Neruda's epic hymn against fascism, *Spain in Our Hearts*, now available in this pocket Bibelot edition. In 1936, Pablo Neruda was Chile's consul in Madrid, and so horrified by the civil war and the murder of his friend, Federico Garcia Lorca, that he started writing what became his most politically passionate series of poems, *Spain in Our Hearts*. The collection was printed by soldiers on the front lines of the war, and later incorporated into the third volume of Neruda's revolutionary collection, *Residence on Earth*. This bilingual New Directions Bibelot edition presents *Spain in Our Hearts* as a single book as it was first published, a tribute to Neruda's everlasting spirit.

A Finalist for the PEN/Bograd Weld Prize for Biography  
The most definitive biography to date of the poet Pablo Neruda, a moving portrait of one of the most intriguing and influential figures in Latin American history  
Few poets have captured the global imagination like

Pablo Neruda. In his native Chile, across Latin America, and in many other parts of the world, his name and legacy have become almost synonymous with liberation movements, and with the language of erotic love.  
Neruda: The Poet's Calling is the product of fifteen years of research by Mark Eisner,

---

writer, translator, and documentary filmmaker. The book vividly depicts Neruda's monumental life, potent verse, and ardent belief in the "poet's obligation" to use poetry for social good. It braids together three major strands of Neruda's life—his world-revered poetry; his political engagement; and his tumultuous, even controversial, personal life—forming a single cohesive narrative of intimacy and breadth. The fascinating events of Neruda's life are interspersed with Eisner's thoughtful examinations of the poems, both as works of art in their own right and as mirrors of

Neruda's life and times. The result is a book that animates Neruda's riveting story in a new way—one that offers a compelling narrative version of Neruda's life and work, undergirded by exhaustive research, yet designed to bring this colossal literary figure to a broader audience. *The Poetry of Pablo Neruda*

New York : New Directions  
Publishing Corporation  
Long poem inspired by the  
author's journey to a ruined  
Inca city, Macchu Picchu, high  
in the Andes, symbolic not  
only of his physical journey but  
also of his spiritual adventure.  
All the Odes Penguin  
A collection of poems by the  
Nobel Prize-winning author  
features translations, many of  
them specially commissioned, of  
almost six hundred works.  
Residence on Earth, and Other  
Poems New Directions  
Publishing  
What goes into the translating  
of a poem? Usually that  
process gets forgotten once the

new poem stands intact in  
translation. Yet a verse  
translation derives from  
historical, biographical, and  
philosophical research,  
interpretive analysis of the  
original poem, and continuous  
linguistic and prosodic choices  
that parallel those the poet  
made. Taking as a text Pablo  
Neruda's brilliant prophetic  
sequence *Alturas de Macchu  
Picchu* (1945), the author here  
re-creates the entire process of  
translation, from his first  
encounter with the poem to the  
last shaping of a phrase that  
may never come right in  
English. This many-faceted

book forms an essay on the  
theory and practice of literary  
translation, a study of Neruda's  
career through 1945, and an  
interpretation of his major  
poem, all of which lead to a  
striking new poem in English,  
*Heights of Macchu Picchu*,  
printed along with the original  
Spanish. This genesis of a verse  
translation also includes little-  
known biographical data,  
hitherto untranslated poems  
and prose from the years 1920  
to 1945, and new translations of  
key poems from Neruda's  
*Residence on Earth* and *Spain  
in My Heart*.

"Laughter is the language of the soul," Pablo Neruda said. Among the most lasting voices of the most tumultuous (in his own words, "the saddest") century, a witness and a chronicler of its most decisive events, he is the author of more than thirty-five books of poetry and one of Latin America's most revered writers, the emblem of the engaged poet, an artist whose heart, always with the people, is literally consumed by passion. His work,

oscillating from epic meditations on politics and history to intimate reflections on animals, food, and everyday objects, is filled with humor and affection. This bilingual selection of more than fifty of Neruda's best poems, edited and with an introduction by the distinguished Latin American scholar Ilan Stavans and brilliantly translated by an array of well-known poets, also includes some poems previously unavailable in English. *I Explain a Few Things* distills the poet's

brilliance to its most essential and illuminates Neruda's commitment to using the pen as a calibrator for his age. Fully Empowered Boston : Twayne Publishers

The Poetry of Pablo Neruda Macmillan

The polemics Pablo Neruda was involved in from the 1930s on are legendary, but not even the ferocity of those attacks would lead one to believe that today, a half a century after his death, he would still be on trial. In this consistent and emphatic book, the great Nerudian critic Hernan Loyola addresses Neruda's sins: the machista, the fableteller, the rapist, the bad husband, the bad father, the plagiarist, the insolent one, the abandoner, the Stalinist and the bourgeois. Loyola's objective is to review and discuss with the greatest amount of intellectual honesty that he can humanly

---

muster as an admiring literary critic and with deep sympathy for his unforgettable friend the most tenacious and disseminated accusations attributed to Pablo Neruda. All told, this book is an impressive biographical and poetic interpretation of the most salient aspects of the Nobel Laureate's life.

Love Poems Grove Press  
A new Spanish and English bilingual edition of the stunning picture book biography of Pablo Neruda, one of the world's most enduring and popular poets, from the acclaimed Monica

Brown. Hab í a una vez un ni ñ o llamado Neftal í , quien amaba las cosas salvajes locamente y las cosas tranquilas serenamente. Desde el momento en que aprendi ó a hablar, se rode ó de palabras. Neftal í descubri ó la magia oculta entre las p á ginas de los libros. Cuando ten í a diecis é is a ñ os, comenz ó a publicar sus poemas bajo el nombre Pablo Neruda. Pablo escribi ó poemas sobre las cosas que amaba: obras creadas por sus amigos artistas, objetos hallados en los mercados y elementos de la naturaleza. Escribi ó sobre la gente de

Chile y su lucha por salir adelante. Porque sobre todas las cosas y sobre todas las palabras, Pablo Neruda amaba a la gente. Once there was a little boy named Neftal í who loved wild things wildly and quiet things quietly. From the moment he could talk, he surrounded himself with words, seeking comfort and inspiration from the magic he discovered between the pages of books. When he was sixteen, he began publishing his writing as Pablo Neruda. Pablo wrote poems about the things he loved—things made by his friends in the caf é , things

---

found at the marketplace, and things he saw in nature. He wrote about the people of Chile and their stories of struggle. Because above all things and above all words, Pablo Neruda loved people. With a new translation of Monica Brown's lyrical text and Julia Paschkis' gorgeous art, which celebrates multiple languages, this new edition will introduce the youngest of readers—of English, Spanish, and both—to the legacy of one of history's most iconic talents. Then Come Back University of Texas Press Offers a selection of the poems

Neruda wrote about everyday objects, combining Marxist principles with innovative poetic techniques, in the original Spanish with parallel English translations Neruda Midland Books Fully Empowered was one of Neruda's favourites among his own works, and he specifically asked his finest translator, Alastair Reid, to translate it into English. Neruda loved this collection partly because it grew from the most fruitful period of his own life but also because it was a representative

selection of the vast range of his poetry. The thirty-six poems vary from short, intense lyrics, characteristic Neruda odes, whimsical addresses to friends, and his magnificent mediations on the role of the poet. Within Fully Empowered are many poems among the greatest of Neruda's work, including 'The People', his most celebrated later poem. Residence on Earth, and Other Poems. (Translated by Angel Flores.) [With the Spanish Text.] Span. & Eng Harvard University Press Sensual, earthy love poems that

---

formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Nobel Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor...."

Written on the paradisaic island of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia, *Love Poems* embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses. *I Explain a Few Things* Henry Holt and Company (BYR) Facing death from cancer, Neruda speaks to the genuine loves that nourished his life. *Passions and Impressions* Ecco A biography of the noted Chilean poet. *Alturas de Macchu Picchu* Miramax Books

A bilingual edition that makes available for the first time a substantial selection of Neruda's *Elemental Odes*, originally published in Spanish in three volumes. The Odes were written in the mid-fifties when Neruda was at the height of his powers, and are explorations and celebrations of man's relation to the natural and man-made world. They are straightforward and immediate and are considered his most approachable and popular work. 67 odes are printed in

---

this volume of which about a dozen have appeared (in different translations) in English collections of Neruda before.

Neruda Harper Collins

Neruda's long-overlooked third book of poetry, critical in his poetic evolution, now translated into English for the very first time!

Love Bloomsbury Publishing
