Laurie Kirszner and Stephen Mandell, authors with nearly thirty years of experience teaching college writing, know what works in the classroom and have a knack for picking just the right readings. In Patterns for College Writing, they provide students with exemplary rhetorical models and instructors with class-tested selections that balance classic and contemporary essays. Along with more examples of student writing than any other reader, Patterns has the most comprehensive coverage of active reading, research, and the writing process, with a five-chapter mini-rhetoric; the clearest explanations of the patterns of development; and the most thorough apparatus of any rhetorical reader, all reasons why Patterns for College Writing is the best-selling reader in the country. And the new edition includes exciting new readings and expanded coverage of critical reading, working with sources, and research. It is now available as an interactive Bedford e-book and in a variety of other e-book formats that can be downloaded to a computer, tablet, or e-reader. Read the preface.
Cheat the Hangman Llewellyn Worldwide
This is a fully annotated (and generously illustrated) record of practically every time that elemental jazz double bassist-composer William Parker has ever played a gig or recording session, as a band member or leader, from 1972 clear through to June 2014. A vast microcosm of one profoundly engaged jazz musician which reveals an illuminated macrocosm of jazz itself.
The William Parker Sessionography Bantam
"Jeff Bennington has an understanding of the e-book business that truly impresses me. I've taken his advice and it has made a huge difference in my career as an author. I highly recommend this book." Al Boudreau, author of In Memory of Greed "The Indies Author's Guide has made a huge impact on my sales. I've only just started incorporating what I've learned and in three days have tripled my sales." Robbi Bryant, author of The Beautiful Evil "If you are preparing to self-publish, and even if you've already done so, you need this book! Finally, a guide that covers it all... every aspect of book creation from humble beginning to publishing success! This guide is my "go to" writer's bible! High praise to Jeff Bennington for creating a writer's gold mine of information and advice." Deborah Hughes, author of Be Still, My Love ABOUT THE INDIE AUTHOR'S GUIDE TO THE UNIVERSE: From the Author of Reunion, a #1 Amazon best-selling ghost story. The Assassination of Fred Hampton Univ. Press of Mississippi
A rookie reporter stumbles upon a mysterious girl foiling a grocery store robbery. Desperate for success, he sets out to make his name on her unique gift. Is this girl special or are all the magical moments pure coincidence? Do the random choices we make lead us down a path of no return or will he gain a sense of self-worth before he sells her out?
The Indie Author's Guide to the Universe Reunion
For eight wonderful years The Waltons, the story of a family living in the foothills of Virginia's Blue Ridge Mountains during the Depression, entertained America and the world. Yet this television show was more than entertaining. Each episode combined wonderful stories and "teachable moments" in which adults and children alike learned the importance of honesty, hard work, respect, responsibility, self-sacrifice, and kindness. As is true in most families, the Waltons faced many challenges, occasionally stumbled along the way, but they struggled to live their lives within the framework of the values they believed and taught. Goodnight, John-Boy is a memory book of The Waltons, the number-one television show of its time. Filled with behind-the-scenes anecdotes and profiles of people who appeared on the show, it introduces readers to the Hamner family members who later became characters on The Waltons, suggests events and locales that inspired many of the episodes, and traces Earl Hamner's life as a writer from Virginia to New York to Hollywood. Included is a description of each episode plus reminiscence, comments, and personal feelings from numerous people connected with the series- writers, actors, directors, producers, family, and fans. Heavily illustrated with publicity shots and personal photographs taken by cast, crew, and others, Goodnight John-Boy will be a welcomed book by millions of loyal fans. When The Waltons first aired in 1972, it was at the bottom of the Nielson ratings-by December it led the list. That dramatic leap came about because fans told their friends about it and wrote the CBS network to praise the show and to plead that the show not be canceled. Thirty years later, Goodnight, John-Boy is sure to touch the hearts of the show's fans again.

“ Starting from the Old Testament these pages address the story of what is often not highlighted or, worse, deliberately forgotten or interpreted differently in order to conceal the potential disruptive effects.” —Mauro Biglino Did a distant race of ancient aliens once inhabit the lands of the Bible? Do the ancient writings of the Bible and other texts provide proof of their existence? Did the “ prophets ” have close encounters with ancient aliens? Were the “ angels ” physical beings sent to perform specific tasks by their alien masters? Ancient Aliens in the Bible answers these questions and more. Analyzing the historical and archaeological evidence, and using the work of former Vatican translator Mauro Biglino as his guide, Xaviant Haze provides ample proof that what our ancestors described in ancient biblical texts were real-life events and not visions. The UFO encounters in the Bible are described as concrete experiences by flesh-and-blood beings. The angels were assigned specific duties and struggled to carry them out; some even rebelled and took earthly wives, forbidden by their superiors. Ancient Aliens in the Bible reveals that: • Lamech ’ s wife gave birth to the son of an angel with glowing eyes. • Moses was led to the promised land by UFOs. • Noah ’ s great-grandfather, Enoch, got a heavenly tour of space. Your view of the Bible will never be the same.
American Wildlife Art Ballantine Books
"Like Stephen King, he knows how to summon serious scares." - Bentley Little, The Haunting Stoker Award finalist THE RED CHURCH For 13-year-old Ronnie

Day, life is full of problems: Mom and Dad have separated, his brother Tim is a constant pest, Melanie Ward either loves him or hates him, and Jesus Christ won't stay in his heart. Plus he has to walk past the red church every day, where the Bell Monster hides with its wings and claws and livers for eyes. But the biggest problem is that Archer McFall is the new preacher at the church, and Mom wants Ronnie to attend midnight services with her. Sheriff Frank Littlefield hates the red church for a different reason. His little brother died in a freak accident at the church twenty years ago, and now Frank is starting to see his brother's ghost. And the ghost keeps demanding, "Free me." People are dying in Whispering Pines, and the murders coincide with McFall's return. The Days, the Littlefields, and the McFalls are descendants of the original families that settled the rural Appalachian community. Those old families share a secret of betrayal and guilt, and McFall wants his congregation to prove its faith. Because he believes he is the Second Son of God, and that the cleansing of sin must be done in blood. "Sacrifice is the currency of God," McFall preaches, and unless Frank and Ronnie stop him, everybody pays. ----- "Scott Nicholson understands that the best horror novels achieve primal fear through a combination of sustained atmosphere, richly drawn characters, and believable if uncanny evils that draw unholy power from everyday lives." --Christopher Ransom, author of The Birthing House "Keep both hands on your pants, because Nicholson is about to scare them off."--J.A. Konrath, Origin "Scott Nicholson is the kind of writer who always surprises and always entertains."--Jonathan Maberry, Patient Zero "Scott Nicholson writes with a mixture of H.P. Lovecraft, Manly Wade Wellman, and Clive Barker." - Kevin J. Anderson Keywords: Stephen King, Joe Hill, horror fiction, paranormal, suspense, mystery, supernatural thriller, ghost story, haunted house story, scary google books, spooky ebooks, Dean Koontz, James Herbert, John Saul, Edgar Allan Poe, Blake Crouch, J.A. Konrath, Jonathan Maberry, Peter Straub, Brian Keene, ghosts, Stoker Award finalist, Adam Nevill, Sarah Pinborough, Paul Tremblay

In this book, prizewinning novelist and popular creative writing instructor Douglas Bauer (The Book of Famous Iowans) shares the secrets of his trade. Talent, as Bauer acknowledges, is the most crucial element for a writer and cannot be taught. But without a regular habit of work, and a perseverance of effort, no amount of talent can come forward and be recognized. His lively and candid essays on subjects critical to the fiction writer ’ s success demystify the essential elements of fiction writing, how they work, and work together. Bauer ’ s focus is on the building blocks of successful fiction: dialogue (the intimate relationship between characters talking and the eavesdropping reader), characters (the virtues of creating fictional characters that are both splendidly flawed and sympathetic), and dramatic events (ways to create moments that produce an emotional and psychological impact). There are also chapters on crafting effective openings and memorable closings of stories and on the vital presence of sentiment in fiction versus the ruinous effect of sentimentality. By assuming the point of view of someone at the task, engaged with the work, inside the effort to bring an invented world to life, The Stuff of Fiction speaks to writers of all ages in a pleasurable yet practical voice. Douglas Bauer is the author of three novels, Dexterity, The Very Air, and The Book of Famous Iowans, and one book of nonfiction, Prairie City, Iowa. He is also a core faculty member with the MFA Program at Bennington College and has received a National Endowment for the Arts grant, a Massachusetts Artists Foundation grant, and two Harvard Danforth Excellence in Teaching Citations.

Twisted Vengeance Chicago Review Press
The new single-volume edition of Conceived in Liberty is here! After so many years of having to juggle four volumes, the Mises Institute has finally put it altogether in a single, 1,616-page book. This makes it easier to read, and makes clearer just what a contribution this book is to the history of libertarian literature. There's never been a better time to remember the revolutionary and even libertarian roots of the American founding, and there's no better guide to what this means in the narrative of the Colonial period than Murray Rothbard. For anyone who thinks of Murray Rothbard as only an economic theorist or political thinker, this giant book is something of a surprise. It is probably his least known treatise. It offers a complete history of the Colonial period of American history, a period lost to students today, who are led to believe American history begins with the US Constitution. Rothbard's ambition was to shed new light on Colonial history and show that the struggle for human liberty was the heart and soul of this land from its discovery through the culminating event of the American Revolution. These volumes are a tour de force, enough to establish Rothbard as one of the great American historians. It is a detailed narrative history of the struggle between liberty and power, as we might expect, but it is more. Rothbard offers a third alternative to the conventional interpretive devices. Against those on the right who see the American Revolution as a "conservative" event, and those on the left who want to invoke it as some sort of proto-socialist uprising, Rothbard views this period as a time of accelerating libertarian radicalism. Through this prism, Rothbard illuminates events as never before. The volumes were brought out in the 1970s, but the odd timing and uneven distribution prevented any kind of large audience. They were beloved only by a few specialists, and sought after by many, thanks to their outstanding reputation. The Mises Institute is pleased to be the publisher of this integrated book. This single volume covers the discovery of the Americas and the colonies in the 17th century, the period of "salutary neglect" in the first half of the 18th century, the advance to revolution, from 1760-1775 and the political, military, and ideological history of the revolution and after.

Creepy 2 HarperCollins
AN INSTANT NEW YORK TIMES BESTSELLER A Read with Jenna Today Show Book Club Pick! "Plumbs the depths of marriage, motherhood and friendship with warmth and wit. I devoured it in one gulp! " —Maria Semple A warm, incisive new novel about the enduring bonds of marriage and friendship from Cynthia D ’ Aprix Sweeney, author of the instant New York Times bestseller The Nest Flora Mancini has been happily married for more than twenty years. But everything she thought she knew about herself, her marriage, and her relationship with her best friend, Margot, is upended when she stumbles upon an envelope containing her husband ’ s wedding ring—the one he claimed he lost one summer when their daughter, Ruby, was five. Flora and Julian struggled for years, scraping together just enough acting work to raise Ruby in Manhattan and keep Julian ’ s small theater company—Good Company—afloat. A move to Los Angeles brought their first real career successes, a chance to breathe easier, and a reunion with Margot, now a bona fide television star. But has their new life been built on lies? What happened that summer all those years ago? And what happens now? With Cynthia D ’ Aprix Sweeney ’ s signature tenderness, humor, and insight, Good Company tells a bighearted story of the lifelong relationships that both wound and heal us. Patterns for College Writing Createspace Independent Pub
Elizabeth Spencer is “ a master storyteller ” (San Francisco Chronicle), her work called “ dazzling ” by Walker Percy. Whether she ’ s writing short stories or novels, Spencer is acclaimed for holding her worlds up to light and turning them to see what they reflect. The Night Travellers, set in North Carolina and Montreal during the Vietnam War years, is her most revealing work yet. Mary Kerr Harbison is a promising teenaged dancer when she meets Jefferson Blaise, an intellectual radical-in-the-making. He becomes a part of her life and over the objections of Mary ’ s wealthy, abusive mother, her husband. But although Jeff ’ s heart is devoted to Mary, his life is devoted to protesting the Vietnam War—at first through the public rallies, later through guerilla tactics. As Jeff is drawn deeper and deeper into the movement, he and Mary are forced to go underground and eventually move to Canada. Jeff ’ s activities keep him on the move, and Mary, living in Montreal, struggles to raise her daughter and make a life for herself. An exploration of a dramatic period in our history, The Night Travellers is a powerful depiction of lives forever changed by political beliefs and fervidly held convictions. The Black Mile Haunted Computer Books

Lyris Pembroke unearths a terrible family secret in the old mansion she recently inherited. Investigating the tragedy, she delves into the psyche of a damaged WWII soldier, aided by her irrepressible spirit guide and the family psychic. After inheriting Hammersleigh House from her eccentric great-uncle Patrick, Lyris Pembroke makes a grisly discovery in the tower room of the Georgian-style mansion--the mummified remains of a child. To uncover the mystery, Lyris is aided by family psychic Aunt Clematis and Leander, a spirit guide with an attitude, who prefers hanging out with Winston Churchill and John Lennon. While nurturing a new relationship with Blackshore's Chief of Police, avoiding her controlling ex-husband's demands, hosting this year's family reunion and engaging in a psychological battle with the mansion's butler, Lyris is taxed to her limits. During an oppressive summer heat wave, a tear in the gossamer veil that separates past and present forces Lyris to finally accept her psychic destiny. Driven to find out who murdered little Tommy Pembroke sixty-eight years ago, she begins a journey back in time. "A refreshing and chilling paranormal mystery you won't want to miss." --Jeff Bennington, author of Reunion "Southern Ontario Gothic at its spine-chilling, provocative, hilarious best." --John Moss, author of Reluctant Dead "Satisfying and romantic...an excellent, enjoyable read!" --Catherine Astolfo, author of the Emily Taylor Mysteries "Entertaining and well written...No wonder it was shortlisted for Canada's Unhanged Arthur Ellis Award." --N.A.T. Grant, author of Race Without Rules "A powerful, layered story told with clarity, pizzazz, and humour." --Eileen Schuh, author of Schrodinger's Cat" How I Made Over \$42,000 in 1 Month Selling My Kindle eBooks Imagin Books Detective Rick Burns' life is falling apart. His son is dead, his brother butchered, he's in love with the one woman he can't have and he's investigating a slew of unsolved murders of violent, domestic abusers. When a mysterious boy enters his life, things only get worse. The boy knows the victims. He knows about Rick's fears. And he knows "Debil," the serial killer with a lust for death. Determined to help the detective find the perpetrator, the boy ushers Rick into a nightmarish chase where reality and the supernatural are blurred, nearly costing him his life, his love, and his reputation in a storm of domestic vengeance that is so twisted you won't be able to stop reading until you discover the awful truth. "[The Secret Tree] reminds me of a Stephen King novel in its layering of the story, and the supernatural and very human elements knit together as the tale progresses." R.L. Dove ABOUT THE SECRET TREE: When 13-year old Andy Harper inherits a secret from his dying neighbor, Mr. Beasley, he discovers how sinister the world can be, what true friendship means, and that being a hero in 1959 may cost him his life. Grieving from his father's disappearance and his grandfather's death, Andy is nearly hopeless. The intrigue of the secret, and his friendship with Mr. Beasley, give him a renewed sense of purpose. But when the men who used to run with the local mob discover that Andy knows about the "secret," they come out of the shadows and a hunt for the evil truth begins. Andy finds himself fighting for his life, committed to his promise, and searching for answers in a house haunted by a one-handed witch. "This book has everything! It's creepy, touching, sad, thrilling and suspenseful. This is definitely Bennington's best yet!" Krista Glavin "I loved it! A wonderful creepy novel." Sue Davis "The supernatural aspect is entertaining but it's the story as a whole that leaves the reader with a good sense of community and self. I'd recommend this book for anyone from 9 to 90. It's a warm story and an easy read. I loved it!" - Bonnie Patmore From Patrick Bousum and Jeff Bennington, best-selling author of REUNION, TWISTED VENGEANCE, AND THE CREEPY series. Red Wheel/Weiser
Demonstrates how party elites influence candidate decisions and shape the outcomes of primary elections for House and Senate.
