More than Rhubarb: Craig Silvey profile Two years into writing his second novel, West Australian writer Craig Silvey thought he'd blown it. Instead of quickly following up his first book, Rhubarb, with a new offering, he found himself caught up in his own notes and losing sight of his characters.

*RHUBARB by Craig Silvey, Book Review: Strikingly original*

Rhubarb is a lot more than a love story. It's written in the 3rd person. Normally I don't like this tense in writing but Craig Silvey makes it work. We get to know and love the 2 main and appreciate the supporting characters. Humor is sprinkled liberally through out but it's not a comedic novel. All the characters are vivid and well developed.
