ASHRAE Journal

Today a college degree is needed to ensure an avenue to a decent standard of living. The workplace demands lifelong learning, since most workers will change careers several times before retiring. Meanwhile, attaining a degree is becoming more difficult both in terms of the time required and money. This affects not only individuals but encourages lawmakers to seek alternatives. This book examines higher education programs designed for and delivered to working adult students under a unique for-profit model, one that benefits both taxpayer and student.

Computerworld

"Every year the United States and Canada welcome significant numbers of immigrant professionals who have high levels of formal education, often including advanced degrees, as well as extensive workplace experience. Despite these qualifications, a significant portion of these immigrants are unemployed. Recruiting, Retaining, and Promoting Culturally Different Employees aims to help U.S. and Canadian organizations make full use of the

human capital that these immigrants represent. Highly practical, Recruiting, Retaining, and Promoting Culturally Different Employees is divided into two parts, the first focusing on the recruitment process, the second examining the retention and promotion of culturally different employees."--Jacket.
