Riptide, Oregon, 1983. A sleepy coastal town, where crime usually consists of underage drinking down at a Wolf Point bonfire. But then strange things start happening a human skeleton is unearthed in a local park and mutilated animals begin appearing, seemingly sacrificed, on the town's beaches. The Mercy of the Tide follows four people drawn irrevocably together by a recent tragedy as they do their best to reclaim their lives leading them all to a discovery that will change them and their town forever. At the heart of the story are Sam Finster, a senior in high school mourning the death of his mother, and his sister Trina, a nine-year-old deaf girl who denies her grief by dreaming of a nuclear apocalypse as Cold War tensions rise. Meanwhile, Sheriff Dave Dobbs and Deputy Nick Hayslip must try to put their own sorrows aside to figure out who, or what, is wreaking havoc on their once-idyllic town. Keith Rosson paints outside the typical genre lines with his brilliant debut novel. It is a gorgeously written book that merges the sly wonder of magical realism and alternate history with the depth and characterization of literary fiction. This book will appeal to fans of genre-bending authors such as Dean Koontz, Karen Russell, Kelly Link, and Kevin Barry. "

With his Inspector Troy series, John Lawton has been compared to top historical espionage writers such as John le Carre and Len Deighton. Brilliantly re-creating London in the time of ration tickets and bread lines, Bluffing Mr. Churchill is a blistering page-turner. It is 1941. Wolfgang Stahl, an American spy operating undercover as an SS officer, has just fled Germany with Hitler's henchmen on his trail. Stahl's man in the American embassy, the shy and sheltered Calvin M. Cormack, is teamed with a boisterous MI5 officer, Walter Stilton, to find the spy and bring him to safety. Their investigation takes them across war-torn London, and in Cormack's case, into the arms of Kitty, his partner's rambunctious daughter. As Cormack and Stilton close in on Stahl, bodies begin turning up — and the duo realize they may not be the only ones in pursuit of the spy. When his partner is suddenly murdered, Cormack must turn to the ingenious devices of his lover Kitty's old flame — Sergeant Troy of Scotland Yard. Together, they investigate the trail of murders and come to a horrifying realization — are Cormack and his spy being played by one of their own in the American embassy?
