Liberty: Don Troiani's Paintings of

the Revolutionary War, catalog for the exhibit of Troiani's work at the Museum of the American Revolution, highlights pivotal events of America's fight for independence. For the first time in a museum, this special exhibition brings together Troiani's original Revolutionary War paintings and pairs them with artifacts from the Museum and private collections.

The Revolutionary War

---

Gallopade International  
The American Crisis is a collection of articles by Thomas Paine, originally published from December 1776 to December 1783, that focus on rallying Americans during the worst years of the Revolutionary War. Paine used his deistic beliefs to galvanize the revolutionaries, for example by claiming that the British are trying to assume the powers of God and that God would support the American colonists. These articles were so influential that others began to adopt some of their more stirring phrases, catapulting them into the cultural consciousness; for example, the opening line of the first Crisis, which reads “These are

the times that try men’s souls.” This book is part of the Standard Ebooks project, which produces free public domain ebooks.

If You Lived At The Time Of The American Revolution Random House Books for Young Readers

Designed specifically for easy use, Exploring Ecology combines content with activities, all in one place, and organized into four clear sections.

Although the book is targeted to teachers of science in grades 4 – 8, many activities have been adapted for students ranging from first grade to high school.

#### Teacher Created Resources

In *Flirting with Pete*, bestselling author Barbara Delinsky weaves together two fascinating narratives that merge in a dramatic, highly emotional, and totally unexpected conclusion, as a daughter's struggle to win the approval of the father she never knew becomes a journey of self-discovery.

Psychologist Casey Ellis never met her father—but that didn't stop her from following in his professional footsteps. Now he has died, and Casey is shocked to have inherited his elegant Boston town house, complete with a maid and a handsome,

enigmatic gardener.

When she finds a manuscript that could be a novel, a journal, or a case study of one of her father's patients in her new home, she becomes engrossed in the story of Jenny, a young woman trying to escape her troubled life.

Convinced the story is true and that her father left it as a message for her, Casey digs deeper. As she pieces together the mysteries surrounding her father, Jenny, and the romantic new stranger in her life, she discovers startling links between past and present, and unexpected ties between what is real and what is imagined.

This book, from the

Center for Gifted Education at William & Mary, provides gifted and advanced learners challenging activities to master and engage with the Common Core State Standards for English Language Arts through four mini units. Each mini unit is packed with activities that enrich and extend grade-level ELA content for grade 5. Included texts have messages and characters that are developmentally suitable for students. Through higher order reasoning questions, resulting discussions, and student-created products associated with these texts, gifted and advanced students' needs are met while still maintaining messages and characters to which students can relate. Students will

---

be exposed to themes such as the hero's journey, success from failure, journey as a symbol for change, and conflict. Each theme was chosen with advanced fifth-grade students in mind and their emerging need to learn more about themselves, their world, and how to work through adversity to accomplish their goals. Grade 5 Teacher Created Resources National bestseller 2017 National Book Critics Circle (NBCC) Finalist ABA Indies Introduce Winter / Spring 2017 Selection Barnes & Noble Discover Great New Writers Spring 2017 Selection ALA 2018 Notable Books Selection An intimate and poignant graphic novel portraying one family's journey from

war-torn Vietnam, from debut author Thi Bui. This beautifully illustrated and emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent—the endless sacrifices, the unnoticed gestures,

---

and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prize-winning novelist Viet Thanh Nguyen calls "a book to break your heart and heal it," *The Best We Could Do* brings to life Thi Bui's journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.

Wisconsin Pres  
Hundreds of American  
soldiers were already  
dead. Battlefields in  
Massachusetts and New  
York were soaked in  
the blood of American  
patriots. And 11-year-  
old Nathaniel Knox was  
in the midst of it  
all, trapped in a  
swamp and fighting for  
his life. The air was  
thick with smoke and  
gunpowder. Bleeding  
soldiers screamed in  
agony. Through the  
trees, Nate saw the  
line of British  
redcoat soldiers - at  
least 100 men. Their  
blood-colored uniforms  
seemed to glow in the  
smoky haze. Gunfire  
blasted all around  
him. Nate knelt behind  
a rock, gripping his  
gun with shaking  
hands. The American  
Revolution had started  
as a glorious struggle  
for freedom. America  
was determined to tear  
itself away from  
England, out of the  
grips of King George  
III. The thirteen  
American colonies  
would become a brand  
new country: The  
United States of  
America! But King  
George was like a  
snake with America  
gripped in his fangs -  
and he didn't want to  
let go. So now it was  
war - brutal, bloody  
war.
