The Kaiju Preservation Society is John Scalzi's first standalone adventure since the conclusion of his New York Times bestselling Interdependency trilogy. When COVID-19 sweeps through New York City, Jamie Gray is stuck as a dead-end driver for food delivery apps. That is, until Jamie makes a delivery to an old acquaintance, Tom, who works at what he calls "an animal rights organization." Tom's team needs a last-minute grunt to handle things on their next field visit. Jamie, eager to do anything, immediately signs on. What Tom doesn't tell Jamie is that the animals his team cares for are not here on Earth. Not our Earth, at least. In an alternate dimension, massive dinosaur-like creatures named Kaiju roam a warm, human-free world. They're the universe's largest and most dangerous panda and they're in trouble. It's not just the Kaiju Preservation Society who have found their way to the alternate world. Others have, too. And their carelessness could cause millions back on our Earth to die. Chicago wizard Harry Dresden gets a taste of the dead life in this novel in the #1 New York Times bestselling series. In his life, Harry's been shot, stabbed, sliced, beaten, burned, crushed, and tortured. And after someone puts a bullet through his chest and leaves him to die in the waters of Lake Michigan, things really start going downhill. Trapped between life and death, he learns that his friends are in serious trouble. Only by finding his murderer can he save his friends and move on—a feat which would be a lot easier if he had a body and access to his powers. Worse still are the malevolent shadows that roam Chicago, controlled by a dark entity that wants Harry to suffer even in death. Now, the late Harry Dresden will have to pull off the ultimate trick without using any magic—or face an eternity as just another lost soul...

Five original tales set in a shared urban future—from some of the hottest young writers in modern SF More than an anthology, Metatropolis is the brainchild of five of science fiction's hottest writers—Elizabeth Bear, Tobias Buckell, Jay Lake, Karl Schroeder, and project editor John Scalzi—who combined their

talents to build a new urban future, and then wrote their own stories in this collectively-constructed world. The results are individual glimpses of a shared vision, and a reading experience unlike any you've had before. A strange man comes to an even stranger encampment...a bouncer becomes the linchpin of an unexpected urban movement...a courier on the run has to decide who to trust in a dangerous city...a slacker in a "zero-footprint" town gets a most unusual new job...and a weapons investigator uses his skills to discover a metropolis hidden right in front of his eyes. Welcome to the future of cities. Welcome to Metatropolis. Lock In Tor Books

A dark, glittering debut novel echoing Hitchcock's Vertigo, The Body Double is the suspenseful story of a young woman who is recruited by a stranger to give

up her old life and identity to impersonate a reclusive Hollywood star. A strange man discovers our nameless narrator selling popcorn at a decrepit small-town movie theater and offers her an odd and lucrative position: she will forget her job, her acquaintances, even her name, and move to Los Angeles, where she will become the body double of the famous and troubled celebrity Rosanna Feld. A nervous breakdown has forced Rosanna out of the public eye, and she needs a look-alike to take her place in the tabloid media circus of Hollywood.

Overseen by Max, who hired her for the job, our narrator spends her days locked up in a small apartment in the hills watching hidden camera footage of Rosanna, wearing Rosanna's clothes, eating the food Rosanna likes, practicing her mannerisms, learning to become Rosanna in every way. But as she makes her public debut as Rosanna, alarming questions begin to arise. What really caused Rosanna's mental collapse? Will she ever return? And is Max truly her ally, or something more sinister?

In the time before the Confessors, when the world is a dark and dangerous place, where treason and treachery are the rule of the day, comes one heroic woman--Magda Searus--who has just lost her husband and her way in life. You're Not Fooling Anyone When You Take Your Laptop to a Coffee Shop Tor Books Following the events of The Last Colony, John Scalzi tells the story of the fight to maintain the unity of the human race. The people of Earth now know that the human Colonial Union has kept them ignorant of the dangerous universe around them. For generations the CU had defended humanity against hostile aliens, deliberately keeping Earth an ignorant backwater and a source of military recruits. Now the CU's secrets are known to all. Other alien races have come on the scene and formed a new alliance—an alliance against the Colonial Union. And they've invited the people of Earth to join them. For a shaken and betrayed Earth, the choice isn't obvious or easy. Against such possibilities, managing the survival of the Colonial Union won't be easy, either. It will take diplomatic finesse, political cunning...and a brilliant "B Team," centered on the resourceful Lieutenant Harry Wilson, that can be deployed to deal with the unpredictable and unexpected things the universe throws at you when you're struggling to preserve the unity of the human race. Being published online from January to April 2013 as a three-month digital serial, The Human Division will appear as a full-length novel of the Old Man's War universe, plus—for the first time in print—the first tale of Lieutenant Harry Wilson, and a coda that wasn't part of the digital serialization. How do you tell your part in the biggest tale in history? I ask because it's what I have to do. I'm Zoe Boutin Perry: A colonist stranded on a deadly pioneer world. Holy icon to a race of aliens. A player (and a pawn) in an interstellar chess match to save humanity, or to see it fall. Witness to history. Friend. Daughter. Human. Seventeen years old. Everyone on Earth knows the tale I am part of. But you don't know my tale: How I did what I did — how I did what I had to do — not just to stay alive but to keep you alive, too. All of you. I'm going to tell it to you now, the only way I know how: not straight but true, the whole thing, to try make you feel what I felt: the joy and terror and uncertainty, panic and wonder, despair and hope. Everything that happened, bringing us to Earth, and Earth out of its captivity. All through my eyes. It's a story you know. But you don't know it all. "As much as Scalzi has the scientific creativity of a Michael Crichton, he also has the procedural chops of a Stephen J. Canell to craft a whodunit with buddy-cop charm and suspects aplenty—most of them in someone else's body." —USA Today John Scalzi returns with Head On, the standalone follow-up to the New York Times bestselling and critically acclaimed Lock In. Chilling near-future SF with the thrills of a gritty cop procedural, Head On brings Scalzi's trademark snappy dialogue and technological speculation to the future world of sports. Hilketa is a frenetic and violent pastime where players attack each other with swords and hammers. The main goal of the game: obtain your opponent 's head and carry it through the goalposts. With flesh and bone bodies, a sport like this would be impossible. But all the players are " threeps, " robot-like bodies controlled by people with Haden 's Syndrome, so anything goes. No one gets hurt, but the brutality is real and the crowds love it. Until a star athlete drops dead on the playing field. Is it an accident or murder? FBI Agents and Haden-

related crime investigators, Chris Shane and Leslie Vann, are called in to uncover the truth—and in doing so travel to the darker side of the fast-growing sport of Hilketa, where fortunes are made or lost, and where players and owners do whatever it takes to win, on and off the field. \*2018 LOCUS AWARD WINNER OF BEST SCIENCE FICTION NOVEL\* \*2018 HUGO AWARD FINALIST FOR BEST NOVEL\* " John Scalzi is the most entertaining, accessible writer working in SF today. " —Joe Hill, author of The Fireman The first novel of a new space-opera sequence set in an all-new universe by the Hugo Award-winning, New York Times-bestselling author of Redshirts and Old Man's War Our universe is ruled by physics. Faster than light travel is impossible—until the discovery of The Flow, an extradimensional field available at certain points in space-time, which can take us to other planets around other stars. Riding The Flow, humanity spreads to innumerable other worlds. Earth is forgotten. A new empire arises, the Interdependency, based on the doctrine that no one human outpost can survive without the others. It 's a hedge against interstellar war—and, for the empire 's rulers, a system of control. The Flow is eternal—but it 's not static. Just as a river changes course, The Flow changes as well. In rare cases, entire worlds have been cut off from the rest of humanity. When it 's discovered that the entire Flow is moving, possibly separating all human worlds from one another forever, three individuals—a scientist, a starship captain, and the emperox of the Interdependency—must race against time to discover what, if anything, can be salvaged from an interstellar empire
