New Headway Beginner is aimed at absolute beginners, or those who have learned a little English but lack the confidence to build on it. It provides a solid foundation for New Headway Elementary. Its measured, step-by-step approach builds both skills and confidence. The right mix of language work and plentiful practice material enables learners to consolidate their knowledge of key points before proceeding further. The clearly defined grammatical syllabus includes past, present and future time and provides a thorough basis on

which to build. The presentation of new language is gradual, methodical and clearly structured, giving learners a clear sense of progression. The vocabulary syllabus focuses on high-frequency survival terms and avoids overload. The gradual introduction of simple skills work with manageable communicative activities give learners a sense of achievement. 'Everyday English' practises social expressions in common situations and shows how learners can apply their knowledge in practical ways.

FCE Result OUP Oxford

The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels. Headway's trusted methodology combines solid grammar and practice, vocabulary development, and

integrated skills with communicative role-plays and personalization. Authentic material from a variety of sources enables students to see new language in context, and a range of comprehension tasks, language and vocabulary exercises, and extension activities practise the four skills. "Everyday English" and "Spoken grammar" sections practise real-world speaking skills, and a writing section for each unit at the back of the book provides models for students to analyse and imitate. New Headway: Advanced: Workbook (with Key) OUP Oxford

Faces of English Education provides an accessible, wide-ranging introduction to current perspectives on English language education, covering new areas of interest and recent studies in the field. In seventeen specially commissioned chapters written by international experts and practitioners, this book: offers an authoritative discussion of theoretical issues and debates surrounding key topics such as identity, motivation, teacher education and classroom pedagogy; discusses teaching from the perspective of the student as well as the teacher, and features sections on both in- and out-of-class learning; showcases the latest teaching research and methods, including

MOOCs, use of corpora, and blended learning, and addresses the interface between theory and practice; analyses the different ways and contexts in which English is taught, learned and used around the world. Faces of English Education is essential reading for pre- and in-service teachers, researchers in TESOL and applied linguistics, and teacher educators, as well as upper undergraduate and postgraduate students studying related topics.
