*A Summons to Memphis* Simon and Schuster

After being abandoned by her almost-betrothed, Caroline Nash vows to never again get involved with a man.

Especially not the middle-aged

December, 01 2024

---

earl her father has chosen for her. The man is a pompous ass and one of Prinny's set who only wants her for her dowry. To complicate matters, a kiss from the Midnight Marauder unleashes an unbelievable passion that Caroline can't seem to forget. Stephan, the Marquis of Kendrick, poses as the robbing marauder to avenge his low-born mother. But he starts questioning his plans when one of his "missions" crosses paths with Caroline and leads to the kiss of a lifetime. Stephan senses that this proper miss is more fiery than he expected and he wants more. To be properly

introduced to the woman of his dreams, he attends the Prince Regent's house party. He finds her, begging a friend to pretend to court her – to fend off the man her father has chosen. Stephan couldn't wish for a better opportunity – he'll happily court her, but he doesn't want to pretend. Their connection is sizzling, but can this charade become something real once Stephan's secrets are revealed? Each book in the Rake Trilogy series is **STANDALONE**: \* A Rake's Redemption \* A Rake's Revenge **Revenge of the Teacher's Pets** 5

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the

---

school mascot. Heartbreaking, funny, and beautifully written, The Absolutely True Diary of a Part-Time Indian, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary

adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

The Revenant Picador

A story of economic breakdown and romantic recovery from the author of *Revenge of the Middle-Aged Woman*. Tom and Annie's kids have grown up, the mortgage is do-able, and they're about to get a gorgeous new, state-of-the-art French stove. Life is good- or so it seems. Beneath the veneer of professional success and domestic security, their marriage is crumbling, eaten away by years of resentment, loneliness, and the fall out from the estrangement of their daughter, and they've settled into simply being two strangers living under the same roof.

---

Until the economy falls apart. Suddenly the dull but oddly comfortable predictability of their lives is upended by financial calamity—Tom loses his job, their son returns home, and Tom's mother moves in with them. As their world shrinks, Tom and Annie are forced closer together, and the chaos around them threatens to sweep away their bitterness and frustration, refreshing and possibly restoring the love that had been lying beneath all along. In *Separate Beds*, Elizabeth Buchan has captured the concerns and joys of contemporary women, and her

timely, warm, and funny novel tracks the ebb and flow of family, fortune, and love that is familiar to so many readers.

**Novel 11, Book 18** New

Directions Publishing

Get ready to cheer for Rose

Lloyd, a woman of young middle-age who proves that starting over doesn't have an age limit. After twenty-five years spent juggling husband, career, and kids with admirable success, Rose suddenly finds both her marriage and her career in unexpected ruin. Forced to begin a new life, she is at first terrified, then energized, by her newfound freedom—it's amazing what prolonged reflection, a little weight loss, a new slant on independence, and some Parisian

lingerie will do for the psyche! Witty, insightful, and emotionally resonant, Buchan's novel will strike a chord with anyone who has ever wondered what Middle Age would look like from the other side of the looking glass (answer: much better than you could ever expect).

**Revenge of the Translator** BRILL

The essays in this *Festschrift* for William Ian Miller reflect the honorand's wide-ranging interest in legal history, Icelandic sagas, anger and violence, and contemporary popular culture.

Revenge in a Cold River

Running Press Adult  
NEW YORK TIMES  
BESTSELLER • In this  
“ambitious and  
challenging” (The New  
York Review of Books)  
work, the bestselling  
author of *Monsoon and  
Balkan Ghosts* offers a  
revelatory prism through  
which to view global  
upheavals and to  
understand what lies  
ahead for continents and  
countries around the  
world. In *The Revenge of  
Geography*, Robert D.  
Kaplan builds on the

insights, discoveries, and  
theories of great  
geographers and  
geopolitical thinkers of  
the near and distant past  
to look back at critical  
pivots in history and then  
to look forward at the  
evolving global scene.  
Kaplan traces the history  
of the world’s hot spots  
by examining their  
climates, topographies,  
and proximities to other  
embattled lands. The  
Russian steppe’s pitiless  
climate and limited  
vegetation bred hard and  
cruel men bent on

destruction, for example,  
while Nazi geopoliticians  
distorted geopolitics  
entirely, calculating that  
space on the globe used  
by the British Empire and  
the Soviet Union could be  
swallowed by a greater  
German homeland. Kaplan  
then applies the lessons  
learned to the present  
crises in Europe, Russia,  
China, the Indian  
subcontinent, Turkey,  
Iran, and the Arab Middle  
East. The result is a  
holistic interpretation of  
the next cycle of conflict  
throughout Eurasia.

---

Remarkably, the future can be understood in the context of temperature, land allotment, and other physical certainties: China, able to feed only 23 percent of its people from land that is only 7 percent arable, has sought energy, minerals, and metals from such brutal regimes as Burma, Iran, and Zimbabwe, putting it in moral conflict with the United States. Afghanistan's porous borders will keep it the principal invasion route into India, and a vital rear

base for Pakistan, India's main enemy. Iran will exploit the advantage of being the only country that straddles both energy-producing areas of the Persian Gulf and the Caspian Sea. Finally, Kaplan posits that the United States might rue engaging in far-flung conflicts with Iraq and Afghanistan rather than tending to its direct neighbor Mexico, which is on the verge of becoming a semifailed state due to drug cartel carnage. A brilliant rebuttal to

thinkers who suggest that globalism will trump geography, this indispensable work shows how timeless truths and natural facts can help prevent this century's looming cataclysms. Revenge of the Dolls  
Holiday House  
A brilliant novel by the Norwegian master Dag Solstad Bjorn Hansen, a respectable town treasurer, has just turned fifty and is horrified by the thought that chance has ruled his life. Eighteen years ago he left his wife and their two-year-old son for his

---

mistress, who persuaded him to start afresh in a small, provincial town and to devote himself to an amateur theater. In time that relationship also faded, and after four years of living alone Bjorn contemplates an extraordinary course of action that will change his life forever. He finds a fellow conspirator in Dr. Schiotz, who has a secret of his own and offers to help Bjorn carry his preposterous plan through to its logical conclusion. But the sudden reappearance of his son both fills Bjorn with new hope and complicates matters. The desire to

gamble with his comfortable existence proves irresistible, however, taking him to Vilnius in Lithuania, where very soon he cannot tell whether he 's tangled up in a game or reality. Dag Solstad won the Norwegian Critics Prize for Literature for *Novel 11*, Book 18, a concentrated uncompromising existential novel that puts on full display the author 's remarkable gifts and wit. *Best Revenge* Penguin Master of mystery and historical intrigue Anne Perry once again transports readers to the banks of the Thames in Victorian

London for her thrilling new William Monk novel. In *Revenge in a Cold River*, Monk faces his darkest hour ever as he spars with a quarry hell-bent on vengeance. When Commander Monk of the Thames River Police is called to investigate the drowning of an escaped prisoner, he 's forced to contend with customs officer McNab, who clearly bears a bitter grudge against him. But the reason is a mystery in itself. Monk 's memory loss—a secret he guards closely—leaves him vulnerable to repercussions

---

from his missing past, especially his exploits overseas in the tumultuous Gold Rush days of San Francisco. And now McNab, as icy and unfathomable as the steel-gray Thames itself, appears intent on using whatever damning facts he can find to his advantage to ruin Monk's future as an officer of the law. As Monk explores the possibility of a conspiracy, McNab's game of cat and mouse escalates, with veiled threats and cryptic insinuations. Snared in an unforeseen trap, a desperate Monk must turn to his wife, Hester, and

friend and attorney Oliver Rathbone for help, as his life literally hangs in the balance. With razor-edged suspense and shocking twists and turns, *Revenge in a Cold River* is Anne Perry at her most intense—and most satisfying. Praise for *Revenge in a Cold River* “ Fascinating and addictive . . . Another strong historical mystery that is true in both culture and manners to its Victorian setting.” —New York Journal of Books “ Perry is a master storyteller whose writing encompasses rich detail and nuance. . . . [*Revenge in a Cold River*] is her best to

date.” —The Star-Ledger “ The storytelling is dazzling, as it always is in a Perry novel.” —The New York Times Book Review *Separate Beds* Penguin A wickedly dark debut thriller about three women who've all been involved with the same man and realize the one thing they have in common is that they all want revenge against him... Divorces are often messy, and Imogen's is no exception. Phillip Rochester is controlling, abusive, and determined to make things as difficult as possible. When he shows up without warning

---

demanding that Imogen move out of their house by the end of the month or he'll sue for sole custody of their young son, Imogen is ready to snap. In a moment of madness, Imogen does something unthinkable--something that puts her in control for the first time in years. She's desperate to protect her son and to claim authority over her own life. But she wasn't expecting both Phillip's ex-wife and new girlfriend to get tangled up in her plans. These three very different women--and unlikely allies--reluctantly team up to take revenge

against a man who has wronged them all. **Revenge of the Beast Entangled: Amara** There are two sides to every breakup. Lucy had no clue that her husband of sixteen years was about to bolt. Now she's dealing with shock, loneliness, and girlfriends who alternately pity her and provoke her. She also-unbelievably-is apparently competing with her own teenage daughter for a new man's attention. Trent pictured freedom, self-discovery...and maybe some sex with actual passion. So far, he's mostly watching hockey in a hotel

room and wondering what's next. Being middle-aged and married isn't easy. The jury's still out on being middle-aged and single... There are two sides to every breakup. In this witty, heartfelt novel, Robyn Harding explores them both--and takes us on a journey through the end of a marriage and the beginning of something new...which may or may not be something old too. **Revenge of the Paste Eaters Deep Vellum Publishing**

A middle-aged playwright -- in conflict with his ex-wife, his current girlfriend, and a legion of creditors -- journeys from Hollywood to Atlanta to work with his youthful idol, legendary avant-garde director Joseph Chaikin. Thus begins a roller coaster ride of a very unusual sort, combining personal revelations with theatrical obsessions, a step-by-step disclosure of a master director's rehearsal process with a search for spiritual truth

(and a decent night's sleep). Just hop aboard and get a backstage pass to the 'holding-on-by-your-fingernails' reality of the contemporary American theatre. *The Absolutely True Diary of a Part-Time Indian* Penguin  
“ Will educate and inspire budding feminists...A real and necessary read, period! ” —Kirkus Reviews  
“ Empowering. ” —Booklist  
“ A middle school feminist manifesto that fans of girl-led ensembles like Ann M. Martin 's *The Babysitter 's Club* and Ann Brashares 's

*The Sisterhood of the Traveling Pants* will love. ” —School Library Journal (starred review) A tween reporter discovers an important and beloved club at school is being shut down—and uses the power of the pen to try and activate some much-needed social change in this period-positive and empowering middle grade novel about the importance of standing up for what you believe in. Riley Dunne loves being a member of the Red Club. It ' s more than a group of girls supporting each other through Aunt Flo ' s ups and downs; it ' s a Hawking

---

Middle School tradition. The club 's secret locker has an emergency stash of supplies, and the girls are always willing to lend an ear, a shoulder, or an old pair of sweatpants. But when the school administration shuts the Red Club down because of complaints, the girls are stunned. Who would do that to them? The girls ' shock quickly turns into anger, and then they decide to get even. But wallpapering the gym with maxi pads and making tampon crafts in art class won ' t bring their club back. Only Riley can do that. Using the skills she

has cultivated as her school paper ' s top investigative reporter (okay, only investigative reporter), she digs for the truth about who shut the club down and why. All the while dealing with friendship drama, a new and ridiculous dress code, and a support group that is now more focused on fighting with each other than fighting back. Can she save the Red Club before this rebellion turns into a full-scale war?  
[Chronicles of a Midlife Crisis](#) Penguin UK  
Sara Matthews is middle-aged, broke, and facing a divorce she doesn ' t want.

She feels like she ' s lost her compass in life. What ' s more, she has many secrets that she keeps from the world at large—the molestation that marred her childhood and a mother who is now a ghost and who haunts Sara only to berate her. Now she must begin the difficult work of starting her life over. Sara travels to London to work with her business partner, Thomas Hunter, and soon she finds herself involved in a new relationship. But all too quickly, she starts making decisions that lead her down dangerous a path, one that could cost her more

---

than she has to give. Only time will tell whether she 'll be able to escape the danger. Heartbreaking yet hopeful, this novel traces the journey of a middle-aged woman who breaks free from years of abuse only to enter into another life-threatening relationship. Based on true events  
Long Way Down  
Aladdin  
In a smart, entertaining, reassuring book that reads like fiction, Alexandra Robbins manages to cross Gossip Girl with Freaks

and Geeks and explain the fascinating psychology and science behind popularity and outcasthood. She reveals that the things that set students apart in high school are the things that help them stand out later in life. Robbins follows seven real people grappling with the uncertainties of high school social life, including: The Loner, who has withdrawn from classmates since they persuaded her to

unwittingly join her own hate club The Popular Bitch, a cheerleading captain both seduced by and trapped within her clique's perceived prestige The Nerd, whose differences cause students to laugh at him and his mother to needle him for not being "normal" The New Girl, determined to stay positive as classmates harass her for her mannerisms and target her because of her race The Gamer, an

---

underachiever in danger of not graduating, despite his intellect and his yearning to connect with other students The Weird Girl, who battles discrimination and gossipy politics in school but leads a joyous life outside of it The Band Geek, who is alternately branded too serious and too emo, yet annually runs for class president In the middle of the year, Robbins surprises her subjects with a secret challenge--experiments that force them to change how classmates see them. Robbins intertwines these narratives--often triumphant, occasionally heartbreaking, and always captivating--with essays exploring subjects like the secrets of popularity, being excluded doesn't mean there's anything wrong with you, why outsiders succeed, how schools make the social scene worse--and how to fix it. The Geeks Shall Inherit the Earth is not just essential reading for students, teachers, parents, and anyone who deals with teenagers, but for all of us, because at some point in our lives we've all been on the outside looking in. "Alderman's writing is beautiful, and her intelligence seems almost limitless. She also has a pitch-dark sense of humor that she wields perfectly."  
--Michael Schaub, NPR  
In THE POWER, the world is a recognizable place:

there's a rich Nigerian boy who lounges around the family pool; a foster kid whose religious parents hide their true nature; an ambitious American politician; a tough London girl from a tricky family. But then a vital new force takes root and flourishes, causing their lives to converge with devastating effect. Teenage girls now have immense physical power--they can cause agonizing pain and even death. And, with this small twist of nature, the world drastically resets.

---

From award-winning author Naomi Alderman, *THE POWER* is speculative fiction at its most ambitious and provocative, at once taking us on a thrilling journey to an alternate reality, and exposing our own world in bold and surprising ways.

The *Revenge of the Middle-Aged Woman* What could be sweeter than *Revenge*? The sequel. American readers fell in love with Elizabeth Buchan's *Revenge of the Middle-Aged Woman*.

Now, with the delicious sequel to that beloved New York Times bestseller, Elizabeth Buchan answers the intriguing question: What happens when the mistress becomes the wife? Minty Lloyd has what she always wanted, her prized Nathan and twin boys, but she is haunted by the glamorous new life of her predecessor, Rose. Then an unforeseen event forces the rivals to renegotiate their relationship. With

Buchan's signature talents, *Wives Behaving Badly* is a delightful novel that reaffirms its author as our wisest and warmest revealer of women's intimate lives. *Revenge of the Star Survivors* Ballantine Books From the author of *Truly, Madly, Deadly*, *The Escape*, and *Twisted*, comes another edge of your seat thriller sure to keep you guessing until the last page. After a

---

bad breakup, Tony's ex-girlfriend Hope embarrasses him in front of the whole school and spreads vicious rumors. Tony is devastated and in a moment of revenge, he makes the location on her phone public. But a week later, when Hope calls Tony and begs him to stop the prank, he hears a shriek and a car door slamming. Then the call is dropped. Too late, Tony realizes that he may have put Hope's

life in danger. Can he trace Hope's movements and save her before time runs out?

Revenge Penguin  
"It's not just Murakami but also the shadow of Borges that hovers over this mesmerizing book... [and] one may detect a slight bow to the American macabre of E.A. Poe. Ogawa stands on the shoulders of giants, as another saying goes. But this collection may linger in your mind -- it does in mine -- as a

delicious, perplexing, absorbing and somehow singular experience." -- Alan Cheuse, NPR  
Sinister forces collide---and unite a host of desperate characters---in this eerie cycle of interwoven tales from Yoko Ogawa, the critically acclaimed author of *The Housekeeper* and *The Professor*. An aspiring writer moves into a new apartment and discovers that her landlady has murdered her husband. Elsewhere, an accomplished surgeon is

---

approached by a cabaret singer, whose beautiful appearance belies the grotesque condition of her heart. And while the surgeon's jealous lover vows to kill him, a violent envy also stirs in the soul of a lonely craftsman. Desire meets with impulse and erupts, attracting the attention of the surgeon's neighbor---who is drawn to a decaying residence that is now home to instruments of human torture. Murderers and mourners, mothers and

children, lovers and innocent bystanders---their fates converge in an ominous and darkly beautiful web. Yoko Ogawa's *Revenge* is a master class in the macabre that will haunt you to the last page. An NPR Best Book of 2013
