Writing a Engineering resume is much like writing a paper for school. Every detail contributes — positively or negatively — to your final 'grade.'

A personal summary and a fresher resume don ' t exactly match all of the time. Almost 90% of freshers write a summary like this in their resume: " My goal is to grow professionally and contribute to your esteemed organization and learn more " This doesn ' t work for many reasons. First, this doesn ' t say anything about what you really want to do.
