[The Turn of the Screw](#) Stanford University Press

NATIONAL BESTSELLER • An audacious, darkly glittering novel set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Now an original series on HBO Max. Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of *King Lear*. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's new novel, *Sea of Tranquility*, coming soon!

[Wanting More](#) (a Mitchell Family Series Book 5) Penguin

Piper Mitchell April 25th was the day I was born. It was also the day I died. Blood was still rushing through my veins. Oxygen was still saturating my cells. But for all intents and purposes, I ceased to be among the living. Going back to New York for my sister's wedding was a mistake, but I made her a promise. It would be a quick trip. Show up, say the right words, then I'd be gone. This time for good. I didn't think anyone could understand what was taken from me that fateful day. Not until I met him. Mason Lawrence threw a football in front of eighty thousand people. Mingling with the rich and famous was just another part of my job. Nothing made me nervous. Not until she walked off that plane and into my life. She was broken. Shattered by some event she kept hidden under lock and key. The clues on her body failed to reveal her secrets—unlike the clues on my body that clearly publicized mine. The clock was ticking, giving me only a few short months to uncover the true meaning of the flower branded into her flesh. Because if she got back on that plane, I knew it would be forever.

[Flip My Life](#) Jennifer Foor

The visionary author's masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

Seventeen-year-old Fate Floyd loves adventure -- as long as it's enjoyed from the comfort of her couch. So it's probably best she has no idea the future of the universe rests squarely on her shoulders. Summoned by a desperate stranger's spell in a last ditch effort to fix a colossal screw-up, Fate's cast into a secret world bound by the ancient Book of Fables to retrieve a magical object powerful enough to set everything right. The only problem is, once she's inside this savage wonderland, her only way out is to change the endings of the book's eight dark fables into their mirror opposites. Fortunately, she doesn't have to run this gauntlet alone because she meets the mysteriously familiar Finn, who's as inexplicably drawn to her as she is to him. As they endure horrors beyond imagining, Fate awakens to powers she never knew she possessed and Finn questions his very existence, while an insidious darkness changes him in frightening ways. Ultimately, Fate must confront the faceless evil concealing itself behind the eyes of her one true love or remain trapped within the Book of Fables forever.

[The Hidden Epidemic](#) BBSG Publishing

Perhaps no period has so marked, so deformed, or so defined the anarchist movement as the three years in France from 1892 to 1894, the years known as the Age of Attentats, the years dominated by the Propagandists of the Deed. *Death to Bourgeois Society* tells the story of four young anarchists who were guillotined in France in the 1890s. Their courage was motivated by noble ideals whose realization they saw their bombs and

assassinations as hastening. In a time of cynicism and political decay for many, they represented a purity lacking in society, and their actions when they were captured, their forthrightness, their defiance up to the guillotine only added to their luster. The texts collected in *Death to Bourgeois Society* focus on the main avatars of this movement: the grave robber/murderer/terrorist Ravachol; Auguste Vaillant, who bombed the Chamber of Deputies; Emile Henry, who attacked both the bourgeois in their class function and their very existence; and the Italian immigrant Santo Caserio, who brought down the curtain on the age when he assassinated the French president Sadi Carnot. The volume contains key first person narratives of the events, from Ravachol's forbidden speech and his account of his life, to Henry's questioning at his trial and his programmatic letter to the director of the prison in which he was held, to Vaillant's confrontation with the investigators immediately after tossing his bomb, and Caserio's description of the assassination and his defense at his trial.

When *Altruism Isn't Enough* explores the key ethical, theoretical, and practical concerns of a government-regulated donor compensation program.

[Qualitative Research from Start to Finish, First Edition](#) Guilford Press

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

[Love Unscripted](#) Vintage

The *Elegies of Duino* are among the most beautiful and deepest poems that literature could have left us. They are a passage between the invisible and the visible world. An exploration through the gorges where the terrible nests. A meditation on the diaphanous and hidden earth of the dead. A revelation about the ephemeral and the indestructible of life. A celebration of the earth and all the things that inhabit it. A dialogue between man and angel. One of the highest steps we have reached to reach our complete humanity. "A storm without a name, a hurricane of the spirit," was how Rilke defined them. The *Elegies* are one of the most translated poems in our language, but never by a writer whose importance is comparable to that of Juan Rulfo. It is not a translation, but a recreation, a rewriting, a new work in itself. This book will make us read in a very different way, forever, both the work of Rulfo and Rilke, two of the greatest poets of our time.

[The Psychic Life of Power](#) Simon and Schuster

Judith Butler's new book considers the way in which psychic life is generated by the social operation of power, and how that social operation of power is concealed and fortified by the psyche that it produces. It combines social theory, philosophy, and psychoanalysis in novel ways, and offers a more sustained analysis of the theory of subject formation implicit in her previous books.

[Raging Love](#) Penguin

Noah Mitchell has grown up knowing that he was going to one day take over the family ranch. He's worked along side of his father, Colt, since he was a young child. Now an adult, who has always been raised that family is the most important thing in life, he starts to question if running the family business is what he really wants to do. After a heated argument with his parents, Noah leaves town to clear his head. That's where he meets the beautiful Shalan, a singer, who longs for a life in the city. Sparks fly and soon Noah finds himself in a hard situation. When the time comes to return home, will Noah go back to his life on the farm, or will love lead him away?

We'd been married seven years, and for the most part, I thought we were happy. Little did I know my other half wasn't. He'd been screwing around on me for the past six months. Now, on the verge of divorce, I've found myself in a conundrum. He's half my age, with a body that won't quit. I keep telling myself it's payback, but who am I kidding? Instead of getting even, I've now made things

irreparable. I have a choice to make, and it's going to be a lot harder than I imagined. Contains come adult content. This book is a stand-alone read.

When Altruism Isn't Enough Algonquin Books

When Hollywood heartthrob Ryan Christensen unexpectedly comes into her life, Taryn Mitchell finds herself falling hard, but wonders if their newfound relationship is strong enough to withstand the tabloids, the paparazzi, and jealous fans.

A Hope and a Chance Simon and Schuster

Book five in the Mitchell series is finally Conner's story. Please read this series in order, due to the fact that it is a continued story. He may not have the last name Mitchell, but he is a big part of the family. When Conner moved to NC to help out the family with a new business venture, he never saw himself becoming interested in his sister's boss, Amy. Their first meeting was not ideal and both were left with little interest in even becoming friends. After Conner learns about Amy's secret life, by accident, he becomes the only person to help her through it. Every time they get near each other their love/hate relationship fuels for a heated encounter. This book contains explicit language and sexual content.

Ethnicity and Family Therapy Penguin

This is the story of Clarence H. Snyder and How A.A. came to Cleveland Ohio. Clarence started the 3rd A.A. group in the world. His sponsor Dr. Bob S.. a Co-Founder of Alcoholics Anonymous along with Bill W. Clarence started and initiated many practices that are used today. (he wrote a pamphlet on Sponsorship and initiated beginners classes. His Cleveland Central Bulletin predates The A.A. Grapevine) Clarence asked his sponsee Mitchell K. to write the factual history of A.A. in Cleveland so that the ordinary man could read and understand it.

Honor Jennifer\Foor

The United States has the dubious distinction of leading the industrialized world in overall rates of sexually transmitted diseases (STDs), with 12 million new cases annually. About 3 million teenagers contract an STD each year, and many will have long-term health problems as a result. Women and adolescents are particularly vulnerable to these diseases and their health consequences. In addition, STDs increase the risk of HIV transmission. The Hidden Epidemic examines the scope of sexually transmitted infections in the United States and provides a critical assessment of the nation's response to this public health crisis. The book identifies the components of an effective national STD prevention and control strategy and provides direction for an appropriate response to the epidemic. Recommendations for improving public awareness and education, reaching women and adolescents, integrating public health programs, training health care professionals, modifying messages from the mass media, and supporting future research are included. The book documents the epidemiological dimensions and the economic and social costs of STDs, describing them as "a secret epidemic" with tremendous consequences. The committee frankly discusses the confusing and often hypocritical nature of how Americans deal with issues regarding sexuality--the conflicting messages conveyed in the mass media, the reluctance to promote condom use, the controversy over sex education for teenagers, and the issue of personal blame. The Hidden Epidemic identifies key elements of effective, culturally appropriate programs to promote healthy behavior by adolescents and adults. It examines the problem of fragmentation in STD services and provides examples of communities that have formed partnerships between stakeholders to develop integrated approaches. The committee's recommendations provide a practical foundation on which to build an integrated national program to help young people and adults develop habits of healthy sexuality. The Hidden Epidemic was written for both health care professionals and people without a medical background and will be indispensable to anyone concerned about preventing and controlling STDs.

How It Worked Cambridge University Press

Hope's whole world is turned upside down when she's forced to live with her estranged father, who she hasn't seen in years. To make matters worse, she's warned to stay away from the handsome young man living out back in the pool house. Chance is running from his past; a past that would cause any father to judge. When sparks fly between him and Hope, they begin sneaking around to be together. When their secret is discovered, Chance is sent away and Hope is left with a broken heart. What happens when absence makes the heart grow fonder? Find out in this hot romance brought to you from the Best Selling Author of The Mitchell Family Series

Death to Bourgeois Society Pickle Partners Publishing

Six years is a long time. People change. Life goes on. For Elias Hargrove it's been a time of reflection and growing up. He'd like to think he's not the same person that walked away from everything, leaving the people closest to him without an explanation. Nonetheless, some reactions are impossible to predict. Clarke Mayville hasn't had an easy life. Raised by her elderly grandparents, she fell in love and got pregnant while still in high school. As much as she yearned to get out of town and be something more, life continued to interfere, leaving her desperate, a single mother, and broken inside. Finally engaged to a man who could give her everything she needs, a ghost from her past comes walking through the door. Seeing Elias again isn't easy. He wasn't just the guy who broke her heart. He was the beginning of the end. Everything she's had to fight to keep in her life is a direct result of being involved with him. As much as Clarke wants to move on, she knows he's not leaving until he gets what he wants, and her only fear is that she'll actually allow it to happen. Flip my Life is a Standalone Romance.
