In the astonishing conclusion of Anne Bishop's Black Jewels Trilogy, the Dark Court has been formed and the end—for some—draws exceedingly near... Jaenelle Angelline now reigns as Queen—protector of the Shadow Realm. No longer will the corrupt Blood slaughter her people and defile her lands. But where one chapter ends, a final, unseen battle remains to be written, and Jaenelle must unleash the terrible power that is Witch to destroy her enemies once and for all. Even so, she cannot stand alone. Somewhere, long lost in madness, is Daemon, her promised Consort. Only his unyielding love can complete her Court and secure her reign. Yet, even together, their strength may not be enough to hold back the most malevolent of forces. And in the end, under the emergent shadow of evil and unforeseen betrayal, only Jaenelle's greatest sacrifice will save those she loves—and the realm she's bound to protect...

Full Body Burden Crown

Return to a time of legend—the days of Guinevere and Arthur and the glory that was to become Camelot. On the night of Guinevere's birth, a wise woman declares a prophecy of doom for the child: She will be gwenhwyfar, the white shadow, destined to betray her king, and be herself betrayed. Years pass, and Guinevere becomes a great beauty, riding free across Northern Wales on her beloved horse. She is entranced by the tales of the valorous Arthur, a courageous warrior who seems to Guinevere no mere man, but a legend. Then she finds herself betrothed to that same famous king, a hero who commands her willing devotion. Just as his knights and all his subjects, she falls under Arthur's spell. At the side of King Arthur, Guinevere reigns strong and true. Yet she soon learns how the dark prophecy will reveal itself. She is unable to conceive. Arthur's only true heir is Mordred, offspring of a cursed encounter with the witch Morgause. Now Guinevere must make a fateful choice: She decides to raise Mordred, teaching him to be a ruler and to honor Camelot. She will love him like a mother. Mordred will be her greatest joy—and the key to her ultimate downfall. "Guinevere comes alive—a strong, resourceful, and compassionate woman, accessible to modern folk . . . The Arthur-Guinevere-Lancelot triangle comes alive as well—believable, poignant, and bearing the seeds of tragedy."—Katherine Kurtz

Under Heaven Penguin

In *Dust and Light*, national bestselling author Carol Berg returned to the world of the award-winning *Flesh and Spirit*. Now she continues the saga of a man whose past is veiled in shadows... Ever since the Order of the Equites Cineré stole his memory, his name, and his heart, thinking about the past makes Greenshank's head ache. After two years of rigorous training, he is almost ready to embrace the mission of the Order—to use selfless magic to heal the troubles of Navronne. But on his first assignment alone, the past comes racing back, threatening to drown him in conspiracy, grief, and murder. He is Lucian de Remeni—a sorcerer whose magical bents for portraiture and history threaten the safety of the earth and the future of the war-riven kingdom of Navronne. He just can't remember how or why. Fighting to unravel the mysteries of his power, Lucian must trace threads of corruption that reach from the Pureblood Registry into the Order itself, the truth hidden two centuries in the past and beyond the boundaries of the world...

History of the Chenoweth Family Penguin

Arthur turned and strode toward us. He was magnificent, and I will never forget that, in that moment, I first loved him. And I believe--had I known what the future held for us: all the trouble, torment, battle, and grief of our lives--I still believe that I would have yielded my heart into his keeping as I did then . . . In a sweeping epic of the imagination, Alice Borchardt enters the wondrous realm of Arthurian legend and makes it her own. The *Dragon Queen* is the first volume in a trilogy of novels that boldly re-imagines Camelot--and casts Guinevere as a shrewd, strong-willed, magical warrior queen. Born into a world of terrible strife, where war is constant and weapons are never far from the hands of men or women, Guinevere, daughter of a mighty pagan queen, is a threat to her people and a prize to the dreaded sorcerer Merlin. Sent into hiding, she grows up under the protection of a shapeshifting man-wolf and an ornery Druid. But even on the remote coast of Scotland, where dragons feed and watch over her, she is not safe from the all-seeing High Druid Merlin. He knows the young beauty's destiny, and he will stop at nothing to prevent what has been foretold. For if Guinevere becomes Queen and Arthur, King, they will bring a peace to the land that will leave the power-hungry Merlin a shriveled magician in a weary cloak. Yet

Guinevere possesses power of her own--dazzling power to rival even that of Merlin. Summoned from her home by forces she cannot fathom, she travels from the Underworld to an Otherworld of the Past, at each step calling on ancient powers to aid her way. When young Guinevere proves her mettle to an embarrassed Merlin, even her faithful dragon protectors cannot prevent the evil that the sorcerer rains down. Seeking revenge, Merlin banishes Arthur to a world from which the only escape is death. Now Guinevere must face Merlin's wrath without him--and prove that she is worthy of being Arthur's Queen. From the glass-roofed Great Hall at Tintigal to the lush garden forts of Wales, Alice Borchardt details the travels of Guinevere in a rich fabric of prose. The *Dragon Queen* is a novel of great emotional depth, timeless romance, and soul-stirring adventure.

Betrayal devastates his plan to defeat the vile Lords of Zhev' Na without violence, and then a ruthless attack leaves his beloved wife near death. As frustration and anger shake the fragile joining of the Prince's body and soul, war engulfs his magical realm. Sixteen-year-old Gerick, half-crazed with nightmare visions, pursued by past horror and his father's wrath, flees beyond the boundaries of the known worlds. In a sunless realm of misshapen misfits, he discovers unlikely purpose and a devastating clue to the brokenness within himself. With three worlds on the brink of ruin, the Prince and his son must look deep inside themselves to discover the truth of their enemies—a mystery bound up in Gerick's emerging magic, a world newborn from chaos, and a whisper buried deep in Dar'Nethi legend. *Revelation Subterranean*

"An intimate and deeply human memoir that shows why we should all be concerned about nuclear safety, and the dangers of ignoring science in the name of national security." —Rebecca Skloot, #1 New York Times bestselling author of *The Immortal Life of Henrietta Lacks* A shocking account of the government's attempt to conceal the effects of the toxic waste released by a secret nuclear weapons plant in Colorado and a community's vain search for justice—soon to be a feature documentary Kristen Iversen grew up in a small Colorado town close to Rocky Flats, a secret nuclear weapons plant once designated "the most contaminated site in America." *Full Body Burden* is the story of a childhood and adolescence in the shadow of the Cold War, in a landscape at once startlingly beautiful and--unknown to those who lived there--tainted with invisible yet deadly particles of plutonium. It's also a book about the destructive power of secrets--both family and government. Her father's hidden liquor bottles, the strange cancers in children in the neighborhood, the truth about what was made at Rocky Flats--best not to inquire too deeply into any of it. But as Iversen grew older, she began to ask questions and discovered some disturbing realities. Based on extensive interviews, FBI and EPA documents, and class-action testimony, this taut, beautifully written book is both captivating and unnerving.

Dust and Light Orbit Books

Award-winning author Guy Gavriel's sixth novel, hauntingly evocative of medieval Spain, is both a brilliant adventure and a moving story of love, divided loyalties, and what happens to men and women when hardening beliefs begin to remake -- or destroy -- a world. The ruling Asharites have come from the desert sands, worshipping the stars, their warrior blood fierce and pure. But over centuries, seduced by the sensuous pleasures of their new land, that stern piety has eroded. The Asharies empire has splintered into decadent city-states lead by warring petty kinds. King Almalik of Cartada is on the ascendancy, adding city after city to his realm, even though Cartada is threatened by forces both within and without. Almalik is aided by his friend and advisor, the notorious Ammar ibn Khairan -- poet, diplomat, soldier -- until a summer afternoon of savage brutality changes their relationship forever. Meanwhile, in the north, the Jaddite's most celebrated -- and feared -- military leader, Rodrigo Belmonte, is driven into exile in the wake of events following the death of the king he loved. Rodrigo leads his mercenary company south, to the dangerous lands of Al-Rassan. In the exquisite lakeside city of Ragosa, Rodrigo Belmonte and Ammar ibn Khairan meet and serve -- for a time -- the same master. Sharing the interwoven fate of these two men from different worlds -- and increasingly torn in her feelings -- is Jehane, the beautiful, accomplished court physician, whose own skills play an increasing role as Al-Rassan is swept to the brink of holy war, and beyond.

The stunning sequel to *The Wayfarer Redemption* Axis is a true hero, in every sense of the word. On his shoulders lies the double burden of prophecy and war. Having fulfilled the first part of the prophecy by becoming the StarMan, he now must reunite the three races inhabiting his world. It is his destiny to lead an army against his evil half-brother, to regain control of Tencendor, once the greatest land in the world. It is his destiny to be caught between the two women he loves, one the epitome of gentility, beauty, and intelligence, the other a fierce warrior with a cunning wit. And it is his destiny to be thwarted at every turn by the vicious Goragel, an insane monster bent on destroying all that Axis works to preserve . . . Enchanter is the riveting sequel to Sara Douglass's spell-binding first novel *The Wayfarer Redemption*, and winner of the 1996 Aurealis Award for Best Fantasy Novel. Sara

Revelation Penguin

A ragtag crew with forbidden magic must pull off an elaborate heist and stop a civil war in *An Illusion of Thieves*, a fantasy adventure from Cate Glass. In Cantagna, being a sorcerer is a death sentence. Romy escapes her hardships by becoming a courtesan to the Shadow Lord, a revolutionary noble who brings laws and comforts once reserved for the wealthy to all. When her brother, Neri, is caught thieving with the aid of magic, Romy's aristocratic influence is the only thing that can spare his life—and the price is her banishment. Now back in Beggar's Ring, she has just her wits and her own long-hidden sorcery to help her and Neri survive. But when a plot to overthrow the Shadow Lord and incite civil war is uncovered, only Romy knows how to stop it. To do so, she'll have to rely on newfound allies—a swordmaster, a silversmith, and her own thieving brother. And they'll need the very thing that could condemn them all: magic. The Chronicles of Master Li and Number Ten Ox Penguin

Award-winning author Guy Gavriel Kay evokes the dazzling Tang Dynasty of 8th-century China in an masterful story of honor and power. It begins simply. Shen Tai, son of an illustrious general serving the Emperor of Kitai, has spent two years honoring the memory of his late father by burying the bones of the dead from both armies at the site of one of his father's last great battles. In recognition of his labors and his filial piety, an unlikely source has sent him a dangerous gift: 250 Sardinian horses. You give a man one of the famed Sardinian horses to reward him greatly. You give him four or five to exalt him above his fellows, propel him towards rank, and earn him jealousy, possibly mortal jealousy. Two hundred and fifty is an unthinkable gift, a gift to overwhelm an emperor. Wisely, the gift comes with the stipulation that Tai must claim the horses in person. Otherwise he would probably be dead already...
