Routledge
The classic text on the craft of Method acting by the founder of The American Laboratory Theatre. After studying at the Moscow Art Theatre under Konstantin Stanislavski, Richard Boleslavsky became one of the most important acting teachers of his or any generation. Bringing Stanislavski's system to America in the 1920s and 30s, he influenced many of the titans of American

drama, from his own students—including Lee Strasburg and Stella Adler—to Marlon Brando, Paul Newman, and many others. In *Acting: The First Six Lessons*, Boleslavsky presents his acting theory and technique in a series of accessible and engaging dialogues. Widely considered a must-have for any serious actor, Boleslavsky's work has long helped actors better understand their craft. [Backwards and Forwards](#)

Bloomsbury
Publishing USA
"Jack Garfein's book is a touching reminder of our early attempts at creating theater without artifice. It is good to know that he is still working hard at it."---Ben Gazzara
Having arrived in America as a teenage Holocaust survivor, Jack Garfein would soon rise to the top of his field as a teacher and practitioner. He has worked with a who's who of twentieth-century acting, especially those associated with the Actors Studio, the West Coast branch of which he founded. Life and Acting is the product of more than sixty years in the worlds of theater and film, offering the kind of insight gained only through

experience. Garfein distills his knowledge into a holistic learning technique. Beginning mostly with memoir, focusing on his own education in the theater and describing how his exposure to artists working in other media---particularly painters and writers---contributed to his understanding of acting, Garfein goes on to offer thirty-seven detailed lessons teaching acting techniques for the stage and applying his principles to acting in front of a camera. Life and Acting is an invaluable resource that belongs on the bookshelf of every actor and acting teacher.

Actioning - and

How to Do It is the indispensable companion to a vital component in every actor's toolkit. Actioning is one of the most widely used rehearsal techniques for actors. It helps bring clarity to every moment or thought in the text, energising rehearsals and bringing performances to life. Actioning will enable you to discover and unlock newfound energy, range, variety and clarity of body and voice, by:
Interrogating the text and making initial action verb choices
Playing your chosen actions, both verbally and physically
Maintaining an imaginative and emotional

connection with each moment Signposting each thought to your scene partner From the publishers of the internationally successful Actions: The Actors' Thesaurus, this is the first in-depth exploration of Actioning for student actors, those who train them, and professionals working in the industry, whether they're brand new to the technique or have been practising it for years. This step-by-step guide draws on concepts from Stanislavsky, using sample scenes from classic plays such as The Seagull and The Importance of Being Earnest, as well as contemporary

pieces, and is filled with exercises to demonstrate the technique at work. Heresy and Common Sense for the Actor Simon and Schuster A Director Prepares is a thought-provoking examination of the challenges of making theatre. In it, Anne Bogart speaks candidly and with wisdom of the courage required to create 'art with great presence'. Each chapter tackles one of the seven major areas Bogart has identified as both potential partner and potential obstacle to art-making. They are Violence; Memory; Terror; Eroticism; Stereotype; Embarrassment; and Resistance. Each one can be used to

generate extraordinary creative energy, if we know how to use it. A Director Prepares offers every practitioner an extraordinary insight into the creative process. It is a handbook, Bible and manifesto, all in one. No other book on the art of theatre comes even close to offering this much understanding, experience and inspiration.

Acting

Northwestern University Press
'A book that will stand the test of time' – Pierce Brosnan
An essential guide to the Stanislavski technique, filtering out the

complexities of the system and offering a dynamic, hands-on approach. Provides a comprehensive understanding of character, preparation, text, subtext and objectives. How to prepare for drama school and professional auditions How to develop a 3-dimensional, truthful character Preparation exercises to help you get in character Rehearsal guidelines An appendix of Transitive/Active Verbs and more Sources Harper

Collins
This clearly written guide to the Stanislavski method has long been a favorite among students and teachers of acting. Now, in light of books and articles recently published in the Soviet Union, Sonia Moore has made revisions that include a new section on the subtext of a role. She provides detailed explanations of all the methods that actors in training have found indispensable for more than twenty years. Designed to create better actors, this guide will put individuals in touch with themselves and increase personal sensitivity as well. A Memoir Hal Leonard Corporation "An extraordinary book that masterfully

illuminates the dream-like writing world of Tennessee Williams; the actresses he worked with and those who inspired him to create his Amanda Wingfield, his Blanche DuBois, Stella Kowalski, Alma Winemiller, Lady Torrance, and the other now iconic characters of his plays that revolutionized the American theater of the mid-20th century"--
The Development of the Method
Verlag Barbara Budrich
Sanford Meisner was one of the best known and beloved teachers of acting in the country. This book follows one of his acting classes for fifteen months, beginning with the

most rudimentary exercises and ending with affecting and polished scenes from contemporary American plays. Written in collaboration with Dennis Longwell, it is essential reading for beginning and professional actors alike. Throughout these pages Meisner is a delight—always empathizing with his students and urging them onward, provoking emotion, laughter, and growing technical mastery from his charges. With an introduction by Sydney Pollack, director of *Out of Africa* and *Tootsie*, who worked with Meisner for five years. "This book

should be read by anyone who wants to act or even appreciate what acting involves. Like Meisner's way of teaching, it is the straight goods."—Arthur Miller "If there is a key to good acting, this one is it, above all others. Actors, young and not so young, will find inspiration and excitement in this book."—Gregory Peck
Achieving Your True Potential As an Actor Ivy Books
The casting director for *Chicago*, *Pippin*, *Becket*, *Gypsy*, *The Graduate*, the *Sound of Music* and *Jesus Christ Superstar* tells you how you can find

your dream role! Absolutely everything an actor needs to know to get the part is here: What to do that moment before, how to use humour; create mystery; how to develop a distinct style; and how to evaluate the place, the relationships and the competition. In fact, *Audition* is a necessary guide to dealing with all the "auditions" we face in life. This is the bible on the subject.

Dramatists Play Service, Inc.
'Every day, thousands of women enter acting classes where most of

them will receive some variation on the Stanislavsky-based training that has now been taught in the U.S. for nearly ninety years. Yet relatively little feminist consideration has been given to the experience of the student actress: 'What happens to women in Method actor training?' An Actress Prepares is the first book to interrogate Method acting from a specifically feminist perspective. Rose Malague addresses "the Method" not only with much-needed critical distance, but also the crucial insider's view of a trained actor. Case studies examine the preeminent American teachers who popularized and transformed elements of Stanislavsky's System within the U.S.—Strasberg, Adler, Meisner, and Hagen—by analyzing and comparing their related but distinctly different approaches. This book confronts the sexism that still exists in actor training and exposes the gender biases embedded within the Method itself. Its in-depth examination of these Stanislavskian techniques seeks to reclaim Method acting from its patriarchal practices and to empower women who act. 'I've been waiting for someone to write this book for years: a thorough-going analysis and reconsideration of American approaches to Stanislavsky from a feminist perspective ... lively, intelligent, and engaging.' — Phillip Zarrilli, University of Exeter 'Theatre people of any gender will be

for anyone involved with the theater in any way. .

Acting and Living in Discovery John Wiley & Sons

Black Acting Methods seeks to offer alternatives to the Euro-American performance styles that many actors find themselves working with. A wealth of contributions from directors, scholars and actor trainers address afrocentric processes and aesthetics, and interviews with key figures in Black American theatre illuminate their methods.

This groundbreaking collection is an essential resource for teachers, students, actors and directors seeking to reclaim, reaffirm or even redefine the role and contributions of Black culture in theatre arts.

Stella Adler - The Art of Acting John Wiley & Sons

One of our most brilliantly iconoclastic playwrights takes on the art of profession of acting with these words: invent nothing, deny nothing, speak up, stand up, stay out of school. Acting

schools, “ interpretation, ” “ sense memory, ” “ The Method ” —David Mamet takes a jackhammer to the idols of contemporary acting, while revealing the true heroism and nobility of the craft. He shows actors how to undertake auditions and rehearsals, deal with agents and directors, engage audiences, and stay faithful to the script, while rejecting the temptations that seduce so many of their colleagues.

Bracing in its

clarity, exhilarating in its common sense, True and False is as shocking as it is practical, as witty as it is instructive, and as irreverent as it is inspiring.

Revised Edition

Penguin

In *The Power of the Actor*, a Los Angeles Times bestseller, premier acting teacher and coach Ivana Chubbuck reveals her cutting-edge technique, which has launched some of the most successful acting careers in Hollywood. The first book from the instructor who has taught Charlize

Theron, Brad Pitt, Elisabeth Shue, Djimon Hounsou, and Halle Berry, *The Power of the Actor* guides you to dynamic and effective results. For many of today's major talents, the Chubbuck Technique is the leading edge of acting for the twenty-first century. Ivana Chubbuck has developed a curriculum that takes the theories of the acting masters, such as Stanislavski, Meisner, and Hagen, to the next step by utilizing inner pain and

emotions, not as an end in itself, but rather as a way to drive and win a goal. In addition to the powerful twelve-step process, the book takes well-known scripts, both classic and contemporary, and demonstrates how to precisely apply Chubbuck's script-analysis process. *The Power of the Actor* is filled with fascinating and inspiring behind-the-scenes accounts of how noted actors have mastered their craft and have accomplished success in such a

difficult and competitive field. Techniques for the Actor Nick Hern Books

Respect for Acting
"This fascinating and detailed book about acting is Miss Hagen's credo, the accumulated wisdom of her years spent in intimate communion with her art. It is at once the voicing of

her exacting standards for herself and those she [taught], and an explanation of the means to the end."
--Publishers Weekly
"Hagen adds to the large corpus of titles on acting with vivid dicta drawn from experience, skill, and a sense of personal and professional worth. Her principal asset in this treatment is her truly significant imagination. Her 'object exercises' display a wealth of detail with which to stimulate the student preparing a scene for presentation."
--Library Journal
"Uta Hagen's *Respect for Acting* . . . is a relatively small book. But within it, Miss Hagen tells the young actor about as much as can be conveyed in print of his craft."
--Los Angeles Times

"There are almost no American actors uninfluenced by Uta Hagen." --Fritz Weaver
"This is a textbook for aspiring actors, but working thespians can profit much by it. Anyone with just a casual interest in the theater should also enjoy its behind-the-scenes flavor." --King Features Syndicate
