From award-winning TV comedy writer Kari Lizer (The New Adventures of Old Christine) comes a collection of hilarious essays about the challenges of being a woman of a certain age and all that comes with it: empty nest, post #MeToo dating, aging parents, menopausal rage, unrealistic expectations, and eternal optimism.

What does it feel like to have your kids leave the house at the same time your parents might need to move in? With self-deprecating humor, sharp wit, and Ephron-esque aplomb, Kari Lizer gives an honest account of finding herself in the middle of growing up, growing old, and still figuring it all out. She finds the wry, bittersweet humor in (almost) all situations--whether it's becoming radioactive during a thyroid cancer treatment, getting fired from her volunteer work, or struggling to find her identity outside of motherhood. Aren't You Forgetting Someone?

speaks to those of us who lament the invisibility of the middle-aged woman, but also revel in the unexpected delights of newfound freedom to do whatever the hell we want while no one is looking. Revenge of the Paste Eaters Random House Trade Paperbacks  
There are two sides to every breakup. Lucy had no clue that her husband of sixteen years was about to bolt. Now she's dealing with shock, loneliness, and girlfriends who alternately pity her and provoke her. She also-

unbelievably-is apparently competing with her own teenage daughter for a new man's attention. Trent pictured freedom, self-discovery...and maybe some sex with actual passion. So far, he's mostly watching hockey in a hotel room and wondering what's next. Being middle-aged and married isn't easy. The jury's still out on being middle-aged and single... There are two sides to every breakup. In this witty, heartfelt novel, Robyn Harding explores them both-and takes us on a journey through the end of a marriage and the beginning of something new...which may or may not be something old too.

In **THE POWER**, the world is a recognizable place: there's a rich Nigerian boy who lounges around the family pool; a foster kid whose religious parents hide their true nature; an ambitious American politician; a tough London girl from a tricky family. But then a vital new force takes root and flourishes, causing their lives to converge with devastating effect. Teenage girls now have immense physical power--they can cause agonizing pain and even death. And, with this small twist of nature, the world drastically resets. Revenge of the Middle-Aged Woman New Directions Publishing

The best-selling author of **BRINGING UP B É B É** investigates life in her forties, and wonders whether her mind will ever catch up with her face. When Pamela Druckerman turns 40, waiters start calling her "Madame," and she detects a disturbing new message in men's gazes: I would sleep with her, but only if doing so required no effort whatsoever. Yet forty isn't even technically middle-aged anymore. And after a lifetime of being clueless, Druckerman can finally grasp the subtext of conversations, maintain (somewhat) healthy relationships and spot narcissists before they ruin her life. What are the modern forties, and what do we know once we reach them? What makes someone a "grown-up" anyway? And why didn't anyone warn us that we'd get cellulite on our arms? Part frank memoir, part hilarious investigation of daily life, *There Are No Grown-Ups* diagnoses the in-between decade when... • Everyone you meet looks a little bit familiar. • You're matter-of-fact about chin hair. • You

can no longer wear anything ironically. • There's at least one sport your doctor forbids you to play. • You become impatient while scrolling down to your year of birth. • Your parents have stopped trying to change you. • You don't want to be with the cool people anymore; you want to be with your people. • You realize that everyone is winging it, some just do it more confidently. • You know that it's ok if you don't like jazz. Internationally best-selling author and New York Times contributor Pamela Druckerman leads us on a quest for wisdom, self-knowledge and the right pair of pants. A witty dispatch from the front lines of the forties, *There Are No Grown-Ups* is a (midlife) coming-of-age story, and a book for anyone trying to find their place in the world. A story of economic breakdown and romantic recovery from the author of *Revenge of the Middle-Aged Woman*. Tom and Annie's kids have grown up, the mortgage is do-able, and they're about to get a gorgeous new, state-of-the-art French stove. Life is good- or so it seems. *Revenge Of The Middle-Aged Woman*. Simon and Schuster

*Risky Business*. *Revenge of the Nerds*. *Better Off Dead*. *Moonlighting*. *Supernatural*. *American Dad*. *New Girl*.

What do all of these movies and television shows have in common? Curtis Armstrong. A legendary comedic second banana to a litany of major stars, Curtis is forever cemented in the public imagination as Booger from *Revenge of the Nerds*. A classically trained actor, Curtis began his incredible 40-year career on stage but progressed rapidly to film and television. He was typecast early and it proved to be the best thing that could have happened.

But there ' s more to Curtis ' story than that. Born and bred a nerd, he spent his early years between Detroit, a city so nerdy that the word was coined there in 1951, and, improbably, Geneva, Switzerland. His adolescence and early adulthood was spent primarily between the covers of a book and indulging his nerdy obsessions. It was only when he found his true calling, as an actor and unintentional nerd icon, that he found true happiness. With whip-smart, self-effacing humor, Armstrong takes us on a most unlikely journey—one nerd ' s hilarious, often touching rise to the middle. He started his life as an outcast and matured into...well, an older, slightly paunchier, hopefully wiser outcast. In Hollywood, as in life, that counts as winning the game.

The Power BRILL

In this middle-grade Bridesmaids, hilarity ensues as triplets have to stop a wedding! One bride. Two boys. Three flower girls who won't forever hold their peace. What could go wrong with this wedding? Everything! The Brewster triplets, Dawn, Darby, and Delaney, would usually spend their summer eating ice cream, playing with their dog, and reading about the US Presidents. But this year they're stuck planning their big sister Lily's wedding. Lily used to date Alex, who was fun and nice and played trivia games with the triplets, and no one's quite sure why they broke up. Burton, Lily's groom-to-be, is not nice or fun, and he looks like an armadillo. The triplets can't stand to see Lily marry someone who's completely wrong for her, so it's up to them to stop the wedding before anyone says "I do!" The flower girls will stop at nothing to delay Lily's big day, but will sprinklers, a photo slideshow, a muddy dog, and some unexpected allies be enough to prevent their big sister - and the whole Brewster family - from living unhappily ever after?

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That ' s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his

brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.
