Following are some examples of training and program manuals addressing a range of restorative justice interventions. The Best Practice Manual on Restorative Justice: Victim Support and Counseling was prepared by the Czech Probation and Mediation Service with assistance from the National Probation Service for England and Wales.

Restorative Aide Training Manual

Restorative skills for CNAs (Certified Nursing Assistants) differ from Restorative Nursing Assistants (RNAs) in several ways. An RNA is required to have CNA training, with additional restorative training. CNAs, however, are simply required to acquire a basic competency level with restorative skills, in addition to all expected CNA duties.
