The new test gives Respiratory Therapists the opportunity to obtain the new credential (RRT-ACCS), which honors a candidate's experience and understanding in the adult critical care and emergency room environments.

I'm looking for anyone who has any used current ACCS study guides or material. I borrowed a co-workers 2013 version and I did not pass. I can't afford to fail anymore. From what I've seen the updated study guide and audio seems to help people pass the most. If anyone has anything or any further advice I would appreciate it.
