Rituals is concerned with the problem of time as both a linear and a cyclical movement. On the surface, Rituals is the story of Inni Wintrop, amateur-art dealer and observer of life, the alter ego of Nooteboom, and his meeting with father and son Anton and Philip Taads. Inni is introduced in a short section placed in 1963; then we get his meeting with the older Taads in 1953, followed by his coming across the younger Taads in 1973.
