the civil war, and in Mexico; and his service as a Chilean senator. Neruda, a Communist, was

driven from his senate seat in 1948, and a warrant was issued for his arrest. After a year in hiding, he escaped on horseback over the Andes and then to Europe; his travels took him to Russia, Eastern Europe, and China before he was finally able to return home in 1952. The final section of the memoirs was written after the coup in 1972 that overthrew Neruda's friend Salvador Allende. Many of the century's most important literary and artistic figures were Neruda's friends, and figure in his memoirs--Garcia Lorca, Aragon, Picasso, and Rivera, among them--and also such political leaders as Gandhi, Nehru, Mao, Castro, and Che Guevara. In his uniquely expressive prose, Neruda not only explains his views on poetry and describes the circumstances that inspired many of his poems, but he creates a revealing record of his life as a poet, a patriot, and one of the twentieth century's true men of conscience.

Poems from the Film *Il Postino*. The poems collected in this book are at the heart of the film *Il Postino*, a cinematic fantasy spun from an apocryphal incident in the life of the Chilean poet and Nobel laureate, Pablo Neruda. Together they show why many consider Neruda to be the finest love poet of the century. Few writers of any age have described the pleasures and torments of erotic love with such un-sentimental directness and sensual precision. Here, too, we find Neruda at his most accessible, the language of his odes and lyrics refined to the point at which it achieves, in critic Jean Franco's words, "the naturalness of song". This short selection draws on work from throughout his writing life, from the

famous early collection *Twenty Love Songs & a Song of Despair* (1924) to the key works of his maturity, *Residence on Earth* (1935), *Elemental Odes* (1954) and the autobiographical *Memorial de Isla Negra* (1964). It offers an enticing glimpse of one of modern poetry's greatest masters.

"Laughter is the language of the soul," Pablo Neruda said. Among the most lasting voices of the most tumultuous (in his own words, "the saddest") century, a witness and a chronicler of its most decisive events, he is the author of more than thirty-five books of poetry and one of Latin America's most revered writers, the emblem of the engaged poet, an artist whose heart, always with the people, is literally consumed by passion. His work, oscillating from epic meditations on politics and history to intimate reflections on animals, food, and everyday objects, is filled with humor and affection. This bilingual selection of more than fifty of Neruda's best poems, edited and with an introduction by the distinguished Latin American scholar Ilan Stavans and brilliantly translated by an array of well-known poets, also includes some poems previously unavailable in English. *I Explain a Few Things* distills the poet's brilliance to its most essential and illuminates Neruda's commitment to using the pen as a calibrator for his age.

Farrar, Straus and Giroux

Neruda's epic hymn against fascism, *Spain in Our Hearts*, now available in this pocket Bibelot edition. In 1936, Pablo Neruda was Chile's consul in Madrid, and so horrified by the civil war and the murder of his friend, Federico Garcia Lorca, that he started writing what became his most politically passionate series of poems, *Spain in Our Hearts*. The collection was printed by soldiers on the front lines of the war, and later incorporated into the third volume of Neruda's revolutionary collection, *Residence on Earth*. This bilingual New Directions Bibelot edition presents *Spain in Our Hearts* as a single book as it was first published, a tribute to Neruda's everlasting spirit.

Miguel Hernandez is, along with Antonio Machado, Juan Ram3n Jim3nez, and Federico Garc3a Lorca, one of the greatest

Spanish poets of the twentieth century. This volume spans the whole of Hernandez's brief writing life, and includes his most celebrated poems, from the early lyrics written in traditional forms, such as the moving elegy Hernandez wrote to his friend and mentor Ramon Sij3 (one of the most famous elegies ever written in the Spanish language), to the spiritual eroticism of his love poems, and the heart-wrenching, luminous lines written in the trenches of war. Also included in this edition are tributes to Hernandez by Federico Garc3a Lorca, Pablo Neruda (interviewed by Robert Bly), Rafael Alberti, and Vicente Aleixandre. Pastoral nature, love, and war are recurring themes in Hernandez's poetry, his words a dazzling reminder that force can never defeat spirit, that courage is its own reward.

Pablo Neruda is known first as a poet, but the prose pieces in this collection reflect the enormous hunger he demonstrated throughout his career for new modes of expression, new adventures, new challenges. *Passions and Impressions* is both a sequel to and an enlargement of Neruda's *Memoirs*, recording a lifetime of travel, of friendships and enmities, of exile and homecoming, of loss and discovery, and of history both public and personal.

Above all, it is a testament to Neruda's love for Chile-
for its citizens, its flora and fauna, its national identity.
His abiding devotion pervades these notes on a life
fully lived.
