THE ALPHA'S TOY To spare an innocent she has to become his plaything. When Zeke attacks her pack, Mary, a half-breed wolf, wants to save a young wolf, but to do so, she has to accept his bargain. She must be his toy until the next full moon. Mary despises the alpha she must now give her body to, but she can't deny the response he inspires within her. Exploring the deceased pack's lair Zeke stumbles onto something that could destroy all breeds of wolf. The leaders of Mary's pack had been experimenting on wolves. The reasons why are still unknown, but Zeke will do everything in his power to find out the truth, especially when he discovers Mary was one of their experiments. Even before the end of the month Mary becomes all he can think about, and he's determined to keep his toy safe. Then a twist of fate lets him know she's more than a toy. Mary is his mate. Can he overcome her fear of him and convince her to stay when her month is up? ALPHA BAIT There is a law that binds an Alpha to his wolf and stops him from hurting others of his pack. If an Alpha lashes out with the intention to harm, then his wolf will stop it, forcing on the transition...but one wolf has found the loophole. Chain is determined to inflict harm. He sends out the one woman he wants but cannot have, Victoria. She will be his Alpha Bait, luring another Alpha to his death, thus freeing Chain from the control of his wolf. For most of her adult life Victoria has been at the mercy of Chain. He scares her more than anything else. Doing as she's told, Victoria sets the

trap in order to gain Scorch's attention. Scorch is a good leader and strong Alpha. He will not hurt anyone. When a beautiful red-head ends up in his care, he cannot turn away from the attraction she inspires. Their wolves are mates, and they're destined to be together. However, what will Scorch do when he realizes Victoria is with him to lure him to his death? Can she really send the man she loves to his grave? Being Alpha Bait was never her choice, but who really holds her loyalty, Chain or Scorch?

The first scene is in the country, in Virginia; the time, 1880. There has been a wedding, between a handsome young man of slender means and a rich young girl—a case of love at first sight and a precipitate marriage; a marriage bitterly opposed by the girl's widowed father. Jacob Fuller, the bridegroom, is twenty-six years old, is of an old but unconsidered family which had by compulsion emigrated from Sedgemoor, and for King James's purse's profit, so everybody -some maliciously- the rest merely because they believed it. The bride is nineteen and beautiful. She is intense, high-strung, romantic, immeasurably proud of her Cavalier blood, and passionate in her love for her young husband. For its sake she braved her father's displeasure, endured his reproaches, listened with loyalty unshaken to his warning predictions, and went from his house without his blessing, proud and happy in the proofs she was thus giving of the quality of the affection which had made its home in her heart.

Winner of the Pulitzer Prize and the National Book Award, this #1 New York Times bestseller chronicles a young slave's adventures as she makes a desperate bid for freedom in the antebellum South. The basis for the acclaimed original Amazon Prime Video series directed by Barry Jenkins. Cora is a slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood—where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to

join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape the horrors of bondage—and a powerful meditation on the history we all share. Look for Colson Whitehead's bestselling new novel, Harlem Shuffle!

The poignant odyssey of a tenacious young girl who braves the dangers of the Texas frontier to avenge her mother's death. Early one morning in the remote hill country of Texas, a panther savagely attacks a family of homesteaders, mauling a young girl named Samantha and killing her mother, whose final act is to save her daughter's life. Samantha and her half brother, Benjamin, survive, but she is left traumatized, her face horribly scarred. Narrated in Benjamin's beguilingly plainspoken voice, *The Which Way Tree* is the story of Samantha's unshakeable resolve to stalk and kill the infamous panther, rumored across the Rio Grande to be a demon, and avenge her mother's death. In their quest she and Benjamin, now orphaned, enlist a charismatic Tejano outlaw and a haunted, compassionate preacher with an aging but relentless tracking dog. As the members of this unlikely posse hunt the panther, they are in turn pursued by a hapless but sadistic Confederate soldier with

troubled family ties to the preacher and a score to settle. In the tradition of the great pursuit narratives, *The Which Way Tree* is a breathtaking saga of one steadfast girl's revenge against an implacable and unknowable beast. Yet with the comedic undertones of Benjamin's storytelling, it is also a timeless tale full of warmth and humor, and a testament to the enduring love that carries a sister and brother through a perilous adventure with all the dimensions of a legend. "A ripping adventure [with] a show-stopping finale." -Wall Street Journal "The stuff of legends." -Attica Locke "Powerful, sly, and often charming." -Daniel Woodrell

No one messes with The Skulls and gets away with it! The last thing Angel Marston ever wanted was to be at the mercy of The Skulls. They're the local bikers and the club that helps keep the town safe, but they have their own kind of rules. They party hard and do whatever the hell they want. But her father's debts to the club mean Angel has no choice. Lash loves his club, but he wants a woman who hasn't slept with all the crew. Angel is just what he's looking for. She's sweet, young ... and a virgin. He wants her more than anything and has already staked his claim on her. When Lash touches her, Angel can't help but melt. He sets fires inside her body with his wandering hands and sinful lips. She can't say no, and she wants him desperately. But when all seems to be going so well for Angel and Lash, their pasts catch up to them. The Skulls have enemies who want the town and their women. Lash must decide who to put first, the club or his woman. Is Angel strong enough to stand by his side when the going gets tough? And what will happen when tragedy and pain both hit at once?

The Revenger's Tragedy is one of the most vital, important, and enduring tragedies of the Jacobean era, one of the few non-Shakespearean plays of that period that is still regularly revived on stage and taught in classrooms. The play is notable for its piercing insight into human depravity, its savage humour, and its florid theatricality. This collection of new essays offers students an invaluable overview of the play's critical and performance history as well as four critical essays offering a range of new perspectives.

Lamb to the Slaughter is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale. In

Lamb to the Slaughter, Roald Dahl, one of the world's favourite authors, tells a twisted story about the darker side of human nature. Here, a wife serves up a dish that utterly baffles the police . . . Lamb to the Slaughter is taken from the short story collection Someone Like You, which includes seventeen other devious and shocking stories, featuring the two men who make an unusual and chilling wager over the provenance of a bottle of wine; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer ) This story is also available as a Penguin digital audio download read by Juliet Stevenson. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

Snake's used to getting what he wants. Women fall all over him so much that he doesn't have to make any effort to get them into bed. The nurse Jessica is the first woman to make him work for every second spent with her. When Chaos Bleeds club princess Judi's pregnancy suffers complications, it gives the opportunity for Snake to get to know Jessica, and he's willing to do anything for that chance. Jessica has always steered clear of men like Snake. They're only after one thing, and no matter how much she wants to, she's not going to give in. But witnessing Snake's pain for Judi, Jessica sees a whole new side to him, one that she can't deny. One kiss is all it takes, and they've both fallen. Snake's addicted to her. It doesn't matter how many times he's with Jessica-he can't give her up. However, their happiness is about to come crashing down around them when the Master returns to Piston County. He's taken Lydia, Jessica's friend, and now he wants her, too. Master always needs fresh women to play with, and Chaos Bleeds are going to pay for killing Gonzalez, his supplier. Can Snake save Jessica in time? What will happen when she becomes another toy for the enemy? Nothing is ever simple for Chaos Bleeds.

### Revenge of the Sea Simon and Schuster

Every story has a beginning, a middle and an end. Every man and woman that lives on earth makes their mark on it while they're here. But some people leave an indentation...and Doc Marshall and his old lady Dallas were two of those people. Doc Marshall's beginnings were not humble. He was born with advantages that other people only wished for. But Doc didn't want the "things" that his father, a surgeon, worked so hard to give him. What Doc wanted was for his father to notice him. He wanted his father to realize that he was different, special even. By the time Doc was a teenager however, he'd given up on that...and he had realized that Landon Marshall's ambivalence toward him had actually been a blessing, because it left him determined to leave his own mark, his own legacy...people would remember his name someday, and not because he was Landon Marshall's son. Doc joined the army before he was old enough to vote. He saw unspeakable things in the jungles of Vietnam, and he used what he saw, and what he learned to prepare himself for what he wanted. Doc came back from the jungle with his sights set on becoming the president of a powerful MC...the Southside Skulls. He used his intelligence, his grit, and his focus, to make that happen quickly. By the time he was twenty-five...everyone knew his name. He was sitting on top of the world and it was his for the taking...then in walked Dallas Paxton, just to shake things up. Dallas grew up in the times of free-living and free-love. She was a hippie in almost every sense of the word. She loved hard and passionately, without holding back.

---

Something about the MC president with the incredible blue eyes, crawled under her skin and burrowed in deep...and before their story was over, Dallas wouldn't be the same carefree, earth-loving, peace and love girl that she was before. Doc Marshall didn't make a lot of mistakes, but usually when he did, they were monumental. People might even whisper about them behind his back...but there was only one person on earth who had the balls to say it to his face, and that was Dallas. They loved passionately, they fought passionately, they lived passionately. They built an empire together, one they would leave for their son, Dax. This is their story. The beginning and the middle. The question that begs to be answered is...who will remain standing in the end? Join Doc, Dallas, the early Southside Skulls and their offspring for a wild, tumultuous, passionate ride that will leave you breathless...and aching for more. \* \*
