The Axe An Inquiry to the Citizenry of this World If all men and women are created equal and born to be free, why then are most men and women locked inside a socioeconomic dungeon of inequality? Succumbed to bondage, they live lives of quiet desperation — equality and freedom only a distant thought! Can these liberties be freed? Can these liberties be secured? The axe placed on the root of these liberties must be removed! The time has come! Together, this undeniable conviction must be the force behind the swift removal. Personal Socio-Economic Reality liberation for the ordinary citizenry, must become the business of the ordinary citizenry. This is a call to Action! A call to LEARN, LIVE, and LEAD!

Survival of the Fittest

"Carradori's book of instructions is vital to understanding the art and craft of sculpting as they were practiced before the twentieth century, since little substantial material exists that demonstrates, in an informed, didactic manner, the various tools and techniques used by ancient sculptors. Carradori's work is the most comprehensive and instructive; it includes thirteen articles that explain how to restore marble sculpture, model clay, work with stucco and wax, cast and finish bronze, and how to carve and enlarge models into marble and stone, as well as seventeen tables that illustrate the arrangement, methods, and tools used in each of these processes. The book also includes the
