A personal summary and a fresher resume don ' t exactly match all of the time. Almost 90% of freshers write a summary like this in their resume: " My goal is to grow professionally and contribute to your esteemed organization and learn more " This doesn ' t work for many reasons. First, this doesn ' t say anything about what you really want to do.

Writing a Engineering resume is much like writing
a paper for school. Every detail contributes –
positively or negatively – to your final 'grade.'

A resume format for fresher civil engineers is designed to ensure your individual skill set stands out while also complying with the specific criteria an employer is looking for. These days, a lot of firms use software programmers to filter prospective candidates.
