Sistina awakened
after millennia of
dormancy, her
memories in tatters
and born anew.
Residing in the
ruins of an ancient

city, she finds herself
drawn into a war
between two elven
nations and the
slaver kingdom of
Kelvanis when she
rescues a princess
from slavery. With

her domain containing hints of forgotten knowledge, Sistina becomes a dungeon, stronghold, and source of hope all at once. And perhaps, just perhaps, she could finally find love in her new life. This is a dark fantasy lesbian romance, with a focus on the dark fantasy.

Country Gentleman, the Magazine of Better Farming Packt Publishing Ltd 'Image Ethics in the Digital Age' brings together leading experts in the fields of journalism, media studies, & law to address the

challenges presented by new technology & assess the implications for personal & societal values & behavior.

Catalog of Copyright Entries Someday Lady Publishing, LLC Addressing representation and identity in a variety of production styles and genres, including experimental film and documentary, independent and mainstream film, and television drama, Filming Difference poses fundamental questions about the ways in which the art and craft of

filmmaking force creative people to confront stereotypes and examine their own identities while representing the complexities of their subjects. Selections range from C. A. Griffith's "Del Otro Lado: Border Crossings, Disappearing Souls, and Other Transgressions" and Celine Perreñas Shimizu's "Pain and Pleasure in the Flesh of Machiko Saito's Experimental Movies" to Christopher Bradley's "I Saw You Naked:

<p>‘Hard’ Acting in ‘Gay’ Movies,” along with Kevin Sandler’s interview with Paris Barclay, Yuri Makino’s interview with Chris Eyre, and many other perspectives on the implications of film production, writing, producing, and acting. Technical aspects of the craft are considered as well, including how contributors to filmmaking plan and design films and episodic television that feature difference, and how the tools of cinema—such as cinematography</p>	<p>and lighting—influence portrayals of gender, race, and sexuality. The struggle between economic pressures and the desire to produce thought-provoking, socially conscious stories forms another core issue raised in <i>Filming Difference</i>. Speaking with critical rigor and creative experience, the contributors to this collection communicate the power of their media. McGill- Queen's Press - MQUP Includes a</p>	<p>statistical issue (title varies slightly) 1947– <u><i>Black Women Film and Video Artists</i></u> Independently Published Seventeen-year-old Ruby Rose, acting as a vigilante by going after bad guys herself, discovers that she is being used by a sick mastermind to carry out his own plans. <i>The Country Gentleman</i> Psychology Press In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of</p>
--	--	--

popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Slayers Amazon Children's Publishing Samuel Black must make a decision: to be a spy like his father or follow his heart. Either is likely to give his mother chest pains. For

Samuel is no longer a lad with the noble wish of being a lamplighter to keep the seedy streets of London safe. About to embark on university, his mind stirs with the thoughts of creating a policing force in London to safeguard its citizens. Daunted by his family's legacy as spies, Samuel fears making his ideas known. But when he stops a would-be purse-snatcher, his path unexpectedly veers into that of one Miss Penelope Paiget, and suddenly, Samuel must

make a choice. To Be a Spy is the first in the fast-paced, thrilling historical romance Spy Series Short Stories and picks up where the gripping, historical romance Spy Series concluded. If you love heart-stopping romance, spellbinding intrigue, and unexpected danger, don't miss this captivating short story series from bestselling author Jessie Clever. A wonderful new novel from best selling author, Kathryn Freeman. Highly recommended. What if your dreams were so close you could reach out and touch them? How could anyone resist Michael Tennant, with his hypnotic blue eyes and voice like molten chocolate? Jessie Simmons certainly can't. But Jessie's a single mum who can't sing to save her life – there's no way she'll ever cross paths with the star tenor. At least that's what she thinks until she's unexpectedly invited to take part in a new reality TV show. The premise? Professional singers teach hopeless amateurs how to

sing. The surprise?
Jessie's partner is
none other than
Michael Tennant!
As she becomes
better acquainted
with the man behind
the voice, will
Jessie find out the
hard way that you
should never meet
your idols? Or will
she get more than
she bargained for?
Holman Illustrated
Bible Dictionary
Skyscape
In presenting, for
the first time, to
English readers the
greatest work of
Germany's greatest
mediæval poet, a
few words of
introduction, alike
for poem and
writer, may not be
out of place. The
lapse of nearly
seven hundred
years, and the
changes which the
centuries have

worked, alike in
language and in
thought, would have
naturally operated
to render any work
unfamiliar, still more
so when that work
was composed in a
foreign tongue; but,
indeed, it is only
within the present
century that the
original text of the
Parzival has been
collated from the
MSS. and made
accessible, even in
its own land, to the
general reader. But
the interest which is
now felt by many in
the Arthurian
romances,
quickened into life
doubtless by the
genius of the late
Poet Laureate, and
the fact that the
greatest composer
of our time, Richard
Wagner, has
selected this poem
as the groundwork

of that wonderful
drama, which a
growing consensus
of opinion has
hailed as the
grandest artistic
achievement of this
century, seem to
indicate that the
time has come
when the work of
Wolfram von
Eschenbach may
hope to receive,
from a wider public
than that of his own
day, the recognition
which it so well
deserves. Of the
poet himself we
know but little, save
from the personal
allusions scattered
throughout his
works; the dates of
his birth and death
are alike
unrecorded, but the
frequent notices of
contemporary
events to be found
in his poems enable
us to fix with

tolerable certainty the period of his literary activity, and to judge approximately the outline of his life. Wolfram's greatest work, the Parzival, was apparently written within the early years of the thirteenth century; he makes constant allusions to events happening, and to works produced, within the first decade of that period; and as his latest work, the Willehalm, left unfinished, mentions as recent the death of the Landgrave Herman of Thuringia, which occurred in 1216, the probability seems to be that the Parzival was written within the first fifteen years of the thirteenth

century. Inasmuch, too, as this work bears no traces of immaturity in thought or style, it is probable that the date of the poet's birth cannot be placed much later than 1170. Killing Ruby Rose Resisting Ruby Rose Substantially revised and updated, this book highlights how Hollywood has transformed itself to attain ever global clout and reach and the material factors underlining Hollywood's apparent artistic success. Takes into consideration recent events affecting Hollywood such as 9/11, US foreign policy and developments in consumer

technology. *Global Hollywood 2* Choc Lit A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar

Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already

proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every

food lover with a conscience will embrace.

The Lutheran Observer Library of Alexandria Revised and expanded, this best-selling study tool is better than ever! To Be a Spy: A Spy Series Short Story

DIANE Publishing
The critically acclaimed

author of *Polaris Rising* takes readers on an exciting journey with the start of her brand-new series about a female bounty hunter and the man who is her sworn enemy. “Jessie Mihalik is an author to watch.” — Ilona Andrews, #1 New York Times bestselling author Octavia Zarola would do anything to keep her tiny, close-knit bounty hunting crew together—even if it means accepting a job from Torran Fletcher, a

ruthless former general and her sworn enemy. When Torran offers her enough credits to not only keep her crew afloat but also hire someone to fix her ship, Tavi knows that she can’t refuse—no matter how much she’d like to. With so much money on the line, Torran and his crew insist on joining the hunt. Tavi reluctantly agrees because while the handsome, stoic leader pushes all of her buttons—for both anger and

desire—she's endured worse, and the massive bonus payment he's promised for a completed job is reason enough to shut up and deal. But when they uncover a deeper plot that threatens the delicate peace between humans and Valoffs, Tavi suspects that Torran has been using her as the impetus for a new war. With the fate of her crew balanced on a knife's edge, Tavi must decide where her loyalties lie—with the quiet Valoff

who's been lying to her, or with the human leaders who left her squad to die on the battlefield. And this time, she's put her heart on the line. *Ancient Ruins* HarperCollins Rose Cassidy doesn't truly live; she just exists. Numbing herself to fear and pain is the only way she can survive in this cruel world. So when she's taken as collateral by the notorious Danny Black in a deadly game of power, she's thrown by the deep fear she feels rising within her. And, worse

than fear, a profound desire. She's heard tales of The Brit. He's callous. Coldblooded. But no one ever said he was wickedly beautiful and darkly captivating. He sees past her mask, giving her a cruel sense of hope. But she must fight their twisted attraction or risk losing the one thing she survives for. When Danny Black took an enemy's beautiful lover as security, he never anticipated the repercussions. Or the warped attraction they would share. Rose Cassidy pushes Danny to the brink

of madness with her impenetrable façade and savage allure. He has to remind himself that she's bait. A solution to a problem. Yet she evokes powerful feelings in Danny, and feelings are risky when you're wanted dead by endless enemies. The most dangerous game is about to be played. But can either of them win?

When an alleged

CIA agent named Skryker shows up and asks for a meeting, Ruby figures it just means more questions about her case. But he has information of an entirely different nature and a job offer: join an elite force of young assassins, including Skryker's right-hand guy, Quinn Donovan. Quinn is distractingly charming, handsome--and deadly. And to make matters worse, Detective "Mastermind" Martinez, is still out there, waiting for another chance to take Ruby

down.
