The Brewster Triplets are back to school -- and up to new hijinks -- in this hilarious new story from Jennifer Ziegler! The Brewster triplets have this whole school year figured out. They'll share notes and books and help plan their big sister's wedding, and they're all going to be on color guard. Smooth sailing through the seventh grade. Only nothing goes right. They're accidentally on cheer squad, of all things. And the sisters are split into different classes--which Darby is failing because of her terrible

participation grade. Meanwhile, Delaney really likes cheerleading and doesn't want just go along with what Dawn wants this time, especially on her cheering crusade. Can the triplets take turns pretending to be Darby, plan a shower for their beloved big sister, and stay out of the trouble Dawn keeps getting them into? And more importantly, can they do it without being split up for good? Three times the teacher's pets means three times the school shenanigans in this fun Brewster Triplets romp

from Jennifer Ziegler. [Success Is the Best Revenge](#) Scholastic Inc. Philip has a new life in New York but is returned to the petty meddling of his family when his two spinster sisters call upon him to help them ruin their eighty-one-year-old father's wedding plans [Wives Behaving Badly](#) New Directions Publishing There are two sides to every breakup. Lucy had no clue that her husband of sixteen years was about to bolt. Now she's dealing with shock, loneliness, and girlfriends who alternately pity her and provoke her. She also-unbelievably-

is apparently competing with her own teenage daughter for a new man's attention. Trent pictured freedom, self-discovery...and maybe some sex with actual passion. So far, he's mostly watching hockey in a hotel room and wondering what's next. Being middle-aged and married isn't easy. The jury's still out on being middle-aged and single... There are two sides to every breakup. In this witty, heartfelt novel, Robyn Harding explores them both-and takes us on a journey through the end of a marriage and the beginning of something new...which may or may not be something old too.

NOW A MAJOR MOTION PICTURE #1 NEW YORK TIMES BESTSELLER A thrilling tale of betrayal and revenge set against the nineteenth-century American frontier, the astonishing story of real-life trapper and frontiersman Hugh Glass The year is 1823, and the trappers of the Rocky Mountain Fur Company live a brutal frontier life. Hugh Glass is among the company ' s finest men, an experienced frontiersman and an expert tracker. But when a scouting mission puts him face-to-face with a grizzly bear, he is viciously mauled

and not expected to survive. Two company men are dispatched to stay behind and tend to Glass before he dies. When the men abandon him instead, Glass is driven to survive by one desire: revenge. With shocking grit and determination, Glass sets out, crawling at first, across hundreds of miles of uncharted American frontier. Based on a true story, *The Revenant* is a remarkable tale of obsession, the human will stretched to its limits, and the lengths that one man will go to for retribution. *Revenge of the Nerd*

Little, Brown Books for Young Readers *Revenge of the Middle-Aged Woman* is the bestselling novel from Elizabeth Buchan. Rose Lloyd was the last to suspect that Nathan, her husband of over twenty years, was having an affair, and that he was planning to leave her. But the greatest shock was yet to come; for his mistress was Rose's colleague and friend, Minty. Left alone in their once-happy family home, where she and Nathan

had brought up their children. Rose started thinking - about the man she'd married, and how well she really knew him. About the carefree yet studious girl she had been before she met him. Twenty years ago she had to make the choice between two very different lives. Could she now recapture what she nearly chose back then, a life where she put herself first? *Revenge of a Middle-Aged Woman* is a compelling and heart-warming novel from

bestselling author Elizabeth Buchan. Praise for Elizabeth Buchan: 'Gorgeously well-written - funny, sad, sophisticated' *Independent* 'Beautifully observed, with the insight and humour that one has come to expect from the author' *Times* 'Compelling, compassionate, and aglow with moments of laugh-or-cry humour' *Mail on Sunday* 'Buchan is a cut above the rest' *Sunday Mirror* Elizabeth Buchan is the author of twelve

novels, including the bestselling and prize-winning *Revenge of the Middle-Aged Woman*, *That Certain Age* and *The Second Wife*, all of which received rave reviews. She lives in London with her husband and children. *Emotion, Violence, Vengeance and Law in the Middle Ages* Simon and Schuster Older women often feel invisible, but sometimes that 's their secret weapon. They 've spent their

lives as the deadliest assassins in a clandestine international organization, but now that they're sixty years old, four women friends can't just retire – it's kill or be killed in this action-packed thriller by New York Times bestselling and Edgar Award-nominated author Deanna Raybourn. Billie, Mary Alice, Helen, and Natalie have worked for the Museum, an elite network of assassins, for forty years. Now their talents are considered old-school and no one appreciates what they have to offer in an age that relies more on technology than people skills. When the foursome is sent on an all-expenses paid vacation to mark their retirement, they are targeted by one of their own. Only the Board, the top-level members of the Museum, can order the termination of field agents, and the women realize they've been marked for death. Now to get out alive they have to turn against their own organization, relying on experience and each other to get the job done, knowing that working together is the secret to their survival. They're about to teach the Board what it really means to be a woman—and a killer—of a certain age. *Revenge of the Teacher's Pets* Random

NEW YORK TIMES

BESTSELLER • In this “ambitious and challenging” (The New York Review of Books) work, the bestselling

author of *Monsoon and Balkan Ghosts* offers a revelatory prism through which to view global upheavals and to understand what lies ahead for continents and countries around the world. In *The Revenge of Geography*, Robert D. Kaplan builds on the insights, discoveries, and theories of great geographers and geopolitical thinkers of the near and distant past to look back at critical pivots in history and then to look forward at the

evolving global scene.

Kaplan traces the history of the world’s hot spots by examining their climates, topographies, and proximities to other embattled lands. The Russian steppe’s pitiless climate and limited vegetation bred hard and cruel men bent on destruction, for example, while Nazi geopoliticians distorted geopolitics entirely, calculating that space on the globe used by the British Empire and the Soviet Union could be swallowed by a greater

German homeland. Kaplan then applies the lessons learned to the present crises in Europe, Russia, China, the Indian subcontinent, Turkey, Iran, and the Arab Middle East. The result is a holistic interpretation of the next cycle of conflict throughout Eurasia. Remarkably, the future can be understood in the context of temperature, land allotment, and other physical certainties: China, able to feed only 23 percent of its people from land that is only 7

percent arable, has sought energy, minerals, and metals from such brutal regimes as Burma, Iran, and Zimbabwe, putting it in moral conflict with the United States. Afghanistan's porous borders will keep it the principal invasion route into India, and a vital rear base for Pakistan, India's main enemy. Iran will exploit the advantage of being the only country that straddles both energy-producing areas of the Persian Gulf and the Caspian Sea. Finally,

Kaplan posits that the United States might rue engaging in far-flung conflicts with Iraq and Afghanistan rather than tending to its direct neighbor Mexico, which is on the verge of becoming a semifailed state due to drug cartel carnage. A brilliant rebuttal to thinkers who suggest that globalism will trump geography, this indispensable work shows how timeless truths and natural facts can help prevent this century's looming cataclysms.

"It's not just Murakami but also the shadow of Borges that hovers over this mesmerizing book... [and] one may detect a slight bow to the American macabre of E.A. Poe. Ogawa stands on the shoulders of giants, as another saying goes. But this collection may linger in your mind -- it does in mine -- as a delicious, perplexing, absorbing and somehow singular

experience." -- Alan Cheuse, NPR Sinister forces collide---and unite a host of desperate characters---in this eerie cycle of interwoven tales from Yoko Ogawa, the critically acclaimed author of *The Housekeeper and the Professor*. An aspiring writer moves into a new apartment and discovers that her landlady has murdered her husband.

Elsewhere, an accomplished surgeon is approached by a cabaret singer, whose beautiful appearance belies the grotesque condition of her heart. And while the surgeon's jealous lover vows to kill him, a violent envy also stirs in the soul of a lonely craftsman. Desire meets with impulse and erupts, attracting the attention of the surgeon's neighbor---who is drawn to a decaying

residence that is now home to instruments of human torture. Murderers and mourners, mothers and children, lovers and innocent bystanders---their fates converge in an ominous and darkly beautiful web. In *THE POWER*, the world is a recognizable place: there's a rich Nigerian boy who lounges around the family pool; a foster kid whose religious parents hide their true nature; an ambitious American politician; a tough London girl from a tricky family. But then a

vital new force takes root and flourishes, causing their lives to converge with devastating effect.

Teenage girls now have immense physical power--they can cause agonizing pain and even death. And, with this small twist of nature, the world drastically resets. From award-winning author Naomi Alderman, *THE POWER* is speculative fiction at its most ambitious and provocative, at once

taking us on a thrilling journey to an alternate reality, and exposing our own world in bold and surprising ways.

In a smart, entertaining, reassuring book that reads like fiction, Alexandra Robbins manages to cross *Gossip Girl* with *Freaks and Geeks* and explain the fascinating psychology and science behind popularity and outcasthood. She reveals that the things

that set students apart in high school are the things that help them stand out later in life. Robbins follows seven real people grappling with the uncertainties of high school social life, including: The Loner, who has withdrawn from classmates since they persuaded her to unwittingly join her own hate club The Popular Bitch, a cheerleading captain both seduced by and trapped within her clique's perceived prestige The Nerd, whose differences cause students to laugh at him and his mother to needle him for not being "normal" The New Girl, determined to stay positive as classmates harass her for her mannerisms and target her because of her race The Gamer, an underachiever in danger of not graduating, despite his intellect and his yearning to connect with other students The Weird Girl, who battles discrimination and gossipy politics in school but leads a joyous life outside of it The Band Geek, who is alternately branded too serious and too emo, yet annually runs for class president In the middle of the year, Robbins surprises her subjects with a secret challenge--experiments that force them to change how classmates see them. Robbins intertwines these narratives--often

triumphant, occasionally heartbreaking, and always captivating--with essays exploring subjects like the secrets of popularity, being excluded doesn't mean there's anything wrong with you, why outsiders succeed, how schools make the social scene worse--and how to fix it. *The Geeks Shall Inherit the Earth* is not just essential reading for students, teachers, parents, and

anyone who deals with teenagers, but for all of us, because at some point in our lives we've all been on the outside looking in.
