Robert Fleming Rankin is a prolific British author of comedic fantasy novels. Born in Parsons Green, London, he started writing in the late 1970s, and first entered the bestsellers lists with Snuff Fiction in 1999, by which time his previous eighteen books had sold around one million copies. His books are a mix of science fiction, fantasy, the occult, urban legends, running gags, metafiction, steampunk and outrageous characters. According to the biography printed in some Corgi editions of his bo

Retromancer by Robert Rankin - Goodreads

Whilst once Robert Rankin was able to produce zany comedy science fiction that made sense, his more recent novels appear to be more about things happening to people for no logical reason.

'Retromancer' falls into this camp and tells the story of Hugo Rune and Rizla as they are sent back in time to World War 2 to prevent a nuclear bomb being dropped on New York.

There is big and evil magic abroad upon the face of the Earth. History has been changed: the Germans won WWII, America is a nuclear wasteland, and The Wife's Legs Cafe is serving Bratwurst rather than the proper British banger. To set it all right, the world needs Hugo Rune, a man who offers the world his genius, and asks only that the world cover his expenses. Hugo's job rewriting history ...
